The Des Moines Times

The latest news and information for the Des Moines 2021 USA/Canada Lions Leadership Forum.

Time is Running Out!

Maybe you have been on the fence with all the crazy circumstances of the last year. Or maybe the human nature tendency to procrastinate has taken hold.

In any case, if you're considering #LionsForum2021, this is your last chance to register before the rate increases from \$285 to \$320 after May 31. Hotel preferences are also assigned on a first-come, first-served basis.

Wondering about the latest local COVID information, check out these sites (links fixed from prior email):

As a reminder, there are no plans for a hybrid or virtual component to the Forum at this time. However, the Forum's Executive Committee is evaluating options as a contingency plan if border restrictions prevent members from Constitutional Areas 1 and 2 and Multiple District 60 from attending the Forum. A decision regarding contingency plans will not be made by the Executive Committee until Summer (July meeting), to allow more time for progress in

pandemic responses and potential adjustments to restrictions.

Lions University - Deadline to Graduate

LIONS UNIVERSITY

Since 2014, Lions University has been the USA/Canada Lions Leadership Forum's service to provide year-round and on-demand training (it is part of the Forum's budget, not funded from your Lions dues).

It is free to register and take any of the courses at your convenience, and there are over 60 courses available in three categories: Club Leadership (Bachelor's Program), District Leadership (Master's Program), and Facilitating Training for Adults (Doctorate Program)

Each program also affords the opportunity to "graduate" at the Forum if additional criteria are met.

The deadline to apply for credit within your Lions University account to graduate in September is July 31, 2021 to allow the volunteer Lions sufficient time to verify the requests and prepare for graduation.

To register and begin taking courses, or log-in to your current account and apply for credit to graduate, go to <http://lionsuniversity.org/> or click the button below.
