### Rosemary Street Web Series

A series about a neighborhood in Baltimore - highlighting the struggles and triumphs of a diverse cross section of blended families and aging rockstars. The series celebrates the traditions of lifelong residents while exploring the next generation.

The producer and casting team will also be there. Johnny Alonso has been in numerous films and is also an accomplished musician and a personal friend of mine. I was in 2 films with him. I hope to see some of the Lions there. The No Other Name Band, of which I am part of, will also be performing along with various other artists. Submitted by: Lion Jeanne Ward
