

# Police Officer/ Firefighter Appreciation Bags

Make **Police Officer Appreciation Bags** for all the police officers in their community and then dropped them off at our local police station. I created a simple free printable tag you can print off and use on any kind of bag and the best part is that I kept it fairly generic so that these could work for any first responders in your community...police, fire, EMTs, etc, you name

The bags were filled with a few pieces of each candy from the attached list...a fun treat for them to eat when they get a break or finish a shift!

And since we were gifting them to police officers we glued the tags onto blue and yellow card stock and tied the bags with blue and yellow ribbon. You could always do **red and black for the fire department** or whatever color you feel works for the first responders in your community that you want to thank!

## **Lifesaver**

Because you are one!

## **Caramel**

Because you help others get out of sticky situations!

## **100 Grand**

Because you don't do it for the money!

## **Lollipop**

For that "POP" of energy you need!

## **Mint Patty**

To help you keep your cool in every situation!

## **Laffy Taffy**

To help you keep your sense of humor!

## **Gum**

To help your unit stick together!

## **Hershey's Kisses**

To show you our love for all you do!

# **THANK YOU FOR ALL YOU DO!**

To print the tags, you can click on the image above and size it to your liking or you can click the link below which I created to print off as four tags per page. Just use heavy white card stock when printing and cut each sheet apart into fours.
