DISTRICT GOVERNOR'S MESSAGE

JUNE

Congratulations District Governor Elect Evan Gillett, First Vice District Governor Elect Barbara Brimigion and Second Vice District Governor Elect Charles Croft, Jr. who were all elected at the 95th MD-22 Convention in Ocean City. We wish them much success in 2019 -2020 as they begin their terms on July 1st.

Lion Sue and I have had a wonderful year, visiting great Lions Clubs throughout our district. Thank you to all our clubs for the exceptional hospitality you gave us during our visits.

We have learned about fantastic service and fundraiser projects being done in our District 22-W. Our Lions are truly living up to our Lions motto **WE SERVE**. We have lost members this year but are still the largest and best district in our Multiple 22, consisting of District A, B, C, D and W. In our district, we have 1860 members as of May 7th, down from 1920 members a year ago. We also had 59 Lions Clubs a year ago and now have 57 Lions Clubs, losing Halfway and Oldtown Lions Clubs. I was notified by West Hagerstown that they are turning in their charter at the end of June and we have had no contact with Carroll Manor-Urbana Lions Club, which will bring our district down to 55 Lions Clubs. I have been talking to our Lions Clubs about retention – keeping Lions from being dropped due to lack of attendance and non-payment of dues. And, our members are all getting older, altogether resulting in a loss of 80 members. It is difficult to find younger members to take our place, but we still need to invite them to help us with our service and fundraiser projects. They will then see firsthand how Lions serve and help their communities. There is one other thing that we can do to retain members. The answer is to keep all Lions involved in service and fundraiser projects. Too often we take ownership of a project and don't ask others to help. If a Lion stops coming to club meetings and projects, perhaps a simple phone call or email asking for help may change things and keep a Lion in the club.

We have been looking at areas where new Lions Clubs could be formed. A new Lions Club can be formed with 20 or more members. Another way we can grow is to form a Branch Club. The Lions of a branch club are members of your club but meet separately. This could be a great opportunity in areas where there are a lot of commuters who travel and can't attend weekly meetings. It could be possible that they meet on a weekend when they are not commuting. Another area where a branch club could be formed would be in retirement communities.

This will be my last article, having written one each month for the past 3 years. It was my hope that each message would offer encouragement to each of our Lions. Finally, thank you for all you do as a Lion. Our communities are a much better place thanks to all the work done by you, a proud Lion in our District 22-W. I have another month of club visits attending charter nights, officer installations and presentations of awards. Don't forget our bus trip to **Lions Camp Merrick** on July 10th. We still have seats available. And try to attend our **Banner Change** on August 10th. That will be a night of awards, fun and the official banner change from the Grantsville Lions Club to the Roaring Run Lions Club. Watch for the banner change flier and the event will be held at the Myersville VFD, same as last year.

Each Lions district in MD-22 was given a grant of \$5,000 to be used for membership and promotion. In our district, we held Lions information nights to inform the community about our Lions Clubs.

We also gave each Lions Club a sign and banner to promote their club.

Most recently, we purchased 12 tents and had them imprinted with the Lions logo. They are available on loan to our Lions Clubs from each Zone Chair. So, we are spending all the grant money and will not have to send any money back to the Council of Governors.

If you have any question, please contact DG Gerry Beachy at 301-707-7200 or GMT Lion Martin Bonura at 443-745-1281..

LIONS VISION RESEARCH FOUNDATION

Submitted by PDG Susan Timmons

The Lions Vision Research Foundation, Inc. had many exciting events take place at the May 2019 Multiple District Convention held in Ocean City, Maryland. It began with the May Board Meeting where important items were voted upon and passed. One such item was the way your contributions were handled for the Lions Fellow at the Low Vision Center at the Wilmer Eye Institute. The Board made wise decisions on handling your donations for the best financial outcomes. The second item of important business was the election of next year's Executive Board.

The Second event was perhaps the largest highlight: During the Multiple District 22 Business lunch where all Lions attending meet as a group. Special LVRF guests were Dr. Peter J. McDonnell, Director of the Wilmer Eye Institute and Libby Bell, from the Wilmer Development Office were also in attendance. Prior to lunch LVRF Chairman, PDG Larry Burton presented the initial donation to officially start the Lions Fellowship Endowment with Johns Hopkins University to Dr. Peter McDonnell. (SEE PICTURE AT RIGHT) This \$300,000 donation was made possible because of a generous donation from Richard and Sharon

Hott of the Cumberland Lions Club through their estate and the generous donations of Lions and Lions Clubs toward the Lions Fellowship Endowment. The official paperwork had been signed by LVRF Chairman PDG Larry Burton and Johns Hopkins earlier in May and LVRF wanted to make the initial donation presentation where Lions could share in this wonderful event which they made possible. As IPDG Susan Bonura, LVRF Planned Giving Chair stated at the Board meeting earlier in the day, Lions do so many wonderful works of service while they are here. Lions need to plan what happens when they are gone. ***Consult your Financial Planner, tax advisor, or lawyer and while you remember family and church, also remember LVRF.***

After the lunch at the District 22W Business Meeting during DG Gerry Beachy's Remarks, he turned the meeting over to PDG Larry Burton, LVRF Chairman to make a surprise recognition. PDG Larry presented Lion Jack Neimeic of the Libertytown-Unionville Lions Club with an Arnall Patz Fellowship. (SEE PICTURE TO THE RIGHT)

Make plans now for your 2019-2020 Budget to include your Multiple District 22 Project, LVRF. Many more great things are happening.

Mark your calendars now for the 2019 November Rally on November 16th.

Lynn Heller was the speaker at our last meeting. She spoke on the role of horses during the Battle of Gettysburg.

Horses were actually the unsung heroes of the Civil War and were used by officers, to pull cannons and for the mounted cavalry soldiers. There were 72,000 horses at Gettysburg. Of those, 5000 died during the battle and a total of 1.5 million died during the entire Civil War.

She spoke at length on two famous horses, Gen. Robert E. Lee's horse, Traveller, and Gen. George Meade's horse, Old Baldy. Both the North and the South were always looking for horses and many were stolen from farms.

PRESERVING HISTORY

Anna Cueto, Curator, with the Washington County Historical Society, took us back in history for a very educational and interesting experience at our Lions meeting in May.

Ms. Cueto spoke about how the history is truly accessible, and the unique information that the Historical Society has to offer. They include weekly family activities, extending hours to evenings and weekends, an outreach program to local schools, and

every Friday hosting Culture and Cocktails, an innovative lecture series that pairs a love of history with an historically inspired cocktail.

She was also very proud to inform us that the Washington County Historical Society is one of six sites chosen for the prestigious Waterways Tours.

For more information on all of the programs that are offered and becoming a member, visit <https://washcohistory.org/>. Pictured above is Ms. Cueto and Lion Joe Wolf who introduced her.

STRONG LEADERS ARE MADE, NOT BORN

It was a great pleasure to have Scott Paddock, executive of the Mason-Dixon Council for Boy Scouts of American to speak at a Lions meeting. He gave us a great update on BSA. He spoke on the positive changes of inclusion of females and how it is working very well and is very appealing to today's busy family lifestyles that all scouts can be on the same schedule.

Girls now have the same opportunity to grow and receive acknowledgement for their accomplishments alongside of the boys. This is working very well. He also gave an update on Camp Sinoquipe and noted that this is the 25th straight year in a row that this summer camp has been nationally accredited and that the camp is top in the country.

He invited us all to the new Olympic sized swimming pool that is heated from April until October. Be sure to "like" their face book pages: Mason-Dixon Council BSA & Camp Sinoquipe Reservation to keep up to date on all their events.

many patrons didn't wait long and got ALL our chickens!

SIGHTFIRST

Submitted by: Lion Dick Autz

The Vision Screening Team from Middletown Lions Club has completed their annual effort within the Middletown area, to screen children for vision problems. This year screening of 23 children was performed at the St. Paul's Preschool. This was a new addition to the continuing group of schools consisting of Christ Reformed Church, the St. Thomas Moore school, the Valley School, the Lucy School. And MUMC Preschool.

During the 2011 season: 175 children screened with 8 referrals

During the 2018 season: 243 children screened with 23 referrals

This year—2019: 278 children screened with 17 referrals

Each year the challenge is growing and the Vision Screening Team works hard to meet their goals which are an important part of the Lions Global Initiatives.

The efforts of Lions in the field of vision are expansive and well documented. Our SightFirst program has played a key role in reducing global blindness—building comprehensive and sustainable eye care systems, including projects that deliver eye care services, build or strengthen eye care facilities, train professionals and build awareness about eye health in underserved communities.

The Middletown Team trained 4 more people in the use of the camera to make next year's team even better. Congratulations to Jim Colaianne, Pam Riner, Janet Fox, and Paul Fox for learning this new skill. The Vision Screening Team is always looking for more help with the "paperwork" that must be done, and if you can help, please call one of the chairpersons below to volunteer.

It was an annual Educational Services Night when the club recognizes their scholarship winners from Liberty High School and Century High School; presents scholarship funds to Carroll Community College Foundation, and recognizes area Eighth Grade Students and High School Seniors who rendered the most community service hours during this school year. Steve Wantz, Director of the Carroll Community College Foundation accepted a donation of scholarship funds for a student from the local community who is in need of the funds to remain in the college and graduate. The Foundation administers the funds for the FDLC.

Freedom District Lions Club recognizes the outstanding community service performed by our middle school and high school students. Thus, the club presents a certificate of achievement and a check to the 3 eighth grade students at Sykesville Middle School and Oklahoma Road Middle School as well as the 3 seniors at Century High School and Liberty High School who have volunteered the most hours to community service during the year. The students and family members were invited guests at the FDLC May dinner meeting.. Matt King, FDLC Chairman of the Youth Outreach Committee and Don Champ, FDLC President presented a certificate and check to each of the students present in recognition of their outstanding community service.

DEER PARK LIONS HAVE A BUSY MONTH!

Submitted by: Lion Trudy Landry

Deer Park Lions have been very busy! Following are some of the **Services** the club accomplished:

Six Vision Screenings: 31 Lions put in nearly 80 Lion Hours to screen 133 Children, of which 6 children were referred to an eye specialist for further evaluation.

Hospital Equipment Loaned: 4 Lions loaned 6 pieces of Hospital equipment to assist 4 people in need. An estimated 12 Lion hours was accumulated.

Six Feed the Hungry Sessions: 30 Lions put in 90 Lion Hours to serve groceries to 650 people at Carroll County Food Sunday.

Deer Park Cleaned: Lion Bill Stonesifer took on the project himself and cleaned the entire park! Countless number of people are served and appreciate this service we provide.

The above list of services (minimum of 800 served) would be a good month, but look at what else the club accomplished:

Mulch Fund Raiser: 21 Lions worked over 80 Lion Hours to sell 1,140 bags of mulch and raise \$2500 in funds that will go back into the community.

Senior Expo Publicity: Six Lions put in 21 Lion Hours to make the Carroll County Community aware of Lions and how Lions contribute to the community.

Lions Info Night: 4 Lions put in 12 Lion Hours to share Lions information with the community.

Two clubs were visited (5 Lions), Five meetings were attended including Leader Dog hosted by DPLC (11 Lions), DPLC Club Meeting (21 Lions), LSKS meeting (2 Lions), Zone Golf Meeting (2 Lions), Cabinet Meeting (2 Lions). AND many of us made an effort to get to the Peep Show!!

Coming up: The 151st Annual Memorial Day Parade and Ceremonies will be held in Westminster on Monday, May 27, 2019. This is the longest running Memorial Day tradition in the country. The ceremony begins with a parade that will form at 9:00 am on Monroe Street, near West Middle School and St. John's Catholic Church. Parade will step off at 10:00 am. Deer Park Lions will once again participate.

EXTENDING BEYOND THE FARM HAGERSTOWN LIONS CLUB

Submitted by: Lion David Kaplan

It's there for farmers—that's our usual perception of the Agriculture Extension Center on Sharpsburg Pike. Our April program presenter, Jeff Semler (pictured) who works at the center and is actually a faculty member of the University of Maryland Ag Department, expanded that perception beyond what most of us could have imagined. He initially provided an historical background of the centers which occur in all fifty states and the District of Columbia. Their origin goes back to the establishment of land grant colleges in 1862, but their scope and mission has been enlarged through the years by various federal regulations.

Today the Washington County Extension Center provides a broad range of outreach through workshops, seminars, classes, clinics, and consultations with individuals and groups. Topics include 4-H and Youth, even a "Tractor Safety" course (which is really a farm safety unit), gardening (help from Master Gardener's), food and nutrition, health and wellness (including diabetes control), insect pest control and pollinator expansion (Monarch Alliance has found helpful guidance in developing way stations) and money and budgetary help! Not just for farmers—all citizens of the County can benefit from the services the Extension Center offers. Who knows? Perhaps there may be ways for Lions to team with the Center on future service projects.

BEST FRIEND PHIL

Submitted by Lion Dave Kaplan

When Deanna Greco entered Catholic University of America, she was a lonely, shy, and often discouraged student. She suffers from a disease that affects the cones in the retina of her eyes, destroying most of her vision. Since the third grade she has been unable to see school chalkboards. In spite of outstanding intelligence and persistence which enabled her to gain admission into college, the disease had isolated her from many social contacts. But, she had some Lion friends who introduced her to the Leader Dog Program. She decided to apply for a service dog. That's when Phil, a black Labrador retriever and a graduate of the Leader Dog training program in Michigan, entered Deanna's life. She describes that event as a transformation in her life giving her enthusiasm, confidence, and good humor.

Lions from Region II were blessed to hear her story and converse with her at the annual Leader Dog evening in April at the West Hagerstown Club Meeting. Clubs in the Region and Lions present at the meeting offered over \$3,100 in support of the Leader Dog Program

Pictured left is Deanna Greco and her dog (at her feet) Phil receiving a check for Leader dog.

WEST HAGERSTOWN AWARDS SCHOLARSHIPS

Submitted by: Lion Donna Jackman

It was an honor and pleasure to be able to present the two young ladies that received our 2019 West Hagerstown Scholarships at our meeting on Monday Night, May 20, 2019. Each student received a Scholarship Certificate and a one thousand dollar check was sent to the college where she is enrolled to begin classes for the Fall Semester.

Sarah DeMuth will be graduating from the Barbara Ingram School for the Arts. She has participated in the Music Program of the School. This fall she will be studying at Lee University which is located in Cleveland, TN. Her goal is to become a youth minister and continue her music training at this university. Sarah is the daughter of Eric and Amy DeMuth who accompanied her to the award presentation and enjoyed dinner with our members.

Taliah Hodges is a senior at South Hagerstown High School. She was on the Volleyball Team, participated in several of the school's clubs and tutored at the Boy's and Girl's Club in addition to working part time. Her goal is to study at the University of Maryland College Park in the health field. Eventually, she would like to go to Africa or one of the other foreign countries and work to help those residents have better health care. Taliah was accompanied by her mother, Amanda Mattingly, her stepfather and her grandparents. Her father, Anthony Hodges, Jr. is deceased.

The West Hagerstown Lions Members wish each of these young ladies much success as they continue their education at institutions of higher learning. We hope they keep in touch with us to let us know how they are progressing.

THURMONT LIONS HAVE A BUSY SEASON

Submitted by Lion Joyce Anthony

SUMMER SANDWICH SALE: The first sandwich sale of the year was held in April. The weather was very windy all day which helped to keep the crowds down. We had a strong start but customers dwindled by noon which limited the total profit for the day. The lower turnout combined with higher initial startup costs contributed to the lower profit for the day. On a positive side, the new changes we've made at Bell Hill seemed to work quite well including the front line, the new slicer, the new sinks and the new cooker.

NEW LIONS BROOMS AVAILABLE: We are selling Lions brooms once again this year at the sandwich sales. We now have four sizes available: Larger patio brooms, regular house brooms, whisk brooms, and the smaller toy/hearth brooms. You can also contact Lion Doug if you would like to purchase a broom.

EASTER EGG FUNDRAISER: We started a new tradition this year by offering a limited edition collective Easter egg. We sold 215 eggs out of 250 that were available giving the club a profit of \$1,124. LOOK FOR THE SECOND EDITION OF THE EGGS—Different Color different picture next spring.

2019 CASH BINGO: On March 30 we held a fun filled cash bingo. The Lions had an exciting time selling King Tut tickets, tip jars, specials, raffle tickets and a 50/50

Approximately 13 baskets, along with baked cakes, were raffled. These amazing beautiful baskets and delicious appealing cakes were donated by club members. Lion Don Keeney rocked the food booth as always with his committee. The array of snacks was overwhelming. What a selection! The food was so YUMMM! A big thanks to all who helped and to Lions Don and Jan who chaired our bingo for an outstanding event.

MEMORIAL PARK WYE OAK GARDEN

CLEANUP: Lions Bob Johnson, Bill Reynolds and Bill Long met at Memorial Park and did a spring cleaning at the Wye Oak Garden. They weeded the beds, cut back dead growth from last year, edged the bed, and added fresh mulch. All in all, it was a several hour cleanup to cut back the plants.

ROARING RUN LIONS PRESENT "HEROIN STILL KILLS"

Submitted by : Lion David Brauning

Roaring Run Lions presented the showing of "Heroin Still Kills" at the Finksburg Library on May 29th. A full house with several speakers including Carroll County Commissioner Christopher Eric Bouchat; Edward Coyne Carroll County State's Attorney Office; Brittney Saybock also from the State's Attorney Office; Shawn Wehland, Writer and Director and Linda Auerback, Producer of the film,

Commissioner Bouchat stressed Public Awareness and the need for the knowledge about addiction. The state's Attorney's Office works to stop the supply along with Law enforcement. Outreach and prevention is the most cost effective.

Those in recovery need to find a purpose and are most effective in talking with those who need help.

There were 82 deaths from overdoses in Carroll County in 2018. The substance use epidemic presently is the most urgent public health issue.

The Freedom District Lions Club (FDLC) recognized the accomplishments of the members of the Century High School Leo Club and the Liberty High School Leo Club during their May 8, 2019 meeting held in Celebration Hall, Messiah Lutheran Church.

The Leo clubs Advisors from both schools were also recognized for their outstanding support of the clubs over the past several years.

CATOCTIN HIGH SCHOOL LEO CLUB

Advisors: Lions Bob Kells, Sarah Kells—School Adviser Patricia “Trish” Steele

CHS LEO OF THE YEAR: THE CHS Leo’s are planning several events to help the community and celebrate the end of another year of service. First up is a collection drive for personal hygiene items taking place now at CHS. Students and teachers are encouraged to bring in hygiene items such as toothpaste, toothbrushes, soap, Shampoo, deodorant, and hand wipes. We prefer the smaller, travel size items because these are easier to carry. These items will be bagged and given to homeless and low-income residents of Frederick County.

We want to encourage TMS students to continue their participation in Leo’s once they get to the high school. We’re also looking at projects the two clubs could work on together, such as a car wash, and the weekend Lions’ pit sandwich sales.

Speaking of sandwich sales, all Leo’s are encouraged to support the Leo Club ice cream sale that takes place over the summer. We want to have a presence at all the sales this year. The schedule for the remainder of the year is: May 25, June 15, July 6, August 3, and August 31. We will open the stand if we have at least two Leo’s to sell ice cream. The hours for ice cream sales are 10:00am-2:00pm.

The CHS Leo’s are also planning for the end of the year trip to Hershey Park. Tickets will soon go on sale for students, their families, and friends to go to Hershey Park on May 17, 2019. If we have enough people we will rent a bus for the day.

THURMONT MIDDLE SCHOOL LEO CLUB

Advisors: Melanie Ware, Lion Gayle DeSalvo, Lion Dianne McLean

Current and future projects:

- *TMS Leo’s donated \$200 to the Leader Dog for the Blind at the Leader Dog Banquet
- * Hoops for Heart will be the next event to take place at the June meeting
- * New officers will be selected at the May meeting

CATOCTIN HIGH SCHOOL LEOS CONTINUED:

CHS Leo’s are leading the way in community service. Thanks to all the Leo’s for their participation in club events. Let’s work toward a strong finish to the year. LEOS ROAR! (Lion Bob K.)
