

Thanks for joining in today. I am asking you to vote for Lion Martin Bonura for SVDG.

Three minutes to talk about a man that has done so much for his community, his lion club, 22W and Multiple District.

I had the pleasure of taking the Lions Institute courses back in 2019 and all the instructors were past district governors but **one** instructor.

Throughout the weekend, myself and others attending were wondering why Lion Martin has never been a DG. Keep in mind there were lions from different districts attending the three-day sessions. As you can see, he is highly respected by other lions.

He has held positions at the club level as president, vice president, membership director and numerous other committees.

Lion Martin has completed the Certified Guiding Lions and the Refreshed Certification, Multiple

District 22 Lions Leadership Institute and the Advanced Leadership Institute. With this he has been an Institute Instructor since 2013 and is a Certified instructor in District 22W.

Eleven different DG's have appointed him to many district and multiple district positions. So, Lion Martin must be a dedicated lion.

He has served as the District 22W Global Membership Team Coordinator.

Some of the highlights of his Lions career was being honored the Melvin Jones Fellow in 2010 and the Progressive Melvin Jones Fellow in 2018.

He received the Knights of the Blind Pyramid and was honored with the International Presidents, Certificate of Appreciation in 2015 and The International Presidents Leadership Medal in 2020.

Lion Martin received the District 22W Governors Medal of Commendation and the District 22W Honor Roll in 2019.

I have developed a huge respect for his dedication to the Lions. He has a positive attitude that flows over to others. Martin has distinguished himself from others with his performance and honest character.

Without hesitation, I chose to endorse Lion Martin Bonura for the office of Second Vice District Governor for 22W.
