DISTRICT GOVERNOR'S MESSAGE

SEPTEMBER DISTRICT NEWSLETTER

One of the most important aspects of club meetings is fellowship. Meeting and greeting participants, making them feel that they are an important and valued part of the club and having a fun and pleasant atmosphere are critical to any Lion function. The majority of our clubs realize this and they have made an extra effort to achieve this during the pandemic. Some are meeting outside at community parks, carnival grounds, members' backyards, or garages and in churches during this challenging time. We have some clubs that have taken the initiative to learn how to do teleconferences and video conferences, helping to keep their members safe but connected. We now have clubs that have limited their meetings to only one time a month during this pandemic since it may be difficult to make arrangements for 2 meetings a month. We need to make these changes during this time to keep our members safe and interested in Lionism. **Whatever you do to keep your club together is fine as long as you are communicating, planning, and serving safely.** However, we still have some clubs who are not meeting or they have only met once or twice. I have asked our zone and region chairs to reach out to these clubs in order to identify them and to help them function.

I have made six club visitations in August (South Carroll, North Branch, Union Bridge, Smithsburg, Westminster and Mason Dixon) for a total of 11 since July 1st and have had a fun time traveling with Cabinet Secretary Susan and Cabinet Treasurer Forrest. I appreciate the hospitality that the clubs have all shown us. Some zone chairs and region chairs have also attended to get a better grasp of the problems and successes of the clubs in their area. FVDG Charlie has also made some visitations as he prepares to take the lead next year. Group sizes at these meetings are smaller, meals may not be served, frustration may be seen on their faces and heard in their voices, but ***the Lion spirit is still strong in our district.***

Cold weather and shorter days are just around the corner and clubs must have Plan B and Plan C in the works. We need to show the community that we are still a focal point in the community. Some clubs are now getting new members during this pandemic because the communities see that these clubs are still serving and making a difference in the lives of the needy who now have more needs, concerns and problems than they did before the pandemic.

Our District Global Action Team is having virtual meetings monthly with FVDG Charlie and SVDG Nadja and I. We are addressing the North American Membership Initiatives that were introduced (by LCI) to the districts for the first time this year. We hope to increase our district membership and retain our members by increasing member satisfaction, leader support, and increased service. I am emphasizing this as I make the rounds in the district. Clubs can help by increasing their communication, holding meetings, and performing service effectively and safely. Let us have 100% club participation in this district-wide effort.

FIRST VICE DISTRICT GOVERNOR'S MESSAGE

September Newsletter Article

As we leave those wonderful warm days of summer and head into the glorious season of Autumn I find that, despite the impact of COVID-19, our clubs are becoming more resourceful in the ways they meet, either in person or virtually, conducting service projects in some manner, and completing fundraising activities as best they can. Needless to say, our results may not be what we may normally realize but we are making the conscious effort to demonstrate to our members and our communities that we, as an organization, care and that we are still there working even harder to serve the needs of others.

Personally speaking, August was a bit busier than July. We started the month with our in person Cabinet meeting at Rocky Gap State Park. It was great to finally see and speak in person with Lions from across the district. Thank you Region Chair Bridgette Karalewitz for making the arrangements for our outdoor meeting. We also want to thank Lion Mark Karalewitz, President of the Lonaconing Lions Club for manning the sign in table, Lion Secretary Gary Llewellyn and Lion President John Lewis of the LaVale Lions for assisting with the sound system and other aspects of the meeting. To those Lions who made the trip to Region One, thank you for coming, wearing your masks, and practicing social distancing.

I had the pleasure of participating in the first ever virtual Leader Dog experience. Over the course of three one hour sessions spread out over three weeks, Leader Dog Chairs PDG Gerry Beachy and Past Region Chair Sue Beachy and I had the opportunity to "visit" the Leader Dog facility in Rochester Hills, Michigan and hear some wonderful testimonials from Leader Dog recipients and learn more about Leader Dog operations. I hope to see the facility first hand in the future.

I sat in as an observer of the Council of Governors annual Turnover Meeting which I found to be extremely informative. It was exciting to hear about the upcoming Multiple District 22 100th anniversary celebration coming up in the fall of 2022 and some of the preliminary planning surrounding the 2027 Lions International Convention in Washington, DG to be hosted by MD-22. I attended DG Barb's official visit to the North Branch Lions Club and participated in the monthly GAT and DG/VDG monthly Zoom meetings along with several of my home club meetings. Finally, I had the pleasure of conducting the first of two club secretary training sessions at Allegany College of Maryland on August 29.

Don't forget about the Vice District Governor Service Challenge of collecting new and slightly used single bed blankets and new pillows for the homeless shelter residents. I understand that finding new single bed blankets may be somewhat of a challenge but hopefully, as we head into fall, the supply will become more readily available. Please secure the requested items, take them to the appropriate agencies, and get those slips signed! Remember, the deadline is the November Cabinet meeting and the club collecting the most blankets and pillows will receive a check for \$100.00.

See you soon

SECOND VICE DISTRICT GOVERNOR'S MESSAGE

What is Leadership, and Who is a Leader?

SVDG Nadja Muchow

Leadership is not something a privileged few have bestowed upon them; we are all leaders, no matter what position or title we hold within our Clubs or District, and we all influence those around us and create ripples in the lives of others.

If I asked you if you thought of yourself as a leader, what would be your response? The fact is that most of us do not consider ourselves leaders. However, most of us are. *Leadership is action, not position!*

My two previous articles were Servant Leadership and Leadership Resources and Opportunities within Lions Clubs International. Today, the article talks about how each of you demonstrate leadership skills and characteristics in all parts of your daily living!

Think about it. How many times in your life have you displayed the following?

Vision-looking beyond today, to tomorrow and beyond

Optimism-inspire and motivate others, focus on the positive

Adaptability-try something new if the current approach is not working

Communication skills-understands that communication is a two-way street, listening

Confidence-aware of your own abilities, knowing the things you are good at

Decisiveness-determine what course you will take, not hastily, but without hesitation once decided

I am sure that we all have used each one of these traits during this pandemic. So then, why is it that many of us are afraid to accept a committee chair position at the Club, District or International level?

We experience anxiety and fear with a new role, the responsibilities and the expectations. We do not want to commit an error, lose someone's trust, disappoint our Club or District.

However, Lions are already Servant Leaders putting others first, numerous resources exist within Lions Club International to help you succeed and experienced Lion mentors are always available to walk with you through your fears. So step out of your comfort zone! Find a committee or position that interests you. You will be surprised at how much of a leader you really are! You will always be learning!

Membership Corner

*SVDG Nadja Muchow
Membership Chair*

I am very excited about our Membership Plan for this year. Therefore, I thought the best use of this article would be to mention some new and exciting things we are implementing to increase our membership and retention. Some are modifications to existing committees and or events.

- Mail letters of interest to 25 contacts received during community show drawing
- Mail letters to lost members to learn their reasons for leaving our club
- Conference call held with Vicki Grinder, Economic Development Manager, Thurmont for ideas on new places to place our Lions literature (CDC recommends all literature being removed)
- Community needs assessment results provided to me by Vicki Grinder describing what Thurmont feels is missing in their community.
- Social distance meeting held with Leo Advisor Bob Kells to discuss utilization of Leos as we market ourselves as a family club (due to COVID we cannot implement at this time); develop a process to engage with Senior Leos on becoming Lions in local club or campus club.
- Changes to Peace Poster delivery that will allow us to introduce the concept to art classes in the school systems. In addition, all students submitting posters will be included.
- Changes to Sunshine Committee process with regards to contacting absent Lions
- Use of recruitment handouts to club members to assist them with identifying potential members
- Formal induction of new members at first meeting after the Board has approved (updated welcome packet)
- Orientation of new members within one month of their induction (updated program)
- New member bios to be place in Thurmont newsletter after orientation
- Initiate mentoring program with the new members two months after their orientation
- Membership displays to be present at events
- Promote on line learning and leadership opportunities
- Utilize Global Action when necessary
- "Boots on the Ground"- approaching businesses requesting they sponsor one of their employees (difficult right now due to COVID)
- Develop a list of tasks an older or disabled Lion could do to maintain that feeling of inclusiveness

Lions Clubs International
Lions Quest

August 10, 2020

All Good Lions,

The Covid-19 pandemic has impacted the young people of our district attending schools in the counties of Carroll, Frederick, Washington, Allegany and Garrett. Lions Quest is a established program to provide character education, drug and bullying prevention, and service-learning through comprehensive lesson plans that educators use in the classroom. This program will help young people become better students, better decision makers, and better citizens; while providing District 22-W with visibility in their communities.

In the time when our dollars that we normally dedicate to youth of our district go unspent due to Covid-19 restrictions we can impact these children. Please consider allocating funds to the Lions Quest program by sending a check to the District as noted on page 123 of the roster book:

Lions Quest Program – Check should be made payable to the Lions District 22W Foundation, the memo area should include Lions Quest Program. Please send checks to Forrest Hudspeth, Cabinet Treasurer, 5883 Woodbine Road, Woodbine, MD 21797.

Thank you for your generosity.

District 22 W Lions,

Below is a request from PIP Gudrun Yngvadottir, LCIF Chairperson to help the people in Beirut, Lebanon. By now I am sure everyone has seen the devastating explosion that killed more than a hundred people and thousands more injured or missing. The Lions of 22 W have always stepped up during the time of crisis and now the need is as great as ever. **Please send a club or personal donation to help our neighbors in Beirut to: LCIF, Department 4547, Carol Stream, IL. 60122-4547. PDG Paul Cannada, 22 W LCIF Chair

Fellow Lions and Humanitarians,

On Tuesday, August 4, a massive explosion rocked the city of Beirut, Lebanon. More than 300,000 Lebanese have been displaced from their homes, thousands injured, over 100 confirmed dead, and many more missing.

When a humanitarian crisis of this magnitude strikes, we, as Lions, are ready to help. Right beside us is Lions Clubs International Foundation (LCIF), our global foundation.

LCIF is currently partnering with Lions in Lebanon to provide US\$10,000 in immediate relief to children, families, and communities suddenly struggling with everyday needs...struggling to remain safe.

You can help. Your generous donation to LCIF's disaster relief fund will help deliver further funds to Lebanese families.

Thank you for your kindness and for working together with LCIF to rebuild lives.

In friendship,

Gudrun Yngvadottir, LCIF Chairperson

Summer is quickly passing by. Thoughts turn to Fall activities. The Peace Poster Contest is one activity my home Club participates in every year. I know that during this difficult time you may be having trouble in locating youth to participate in the Peace Poster Contest.

As CS PDG Susan Bonura pointed out during the first Cabinet Meeting, every school district has a complete listing of the schools which includes names and contact information for the art teacher in each school. Should you receive pushback from the teacher, please reach out to your local church youth groups, Boys and Girls Clubs, the YMCA, Boy Scouts, Girl Scouts and the local 4H Clubs.

Here are some important dates to remember:

- * October 1: Deadline to purchase kits from the Club Supplies Sales Department at International Headquarters
- * October 24: Club judging completed
- * October 31: District judging. Place and time to be announced.
- * November 7: Presentation of the winning poster at the 2nd Cabinet Meeting.

If I can be of any assistance, please do not hesitate to call me at 301-639-6028. I am really looking forward to seeing what our young artists offers.

RE: Honorarium for Dr. Ashley Deemer, O.D

She's leaving!

Dr. Ashley Deemer, O.D. will be departing the Wilmer Eye Institute in September to assume a position with the Southern California School of Optometry at Marshall B. Ketchum University in Fullerton, CA. Dr. Deemer came to Wilmer as the 2015-16 recipient of the Lions Low Vision Fellowship at our Lions Low Vision Research and Rehabilitation Center. Upon completion of her Fellowship she was snapped up by the Wilmer Eye Institute where she has been recognized by her peers and established an enviable reputation both nationally and internationally as a rising star. She was recognized recently as a top provider in a Wilmer patient satisfaction survey and also received Wilmer's Louise Susan Award which provided travel funds to attend professional seminars/conventions.

Dr. Deemer's clinical expertise in general optometry and low vision rehabilitation served as a natural bridge to her association with LOVRNET. For the past five years she has been a vocal advocate travelling across our Multiple to describe the value that Lions volunteers can provide in the rehabilitation of low vision patients. She presented a seminar at the 2019 World Congress of Optometry in Orlando that introduced LOVRNET to practitioners from around the country resulting in attendees from Ohio and Indiana contacting LOVRNET to learn more about the program and how they could partner with local Lions.

Although we will miss Dr. Deemer, we are grateful for her enthusiastic support. Additionally, I anticipate we'll start seeing new inquiries about how to implement LOVRNET from practitioners and Lions in California in the near future.

You are invited to join us in recognizing Dr. Deemer for her contributions to our LOVRNET mission by making a donation to the MD22 Lions Low Vision Rehabilitation Network Foundation, Inc. Please send checks payable to MD22 Lions LOVRNET Foundation Inc., to PCC Clare Newcomer, Business Manager, 19605 Granada Ct, Hagerstown, MD 21742. Donations may also be made online at www.lovrnet.org

Electric Wheelchairs Donated

Shown above are the four electric wheelchairs donated by Williamsport Lions Club to the Wheels for the World project of the "joni&friends" charity. Dale Ford of Boonsboro picked them up on Friday, June 28th at Lion Dick Nye's Kemps Mill. Lion Dick is the Health Services Chair and handles the loans of hospital equipment to those in need.

These wheelchairs were in need of repairs beyond Lion Dick's capability or the Club's ability to pay for. The Wheels for the World project will try to repair and see that they get a good home of someone in need. Several electric wheelchairs are currently loaned out and being used in the local community, and will continue to be serviced by our Club as long as practicable. Our Club has hospital beds, wheelchairs, walkers, shower chairs, etc. at a Wesel Storage unit, and this equipment will continue to loaned out to those in need.

1600 MEALS AND COUNTING!

On July 19th, Lion Jim Wollard reported that Lion Kim Nunberg (2nd from left), Lion Diane (far right), he and others have prepared 80 meals each week since May for needy retirement home residents and shut-ins in Williamsport.

Veterans Day is fast approaching. Join the Thurmont Lions Club in recognizing Veterans and saluting their service in all branches. Our country is great because of the brave men and women who fought for our freedoms.

The Thurmont Lions Club is a non-profit organization which wants to honor our Veterans, living and deceased, and those who gave their all in the line of duty. We want to start a program to display a banner on the light posts throughout Thurmont for the 21788 zip code. These banners would include a picture of the Veteran, their name, rank, branch of service, date of service and war era.

Applications can be picked up at the Town Office, AMVETS, American Legion, Hobbs Hardware, Cousins Ace Hardware, Thurmont Lions Club's website www.thurmontlionsclub.com to download the application or by contacting Lion Joyce Anthony at 240-288-8748.

Environmental Concerns – Lion Champ Zumbrun - Up to 200 Heritage Legacy Liberty Tree (LT) seedlings ARE available to plant next year in the spring of 2021. Seventy LTs are already reserved next year. For an environmental project, please consider planting a LT at one of your local parks, veteran cemeteries, or even to honor a fellow Lion member on a special occasion. Funds raised from the sale of LTS goes toward scholarships to support students pursuing a career in the field of natural resources.

The 250th anniversary of the American Revolution will be celebrated in 2026. With that in mind be on the lookout for an old heritage legacy tree in your community that was alive during the American Revolution. I know in LaVale there are several trees that old. Old trees serve to promote community pride when linked to our local history.

Completed: The 4th of July event resulted in collection of 376 lbs. of food that will help 26 families, or 78 individuals. Fifty U. S. Flags were distributed. 12 Lions put in 42 service hours.

FREEDOM DISTRICT NEWS

Submitted by Lion Don Champ

Members of the Freedom District Lions Club were glad to be able to have an in-person meeting – their first since March 10, 2020. They, like other organizations have not been able to meet together due to the health and safety procedures put in place by the State to slow the spread of COVID-19. It was not their usual dinner meeting but rather held at the pavilion at the Sykesville Freedom District Fire Department's carnival grounds at Sykesville Road and Freedom Ave in Sykesville. The service club thanks the fire department for permitting them to use the pavilion so they could meet outdoors – social distancing and wearing face masks

Club President James Moore welcomed the members to the meeting and thanked them for adjusting for the last 3 months as required by the State. He mentioned that two fundraisers and several on-going service activities, such as pre-school vision screenings and loaning medical equipment had to be suspended to protect the health of members and the people we serve.

Others, such as selecting a graduating senior from Century High School and one from Liberty High School for a college scholarship and presenting the scholarships was much more difficult but were accomplished.

Although the pandemic disrupted some of the club's community service, it presented other opportunities for service and the members responded. The club became aware of the fact that many health care workers in the county, especially those working in nursing homes and senior living facilities, could not get some of the personal protective equipment (PPE) they needed as supplies were depleted. Members of the club made a total of 1276 face shields and delivered them throughout the county to 30 assisted living and nursing facilities; 12 home health agencies; Carroll Hospital and Carroll Hospice. President Moore recognized and thanked those Lions involved in this life-saving effort.

CABINET MEETING

Submitted by DG Barbara Brimigion

Lions traveled to Rocky Gap Park on August 1st to attend the first cabinet meeting of the 2020-2021 Lions fiscal year. It was such a fun change as we met outdoors at the pavilion at Rocky Gap State Park in Flintstone, Md.

We nibbled on our continental breakfast as we heard about the wonderful projects that are being accomplished within our district in the midst of a pandemic. District Governor Barb Brimigion (pictured) conducted the meeting.

All Lions in the district are invited to attend so please consider attending if you haven't had the chance to attend one. Our next one will be in Region 2 if we can make the arrangements to meet face-to-face. If not, there is always Zoom.

DONATIONS FOR THE PEDIATRIC CANCER PATIENTS AT SINAI HOSPITAL:

Submitted by Lion Viki Peltier

Right after the Freedom District Lions toy delivery on February 28th, Children's Hospital at Sinai Hospital informed Lion Viki Peltier that they would not accept any toy donations during the pandemic.

She had several small boxes that could not go because the car was full so the toys were stored. Approximately a month ago, the contact person at the pediatric cancer clinic said they would accept the toys but with restrictions.

Lion Jim Lauber was kind enough to purchase some toys; however, they must be quarantined for about two weeks before we could deliver them. On August 14th Lions Gary and Viki Peltier delivered approximately 73 items to the clinic.

A Look at NAMI (North American Membership Initiatives):

At the first District 22W cabinet meeting in August, our District 22W Global Membership Team Coordinator, Lion Sandy Moore, introduced our clubs to NAMI (North American Membership Initiatives). She is our district's NAMI Champion who will be leading our district in achieving the goals of the NAMI Initiatives. For the last 40 years, the clubs in North America have been losing membership. NAMI was implemented in 2018 as a pilot program to reverse this trend. The goals of NAMI at the district level is to increase the number of clubs and the number of members.

Our NAMI team which will work to achieve these goals are made up of the Global Action Team (GAT), GAT Specialists (we have one in each region), zone chairs, region chairs, club officers and district Lions. We are all a team!

The GAT team, the vice district governors, the GAT Specialists, the zone chairs and regions chairs are meeting by Zoom this month as we "build our teams: to achieve the following goals:

After the district builds our teams, the district will be identifying our strengths, weaknesses, opportunities and threats before we plan our NAMI vision and implement a NAMI plan. The district can use our club's help. One way we can begin to help is by looking for at least 5 people in our community with similar interests such as women who like to knit or sew or men who like to hunt who can come together to form a specialty club, meet when and where they choose and do service projects. The sponsoring club gets credit by increasing their membership count and reporting the service projects. The club may also get more manpower for their fundraisers. It's a win-win situation.

You can go to the LCI.org website to check out NAMI for more information. I will keep you up to date as we progress through the NAMI process.

Lion Dianne and PP Joyce

The 2019-2020 "**Lion of the Year**" award was presented to Lion Bob Johnson. Lion Bob has brought to the table experience along with dedication to Lionism. He has served as President, Membership Chair for two years, chaired the Convention committee, Remembrance Tree and Community Tree committee, implemented the Wye Oak Garden Project and served on many other committees. Lion Bob is a dedicated worker at the pit sandwich sales and Colorfest. He is dependable and always willing to help at the fundraisers. **Congratulations Lion Bob!**

Police Officer of the Year

Detective Gerald Bowen joined the Thurmont Police Department in 2013 after serving 19 years with the Frederick Police Department. He is currently serving his third year as a Criminal Investigator. Detective Bowen conducts background investigations on the new hire applicants and serves as a liaison for numerous law enforcement partners in the county. He has a great work ethic; his investigations are thorough and meticulous and all his case closures have been successful. Detective Bowen was presented a Certificate of Appreciation, a gift certificate to a restaurant and \$400 to be donated to a charity of his choice (St. Jude's Children's Hospital). **Congratulations Detective Gerald Bowen!**

How does the saying go "Behind every good man, there is a good woman", well, behind every good President, there is a good secretary (this statement applies only to my year as President). Lion Dianne was presented a Certificate of Recognition for outstanding dedication, contributions, leadership and exemplary services and a gift of appreciation. **Thank you Lion Diannel**

WESTMINSTER LIONS CLUB

Submitted by Lion President Jalna Brown

Westminster Lions have received more support! We received a \$1,000 grant from the Kahlert Foundation to provide additional groceries to the food pantries and the Humane Society. We recently received word that we will receive a \$5,000 grant from Carroll County through the Federal Emergency Food and Shelter Program. Both of these grants will go to assist us in supporting local efforts to provide food and supplies to residents who have been impacted by the loss of their jobs and income because of the pandemic.

Lions Barb and Bob Hayes have been collecting and distributing items to Grace Lutheran Church and Carroll County Food Sunday, the food pantry at the Safe Haven Shelter, and the pet food bank at the Humane Society. Now that the Westminster Church of the Brethren has reopened its feeding program and food pantry, we will also be providing support to them as well. Speaking of the Church of the Brethren, WE SERVE! AT THE SOUP KITCHEN there on Saturday, September Here are two local organizations that can use our help:

The July meeting speaker was from the Westminster Rescue Mission. He stated they are seeking donations of children's juice boxes and individual snacks like pretzels, goldfish, and chips, and also cases of water. With the worsening economy, they are now helping at least 600 families a month. You can drop items off at the Rescue Mission, but you must make an appointment first. Lions Barb and Bob Hayes will pick up and deliver the items for you, or you can drop off your donations at their house at 1142 Deer Park Road.

NEWS RELEASE FROM THE LIONS CLUBS ZONE III GOLF TOURNAMENT

Submitted by PDG Susan Bonura—District Secretary

For the 19th year, 6 local Lions Clubs - Deer Park, Freedom District, Greater Carroll, Roaring Run, South Carroll and Taylorsville-Winfield - joined forces to raise funds for three worthy causes by hosting the Region IV Zone 3 Golf Tournament in honor of Past International Director Richard Liebno of Westminster. The causes include the American Diabetes Association, the Lions Vision Research Foundation, Inc., and the District 22W Hearing Preservation, Awareness and Action program.

The Lions Vision Research Foundation, Inc. (LVRF) supports low vision research and rehabilitation to minimize the disabilities caused by low vision and blindness. The objectives of the LVRF are being met through its partnership with the Lions Vision Research and Rehabilitation Center (LVC) at the Wilmer Eye Institute of The Johns Hopkins Medical Institutions, Baltimore, MD. Find out more about the LVRF at www.lionsvision.org.

Participation in past tournaments has enabled these Carroll County Lions Clubs to donate \$112,000.00 to Lions vision research programs and the American Diabetes Association. In 2018, \$12,000.00 was donated to diabetes research as well as Lions vision and hearing programs.

This year's Captain's Choice Golf Tournament was held on Friday, August 28, 2020, at the Oakmont Green Golf Course, 2290 Golfview Lane, Hampstead, Maryland. 61 golfers enjoyed breakfast, green fees and golf cart, gift bags, team prizes, refreshments on the course, lunch and door prizes.

The first-place lowest scoring team, with a score of 58, won golf for four at Oakmont Green Golf Course and included Chris Messinger, Andy Dunn, Tommy Orndorff and Craig Baumgardner. The second-place team, with a score of 61, won golf for four at South Hills Golf Club included Greg Witmer, Lion Walter Gassaway of the Taylorsville Winfield Lions Club and Vaughn Quidort. The third-place team, with a score of 61, won golf for four at Westminster National Golf Course included Lion Dave Keefer of the New Windsor Lions Club, Scott Johnson, and Todd Steinwig. The fourth-place team, with a score of 62, won golf for four at River Downs Golf Club and included Jim Covey, Ron Laczkowski, Rich Hensley and Matt Laczkowski.

THURMONT LIONS CHRISTMAS ORNAMENT

Submitted by Lion Joan Miller

The Thurmont Lions Club Christmas Ornament for 2020 is currently in production and will be ready and available for this fall. This ornament is the Twelfth in a series of ornaments that have been sold by the Thurmont Lions. It depicts the Creager's Furniture Store located on 21 East Main Street in Thurmont.

The artwork image features the artwork of the very talented local artist and Lion member Rebecca Pearl. This beautiful artwork is titled "Creager's Furniture Store." As in the past this is a limited edition treasure of 350 ornaments produced at a cost of \$10.60 (includes tax)

The Creager's Furniture Store and Creager Funeral Home were mainstays of Thurmont business for much of the twentieth century. The furniture store and funeral home business were in separate locations across from one another on East Main street.

Although the funeral home was sold in 1977 shortly after Raymond Creager's retirement, his twin daughters Mary Ellen and Clara Jean continued to operate the Creager's Furniture Store until it was sold in 1987 to Ken and Lois Fraley. The Fraley's retained the name as an acknowledgement of a tradition in the Thurmont community.

The store was housed in the building erected by James Creager in 1897 and contains an eclectic collection of late Victorian architectural design elements. It combines a false Mansard roof with hooded cornice windows, a second story of wooden blocks beveled to resemble ashlar masonry and decorate with shallow, three-sided bay window and shaped shingles on the side walls.

The current owners of the building at 21 East Main Street is Virginia LaRouche and the home of "Timeless Trends Boutique" which first opened in 2009 to over 4200 square feet of area. The second building is the "Vintage Warehouse" located behind the boutique which opened in 2010 and is a compliment to the boutique with an assortment of eclectic vintage finds.

CHEWSVILLE LIONS

Submitted by Lion Joan Bachtell

Renovations at the Community Center are under way and the hope is to have most of it completed by Fall. Several members helped with taking large items (toilets, sinks) to the dump and the Boy Scouts donated some new sinks.

The Smithsburg Steam and Craft Fair so far has not been cancelled. It is scheduled for September 26th and 27th. Chewsville has reserved a spot for a tent to sell brooms and promote the Chewsville Lions Club. We will also have items there to be auctioned (ie: McCutcheon's homemade jellies and jams basket).

Several Fundraisers are being planned with the sale of brooms, another Quilt Raffle (made by our own Lion Brenda) and Ham Sandwiches sales.

My fellow Lions,

I would like to convey my thanks to the Union Bridge Lions and Board of Directors under the leadership of Lion President Charlene for accepting the sponsorship of the Francis Scott Key High Leo Club. As well as Lion Joe Linthicum who will be the Leo club advisor.

Leo clubs provide young people with an opportunity for development and contribution, individually and collectively, as responsible members of the local, national and international communities.

Through the Leo Club Program, young people develop and practice leadership, organization and social skills through participation in Leo club activities and service projects. Involvement in these activities often fosters a lifetime commitment to helping others, while enhancing the community.

Through involvement with a Leo club, you can energize your Lions club and inspire members. What's more, the Leo club can increase your Lions club's community exposure, attracting potential members such as young professionals, parents and families.

Through your Leo club, you will have a positive influence on today's youth. Helping them become better citizens and leaders for life and hopefully, will bring them back to become a Lion.

Let me know if I can be of any help.

Thanks again,
Lion Pauline Rosier
 District Leo Chairperson

MEMO TO TANEYTOWN LIONS FROM LEO CHAIRPERSON PAULINE ROSIER

"My Fellow Lions, I would like to convey my thanks to the **Taneytown Lions** for the nine years of sponsoring the **Francis Scott Key High Leo Club**.

As well I thank the Lion Leo advisors **PDG Sam Foster, Ruth Howsden, Dr. Delphine Green** and **Michael Garner**. Your Lions and Leo club advisors have helped those young people develop and practice leadership, organize, created social skills through participating in Leo club activities and service projects. This often fosters a lifetime commitment to helping others and hopefully, will bring them back to become a Lion.

Lion Mike had to step down because of work. In the meantime there were no Lions interested in being the Leo club advisor. The **Board of Directors** and **Lion Secretary Ken Dallwig** put an email out to those Lions clubs within their zone to see if they would be interested in taking over the sponsorship.

The **Union Bridge Lions** under the leadership of **President Charlene Jones** and the **Board of Directors** graciously accepted the sponsoring knowing **Lion Joe Linthicum** would be willing to be the Leo club advisor.

Thanks to the **Taneytown Lions** for seeking out another Lions club to take over the sponsoring instead of terminating the **FSK High Leo Club**."

USA Canada Lions Virtual Leadership Experience

July 2020 Newsletter

The USA Canada Lions Virtual Leadership Experience is an OPPORTUNITY!

Lions will soon be able to register for this online event to learn from Lions Clubs International Leaders, featured professional speakers and numerous seminars, while still in the safety and convenience of their own homes. Save the date and join the fun!

Racing into the Future with Kindness and Diversity

September 25-27, 2020

From Our General Chair, PID Harvey Whitley

Over the last four months, we have wrestled with whether we could hold the 2020 USA/Canada Lions Leadership Forum in Louisville. We finally had to cancel in mid-June and work through the process of refunding or transferring your registration to 2021 Des Moines. Many of you chose to move your registration to Des Moines and the Forum appreciates that and is looking forward to seeing you there next year in September.

It is a long time until September 2021, so your 2020 Forum Planning Committee gave serious thought as to what we can do in the meantime. Our thought process turned to what can be done virtually, just this one time, to transition until we can meet again physically in Des Moines to not only hold our Forum seminars and programs, but to celebrate being together socially as Lions. We have reorganized our existing Planning Committee into working groups that have begun the process of providing for you a virtual three-day experience to take place on September 25, 26, 27, 2020. The theme will be:

"USA Canada Lions Virtual Leadership Experience: Racing into the Future with Kindness and Diversity"

The experience has been set over a three-day period with segments each day. It will feature professional speakers as well as leadership seminars covering a vast array of topics. The registration for the entire experience will be only \$20.

Further experience details and registration instructions will be published soon but I wanted to let you know now so that you can mark your calendars and plan on attending.

As you can see from our theme of *"Racing into the Future with Kindness and Diversity"*, we have tried to weave together our original racing theme from Louisville of *"And We're Off...To Winning Leadership"* along with our international LCI theme of *kindness and diversity*. We will miss going to Louisville this year but that does not mean we cannot continue to hone our leadership skills in order to better be able to work together in delivering the kindness in service that our world needs.

We look forward to sharing this virtual leadership experience with you.

PID Harvey Whitley

Calling all Lions and Leos

Have you heard the great news about the **"USA Canada Lions Virtual Leadership Experience: Racing into the Future with Kindness and Diversity?"** This new presentation will be held September 25-27. It will begin with a General Session on Friday evening, with Chairperson PID Harvey Whitley welcoming everyone, followed by a tribute to the late VP Haynes Townsend, and keynote speaker Katherine Greenland.

Although we are not able to facilitate the 80 wonderful seminars that were originally scheduled, the committee is excited to present 19 sessions which focus on the North American Membership Initiative, Individual Enhancement Plans, Building Success, Dealing with Contentious Members, Attracting Younger Members, and suggestions for Attracting and Retaining Members, as well as Projects for Women and Families. In addition, we will learn how to charter a Leo Club and successfully sponsor a Campus Club. There will be information on LCI's Digital Programs and Legal Issues. If you feel uncomfortable Approaching the Younger Generation or if your Zone Meetings need a make-over, you'll definitely want to tune into these seminars.

Our International President Dr. Jung Yul Choi will speak at the General Session on Saturday, followed by LCIF Chairperson PIP Gudrun Yngvadottir and KaSondra Byrd who will share information on LCIF's grant programs. Besides several educational seminars on Saturday afternoon, Four Diamonds will sponsor a Childhood Cancer Symposium, while the City of Hope will present the "Faces of Diabetes Innovation" on Sunday. Furthermore, there will be updates on Campaign 100.

If you ever wondered how the Forum began, join VP Brian Sheehan as he talks with three of our Founding Fathers: PIP Joe Wroblewski, PIP Judge Brian Stevenson, and PID Lacy Presnell, who will not only educate us, but will surely entertain us with their humorous personalities.

To wrap things up on Sunday afternoon, we will hear from our other keynote speaker, Striker Corbin, and get a sneak peek at next year's Forum Venue: Des Moines.

Watch for more information about this new and exciting Virtual Experience because you won't want to miss it!
