

The Second Annual

Thurmont Easter Egg

These painted wooden eggs are manufactured in the USA by the same company that manufactures the eggs for the White House Easter Egg Roll.

Each year the egg will feature a different Thurmont icon and will be a limited edition, numbered from 1 to 250.

This year's egg features the Roddy Covered Bridge in black ink on a pastel pink egg.

Price is \$10.00 and \$.60 tax for a total of \$10.60 each.

An optional service is being offered this year, to insert an eyelet and provide purple ribbon so the egg can be hung like a Christmas ornament. This service is available for an extra 40 cents. Those who purchased Easter eggs last year may have a ribbon inserted for \$.40. Contact a Lions member if you are interested.
