DISTRICT 22W AWARDS

DISTRICT 22W HONOR ROLL

The District 22W Honor Roll Award recognizes Lions and Lionesses who have rendered outstanding service to their clubs and their communities at the “grass roots” level over an extended period of time, who exemplify the spirit of Lionism through their unselfish dedication and who are deserving of District-wide recognition for their efforts in support of Lionism.

ELIGIBILITY CRITERIA

Lions and Lionesses who have been members for at least five years are eligible for nomination to the Honor Roll. The current Cabinet Secretary, Cabinet Treasurer and Club Presidents are not eligible and may not be nominated. Past District Governors will become eligible five years after their term as District Governor.

NOMINATION PROCEDURE

Each club may nominate one member per year. In addition, the District Governor may submit two nominations, none of whom may be members of his/her home club. Nominations are to be in writing, signed by the nominee's Club President or Secretary, or the District Governor, and shall list the reasons the nominee is considered deserving of the award by providing a detailed description of the nominee's service and activities in support of Lionism. Nominations may be made at any time during the Lions year but must be submitted to the First Vice District Governor by email or US mail postmarked no later than April 15th.

SELECTION PROCEDURE

Award recipients shall be selected from among the nominees by a committee chaired by the First Vice District Governor and consisting of the Second Vice District Governor, Cabinet Secretary, Cabinet Treasurer, and the nominee's Zone Chair. The committee may select up to ten recipients per year. The final selection of the recipients will be based solely on the above eligibility criteria and only what is submitted on the nomination form.

AWARD PRESENTATION

Honor Roll Award recipients will be announced by the First Vice District Governor at the first District business meeting during the Multiple District Convention. The names of all recipients, and their clubs, shall be inscribed on a master plaque which will be updated each year and displayed at the convention. Each recipient will receive a certificate signed by the District Governor.

DISTRICT GOVERNOR'S MEDAL OF COMMENDATION

The District Governor's Medal of Commendation will be awarded by the District Governor to individuals (Lions, Lionesses, LEOs and non-Lions) who have demonstrated performance above and beyond what is normally expected during the operation of the club, a club project or a special event or occurrence.

Nominations for this award will be made, in writing, either by letter or email directly to the District Governor stating the name of the individual nominated for the award and will include the date(s) and location of the event, project or occurrence and a short description of why the individual believes a District Governor's Medal should be awarded. The decision on the issuance of the commendation will rest solely with the District Governor.

Presentation will be made by the District Governor or a Cabinet officer designated by the District Governor at an appropriate meeting or ceremony.

Five Tips for Serving Safely in Your Community

Lions Clubs International - March 31, 2020

The ongoing coronavirus (COVID-19) pandemic may be changing the way we live, but it has not changed who we are. We are Lions and We Serve. But during this global health crisis, it is important to keep yourself and your family safe and healthy. And Lions around the world have found new and creative ways to do both. Your club may have already developed a safe strategy to lead a community response to COVID-19, but if you're still looking for new ways to serve, consider these five tips for serving safely that Lions clubs around the world have put into action.

Keep in touch - Social distancing does not mean social isolation. Catch up with family, friends, neighbors and fellow Lions by phone or email and see how they are doing. There are also many people in your community, such as the elderly, who may not have as many opportunities to communicate with family and friends. Consider recruiting your club into a phone tree to reach out and have a conversation with someone who would enjoy talking to a caring, friendly person.

Get social - Social media has become such an essential part of how we communicate because it is so effective. Spread hope by sharing stories about how your club is helping your community during this crisis. By posting information, updates, and safety tips, you can start a conversation online and transform your club's social media network into a communications hub for your community.

Fight hunger - It is important to make sure that we do our part to meet the needs of our community. And fighting food insecurity is a great way to provide comfort to those in need without having to leave your home. Your club can support your local food bank or homeless shelter through fundraising or even by ordering a care package of other essentials like toilet paper, toothpaste, and clothing. When you make sure that your neighbors have what they need at home, you help them to limit their exposure and ensure that we can all get through this together.

Give the gift of safety - As you serve during this crisis, your personal safety is the most important thing to remember. And due to a shortage of cleaning supplies and personal protective equipment, such as masks and gloves, this is becoming even more

challenging. While many Lions have come together to form mask-making groups and have generously shared their cleaning supplies, it is essential that you make sure to take care of yourself. Remember to serve safely. You too are a part of the community you are serving.

Find a partner in service - Your community is full of experienced professionals and organizations that are also doing their part. And many of them need help. Whether it is supporting hotlines or providing translation services, you and your club have the skills they need to strengthen your community's response to COVID-19 — without having to leave home. The relationships you form can help you continue to improve the future of your communities. In a time when people are depending on you more than ever, we are depending on you to take every precaution to serve safely. That is the only way we can get through this together.

Let us know how you are serving safely. Post your stories on social media using the hashtag #WeServe and inspire other Lions around the world to do what they can to help their communities. Because we are all in this together!

CLUB SAFETY OFFICER

Every club should have a safety officer whose job it is to improve the safety of each Club event. The Safety Officer should inspect the event site to identify and correct possible safety concerns. Although not a complete list, here are some common things the safety officer should be looking out for:

- Adequate lighting inside and outside of the event site.
- Overloaded electrical circuits
- Loose or misaligned equipment
- Equipment not properly maintained
- Dull blades
- Trip hazards
- Loose or non-existent traction pads on steps or ramps
- Overhead hazards
- Supplies or equipment stacked too high
- Presence of first aid kit and fire extinguisher
- Improperly marked exit signs
- Presence and use of personal protective equipment (goggles, hearing protection, fluorescent traffic vests, etc.)

No matter how good the safety inspection, things happen. When something happens that injures a Lion, a guest, or a private citizen, provide immediate first aid and assistance. If there is any doubt at all, call 9-1-1. The experts can decide if the victim needs to be transported. Any incident where additional medical treatment is likely should be reported to the District Governor and to LCI. LCI carries insurance that should be in effect for any Lions' sponsored event.

Provide evidence of automatic insurance coverage from Lions International for your events. Lions can produce their own Certificate of Insurance through the following:

www.lionsclubs.org/en/membercenter/resources/insurance/index.php.

PROTOCOL

Official Protocol

Protocol is an official expression of good manners. The courtesy we show each other in our everyday lives affects our attitudes, our work and, in turn, how we view ourselves as human beings. Protocol means respect for position. It is a form of etiquette. Protocol is nothing more than exhibiting GOOD MANNERS to an invited guest of your District or Club.

Order of Precedence

The following is the official protocol policy of the International Association of Lions Clubs. Only the principal speaker is required to acknowledge all dignitaries present. Lions shall be recognized in the following order:

International President
Immediate Past International President/LCIF
Chairperson
International Vice President (according to rank)
Past International President
International Director (Board Appointee)
LCIF Board of Trustees
Past International Directors
Past LCIF Trustees and Past Board Appointees
GLT/GMT/GST/LCIF Constitutional Area Leader, New
Voices Constitutional Area Chairperson
GLT/GMT/GST/LCIF Vice Constitutional Area Leader
LCIF Area Leaders, FWC/GLT/GMT/GST Area Leaders
and Special Area Advisors/Japan Vice Constitutional
Area Leaders, New Voices Constitutional Area

Chairperson, Council of Governors
District Governors
International Administrative Officers
Multiple District FWC/GLT/GMT/GST and LCIF

Regional Chairpersons
Zone Chairpersons
District Committee Chairpersons
Club Presidents
Immediate Past Club Presidents
Past Club Presidents

Club Treasurers

General Comments

When a Lion holds more than one title, he or she shall be recognized for the highest one. In areas that have positions in addition to those previously listed, they should be recognized in accordance with local customs, provided that elected officers always have precedence over appointed ones.

It is recommended that Melvin Jones Fellows be recognized as a group. In introducing speakers, their status as Fellows should be mentioned.

Non-Lion Dignitaries

Non-Lion dignitaries should be given precedence in accordance with local protocol and/or custom, keeping in mind that if the non-Lion is the principal speaker, then he or she should be seated to the right of the chairman.

Head Table Seating

The presiding officer or meeting chair must always be seated at the most central seat at the table when there is no central podium, shown as seat number one in the following diagram (Figure 1). The principal speaker should occupy seat number two, then other Lion dignitaries in accordance with the general order of precedence. If possible, there should be the same number of seats to the right and left of the chair or presiding officer (who would normally be the Club President, District Governor, Council Chair, or International President).

Figure 1

(Audience)
7 5 3 1 2 4 6

As shown in Figure 2, seating at the head table with a podium is essentially the same, except the meeting chair or presiding officer is always seated at the left of the podium (facing the audience) and the principal speaker at the right.

Figure 2

(Audience)
7 5 3 1 Podium 2 4 6 8

When spouses are present, they should be seated to the member's left when on the left side of the table, and to the member's right when seated on the right side of the table.

Multi-Head Tables

If there is more than one head table, the table at the highest level shall be considered the primary one. Care should be taken not to sit Lions of the same rank at different tables.

Head Table Introductions

Introduction of the head table should begin with the meeting chairman or presiding officer and then continue from the person with the lowest rank on the order of precedence to the person with the highest. When spouses are present at the head table, they should be introduced with the member (e.g. "Past International Director John Doe and his wife Jane").

EMAIL ETIQUETTE FOR LIONS

1. Do not use the "reply all" feature unless the response is applicable to everyone who was copied on the original message.
2. Be professional. Use the email addresses of Lions for Lions' business only. (No jokes, stories, political or religious messages.)
3. Include your name and club name in your response. There are hundreds of Lions in our district and everyone does not always recognize your email address.
4. Respond in a timely fashion; usually within 24-48 hours. If you need more time to formulate a complete response, send a reply indicating this so that the sender knows you have received the message and are working on the issue.
5. If you or your club have had problems with phishing scams, please go to the link below. Learn how to protect yourself, your Lions club, and the Association from phishing on this website:
<http://members.lionsclubs.org/EN/resources/phishing-protection.php>.
6. Never reply to a suspicious email requesting money. Report such email to your internet provider.

OFFICIAL VISIT OF DISTRICT GOVERNOR

Your District Governor is required by Lions Clubs International to make at least one official visit to every club within the District. In most cases the District Governor is the highest-ranking officer of Lions Clubs International to visit the Club during the year. During the Official Visit certain procedures or protocol should be followed:

1. Do not schedule other programs during this visit.
2. Publicize your Governor's visit.
3. Have your attendance committee strive to secure excellent attendance at this meeting.
4. Encourage all members to wear their Lions' Club name badges.
5. Have your District Governor properly introduced to each Lion and Lioness. Usually the President or Master of Ceremonies should do this. The Cabinet Secretary, or other District Officer, will provide the official introduction of the District Governor during the meeting.
6. When the Governor is introduced, the Club members should stand, and in like-manner, should also stand at the conclusion of the talk.
7. A brief Board of Directors meeting should be scheduled following the regular meeting. This is the appropriate time for members to ask questions and participate in a discussion with the Governor. Accordingly, full attendance by the Board is appreciated, as well as attendance by all other interested members of the Club. To permit the Governor to be able to respond and offer the best possible advice, it would be appreciated if special problems or questions are made known to the Governor well in advance of the visit.
8. Your District Governor welcomes suggestions for improvements in the District.

LIONS CLUBS INTERNATIONAL VISION STATEMENT

TO BE THE GLOBAL LEADER in communities and humanitarian service.

LIONS CLUBS INTERNATIONAL MISSION STATEMENT

TO EMPOWER VOLUNTEERS to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

LIONS CLUBS INTERNATIONAL CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration of profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

LIONS CLUBS INTERNATIONAL PURPOSES

TO ORGANIZE charter and supervise service clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social, and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship, and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works, and private endeavors.

HISTORY

Multiple District 22

The 16th District of Lions Clubs International was organized in 1921 and consisted of the states of New Jersey, New York, Maryland, Delaware, and the District of Columbia. Because of rapid growth it became necessary in 1922 to divide the area – New Jersey remained as the 16th District, New York became District 20, and Maryland, Delaware and D.C. became District 22.

The Baltimore club was the first to organize (October 26, 1921) within the boundaries of the present District 22. In 1940, District 22 was divided into Districts 22A and 22B. In 1944, District 22C was organized, followed by Districts 22D and 22W in 1947. The Frederick club was the first to have organized (June 7, 1922) within the boundaries of the present Sub-District 22W.

Multiple District 22 is divided into the following sub-districts:

- District 22A – Anne Arundel, Baltimore, Harford and Howard Counties and Baltimore City
- District 22B – Caroline, Cecil, Dorchester, Kent, Queen Anne's, Somerset, Talbot, Wicomico, and Worcester Counties
- District 22C – Calvert, Charles, Montgomery, Prince George's, St. Mary's Counties, and the District of Columbia

CLUB CHARTER NIGHT*

*Lions Clubs International designates a club's charter night as the date the charter was recorded at LCI, not the date your charter night was first held. When a club is formed, the club celebrates its first charter night. After about one year of service, the club celebrates its second charter night, and so on. For example, if your club was chartered in 1990, it will celebrate its second charter night in 1991, third charter night in 1992, fourth charter night in 1993, etc. Your club's officially recognized charter date is in MyLCI on the District Clubs' page for each club.

Charter Night is a special event celebrating the beginning of a new Lions club as well as an annual celebration or "birthday" for the club.

The first task is to appoint a Charter Night chairperson and Charter Night committee. The next task is to select a Charter Night date. For new clubs, this takes place approximately 90 days after the charter approval date. For existing clubs, this takes place at a date during the month in which the charter was originally approved.

The next task is the preparation and mailing of Charter Night invitations. The chairperson and his/her committee should confirm attendance, secure entertainment, invite and provide accommodations (if necessary) for the guest speaker, ensure the room is set properly and check that equipment is in working order. It is customary to invite the Lions clubs in your district and those within a reasonable distance. It is also customary to invite the members of the sponsoring club as well as the current district governor, the district governor's spouse or companion and all past district governors within the district.

Another task is to design and print a suitable program for the event. Contents of the program typically include: Cover with club name, Charter Night date, event location and the Lions logo (available at www.lionsclubs.org); name of sponsoring club, list of the charter club officers, directors and members; program agenda; list of people the club wishes to thank; list of club contributions.
