To Friends and Supporters of the Glade Valley Lions Club:

The Glade Valley Lions Club has commenced planning for our primary fundraising activity of the year, our annual golf tournament at the Maple Run Golf Course in Thurmont, Maryland. The tournament will conform to all restrictions placed upon golfing by the State of Maryland and Maple Run Golf Course in response to the COVID-19 pandemic. A copy of the restrictions will be provided to each golfer as part of their goody bag. We are committed to completing this activity but in a safe and sanctioned environment for the players. We hope all our sponsors and players will be able to participate again this year.

For those who don't remember, we've used a letter much like this one to announce the tournament. Although living in Pennsylvania I am a longstanding and an active member of the Glade Valley Lions Club. We were initially chartered in 1945 and have been in continuous operation since that time. Our fund raising supports a variety of causes in our community.

This letter is to request your support of our tournament again this year. Our goal is to sell out the tournament. We would highlight your assistance in formal remarks by our President at the luncheon following the golfing. Your support will also be recognized on a handout to be given to each golfer listing our sponsors. The forms for sponsoring our outing are attached.

The funds we raise go to support the following activities.

Glade Elementary (Blessings in a Backpack)
Boy Scout Troop 1070

Sincerely,
