We're planting the seeds for the 2021 USA/Canada Lions Leadership Forum with a free Virtual Seminar available on demand beginning on May 15. There will be 3 topics approximately 30 minutes each:

- Lion Daniel Marney Elkins shares how Cultivating Partnerships can grow your service, your Lions Club, and your impact.
- Michelle Ray, a keynote speaker and seminar presenter at the Forum, will be Cultivating Motivation with an inspirational message. [only available for 30 days]
- General Chair Wendy Cain updates us on what to expect and how the Forum will be Cultivating Leaders in Des Moines.

To access the free Virtual Seminar go to <https://guidebook.com/g/lionsforum2021/> and follow the instructions. The web access will be complemented by an interactive mobile application for the Forum that is still going through the registration/approval process.

Will I Be Able to Attend the Forum Virtually?

There are no plans for a hybrid or virtual component to the Forum at this time. However, the Forum's Executive Committee is evaluating options as a contingency plan if border restrictions prevent members from Constitutional Areas 1 and 2 and Multiple District 60 from attending the Forum. A decision regarding contingency plans will not be made by the Executive Committee until Summer (July meeting), to allow more time for progress in pandemic responses and potential adjustments to restrictions.
