Dear Lions of District 22W,

The members of the Greater Carroll Lions Club are proud to present Lion Jeremy Emerson Bair as a candidate for 2nd Vice District Governor for the Lions year 2021-2022. Third generation Lion Jeremy has been a Lion since 2005 as a charter member of the Greater Carroll Lions Club, serving as Club President three times and Club Secretary three times. Lion Jeremy serves as Newsletter Editor, Crab Feed Chair, Discount Card Chair, "Gift of Giving" Night Chair, Education Services Chair, and is a Melvin Jones Fellow who has sponsored eight active members with an average age of thirty five.

Lion Jeremy has served as Region IV Zone 3 Chair (2019-2020), is currently serving as Region IV Chair (2020-2021), serves as NAMI New Member Chair (2020-2021) and was awarded the Governors Commendation Medal (2020). Lion Jeremy has demonstrated excellence in chairmanships in activities that bring clubs together in partnerships like the 19th Annual Region IV Zone 3 Golf Tournament in honor of Past International Director Richard Liebno, chairman of the multi-zone Carroll Arts Peep Show Community Outreach Event, chairman of the Multi-Club Progressive Jackpots Raffle, and Scorer at the LVRF Clay shoot Competition. Guiding Lion-trained Jeremy's commitment to positive involvement among all clubs is evident.

Lion Jeremy is a third generation Lion who will emphasize generational Lionism and capitalize on his youth for all clubs. His first Lionly service was at the age of eight volunteering with the Westminster Lions at the Carroll County Farm Museum and Thanksgiving Baskets Event. His youthful leadership will sit at the table of 22W, exhibiting where the district wants to be in terms of youth volunteerism, retention and recruitment. As seen in his monthly videos as Region Chair, part of his philosophy is to honor the longtime Lions, lead the established Lions and inspire the new and perspective Lions. His eventual governorship will find him elected at the headline-grabbing age of 44, the youngest District Governor in many years.

Lion Jeremy is in the top 1% of District 22-W Member Sponsors. He is a 20-year educator in two Regions with a Masters in Teaching and an Administrative Certificate who will also be reflective on his family's longtime lionism. He will not only be inward teaching to the 1,700+ 22W Lions and Lionesses, but will be outward reaching to over 1,500 former students, 550 classmates and 100 colleagues in multiple 22W counties to encourage volunteerism and continue to share the message of Lionism and will be able to fulfill the duties of Second Vice-District Governor.

The Board of Directors and the membership of the Greater Carroll Lions Club believe that Lion Jeremy's skills, knowledge, inventiveness, love of Lionism and proven dedication will be beneficial to District 22-W in the office of Second Vice-District Governor and we do hereby endorse the candidacy of Lion Jeremy Emerson Bair for the office of Second Vice District Governor of 22W for the administrative year 2021-2022. We ask for your support of Lion Jeremy.

Yours in Lionism,
