## *From the Desk of* **District Governor Charles Croft**

Now that we are at the midway point of summer, many of our Lions clubs are busy planning and preparing for an active next four months. Hopefully, we will be able to conduct all of our planned activities, service projects and fundraisers despite a resurgence of COVID at this time. Now is also a great time to be developing and implementing fall membership drives and other endeavors to build clubs with new members who will bring new energy and fresh ideas into our clubs. Check out LCI's website for inspiring ideas for membership recruitment or call on either Global Membership Coordinator Lion Martin Bonura, Membership Specialist FVDG Nadja Muchow or any one of our Global Action Team Resource Committee members to assist you. On a side note, I am excited to announce that, led by the Hagerstown Lions, efforts are currently underway to start a new Leo club at a middle school in Hagerstown. Hopefully, we will be able to provide more details in the September newsletter.

Is your club looking for ideas for new service projects? Check out Lions Clubs International website in the section labeled The Service Journey to research opportunities for new ways to serve your communities. Consider keeping new projects relatively simple, hands on, short term while maximizing club member involvement and don't forget to celebrate and report your service in MyLion. Another way to involve our Lions in service is to participate in our Vice District Governors Service Challenge. Our VDG's will be announcing the first district wide service project at the August cabinet meeting so be looking for the details of the first challenge. I would encourage our clubs to participate in these challenges.

## District Governor Charles Croft – *cont.*

Please remember those who have been impacted by natural disasters around the world, especially those in Europe that have been devastated by flooding. Our foundation is working hard to provide financial assistance to those in need and any individual or club donation for disaster relief goes a long way in aiding others. PCC/PDG Brian Cox will be happy to assist any club in making any annual or special donations.

During my first month as your district governor I have had the privilege of completing official visits to the Thurmont, Grantsville and Francis Scott Key clubs. I came away from each visit rejuvenated just by being with other Lions and hearing and celebrating their club accomplishments. I have been impressed by the impact that our clubs are making in their communities. Lions, we are truly making a difference in the lives of others and our communities. In addition to the club visits I attended the in-person Lions Youth Foundation annual retreat in Annapolis, the quarterly virtual meeting of the Lions Low Vision Research Foundation and, of course, our district Change of Banner celebration. My August schedule includes not only the first cabinet meeting on August 14, but official visits with Roaring Run, South Carroll Lioness Lions, Union Bridge, Smithsburg, Westminster and Hancock. Also scheduled is the MD22 Council of Governor's annual turnover meeting and an informational meeting for LOVRNET. As you can see, we are gearing up for an exciting year and I am looking forward to visiting each of our clubs and celebrating with you your service to your communities.

Keeping Lions Engaged and Coming Back!!

To ensure your Lions club remains healthy and active, you need to consider the experience and expectations of the members belonging to your club. If your expectations are not met, would you go back? Of course not!

Lions want to be able to develop friendships and feel like they have a sense of belonging! They want to take pride in their club knowing that their service activities and fundraising efforts are making a difference in their community and around the world. Sounds easy. Doesn't it?

Conflict is the number one reason Lions Club members leave their club. Conflict can look different in different clubs and includes conflict with other members, too many disagreements, personality clashes, drama, cliques, politics and not feeling respected by other members of the club!

What does your club culture look like? Do your members feel they are in a safe environment where their opinions are heard? Do they feel a sense of belonging? Do they feel they are making a difference?

During my club visitations, I will be addressing the issue of club culture by having you participate in a short role play developed by PCS Martin Bonura and me. It is designed to let you observe a negative club culture, a positive club culture with discussion to follow.

I look forward to visiting your clubs!

Yours in Lionism,

FVDG Nadja Muchow

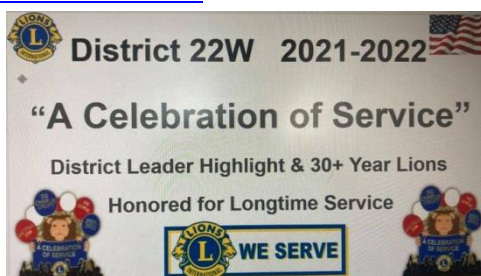

## From the Desk of Second Vice District Governor Jeremy Bair

Lions of 22W,

In keeping with District Governor Charlie Croft's theme, "Lions Helping Others: A Celebration of Service," there is much to be thankful for this new year of Lionism. I tasked myself with a new video that paralleled one I did as Region IV Chair last year. The video in the following link can be thought of as a **Virtual 22W District Meeting** to highlight all **54 incoming presidents** and honor **Lions with 30+ years** of service. While we will be watching it at the first Cabinet Meeting, you may celebrate it at the club level with those involved and preview it here:

<https://www.youtube.com/watch?v=IeoWiKFKzBk>

In continuing to honor great service efforts of 22W Lions, the September video will be a tribute to those 22W Lions with military service ahead of **Veterans Day**. I have initially reached out to last year's presidents and secretaries for their help in assembling current photos or "uniform" photos of years past with information including branch of service, highest rank, year of entry and year of exit. Please work with your club members to submit their military service so we may celebrate a **Veterans Day Video** at the second Cabinet Meeting.

In the first 50 days since the convention, I was able to be present with 27 of the 54 Lions Clubs or club representatives in the district. My plan will be to see all 54 Lions Clubs or club representatives in the first 100 days after the convention in one fashion or another ahead of the USA Canada Forum. As I circulate to the clubs, I will also be taping segments to be used in a membership recruitment effort for all clubs to use on their website or social medias. The first **membership spotlight video** for this year will include the Mount Airy 4 County Lions Club, the Smithsburg Lions Club and the Grantsville Lions Club with several others still to be added. If you would like to use previous membership videos from last year for social media, please see the following links:

**Region IV Lions Clubs Service Project – Diabetic Alert Service Dog Fund Raiser**

Lions, you never know when a **SERVICE** opportunity will present itself.

On May 17, 2021, I received a request for help from a member of the Westminster Community. A mother called me and made a request for help getting a Diabetic Alert Service Dog for her son to Taylorsville Winfield Lions Club. He is a Graduating Senior at Westminster High School.

He was diagnosed with Type I diabetes at age 3. He has attended Lion's Camp Merrick a few times. He is on a Continuous Glucose Monitor (CGM) that alarms him and his mother's cell phone. He is also on an Insulin Pump. On occasions his blood sugars have dropped low at night while he's asleep and the alarm from the CGM hasn't been able to waken him. It did alarm her and she was able to help him. He is under the care of a doctor at Sinai Hospital and the family reports monthly the readings from the CGM and the pump to her for adjustments.

A Diabetic Alert Service Dog was suggested to them by their family support group. They researched this and chose to get a dog from Diabetic Alert Dogs of America (DADA). They put down a deposit of \$2,500 for a dog named "Morgan" (see Picture below). They owe a balance of \$13,000 upon delivery of Morgan. At this time Morgan should arrive in October. They are also looking into Veterinary Insurance for the dog and also Life insurance on the dog.

Her son has been accepted into University of Delaware and will begin there in the Fall 2021. They have talked to Univ. of Del. and they have agreed to make accommodations for the dog. His future roommates have also approved of him having a Service dog.

I responded to the Mother that this was a big project for just one Lion Club but that I would investigate and get back to her. Over the next week I email and spoke with various Lions in our Region and District and this project took legs. I talked with then Region Chair Jeremy Bair and PDG Brian Cox. We contacted the American Diabetes Association and were turned down. PDG Cox counseled that this would probably not qualify for a grant and the process was a long one. We decided to make it a Region effort, with the blessing of RCE Rachel Graham, and approach our 16 clubs to help this family.

I am proud to say that this far we have raised \$6,750. Donations have come from 7 Lions Clubs in Region IV, a Club outside the District, a church and a Non-Profit Foundation. At this time other Clubs in Region IV are considering making a donation.

If you or your Club would like to Help or have any questions please email or call me.

Thanks for considering help to this family!

### **Lions Quest is an LCIF Program**

Lions Clubs International Foundation (LCIF) has a social and emotional learning program called Lions Quest that teaches children decision-making skills, communication skills, and how to say no to drugs and alcohol. The Lions Quest program promotes positivity and support, to increase their well-being and academic achievement. It is an all-inclusive approach that helps students develop the skills to create good relationships with themselves and with others.

The concept behind Lions Quest dates to 1975 and was designed to help young people develop the skills and strength of character needed to succeed as adults. In 1984, LCIF became involved with the program by providing a grant to further expand the program. In 2002, LCIF took formal ownership of Lions Quest. The foundation has awarded more \$20 million in grants to establish or expand Lions Quest programs across the United States and around the world. Our district has received \$50,000 in Lions Quest grants to develop programs in three of our four regions. Local Lions Clubs are important to the success and expansion of Lions Quest, supporting the program through local funding, coordinating teacher training, co-hosting parent meetings, speaking to youth, and undertaking joint service projects with students. The success of Lions Quest relies on the Lions who champion the program in their own communities.

Lions Quest is a skill-building program that uses free-standing lessons to promote social and emotional development for students in kindergarten through twelfth grade. Lions Quest is designed to establish caring, participatory, and well-managed learning environments. The Lions Quest approach helps to establish the learning conditions that young people need to be capable, healthy, and successful in all areas of life. The lessons and activities provide coverage for all five Collaborative for Academic, Social, and Emotional Learning Institute for the integration of cognitive and social-emotional curriculum competencies of:

- ✓ Self-awareness
- ✓ Self-management
- ✓ Social awareness
- ✓ Relationship skills
- ✓ Responsible decision-making

More information is available at <https://www.lions-quest.org>.

Please let Lion Martin Bonura at [lionsbonura@gmail.com](mailto:lionsbonura@gmail.com) know about potential schools or youth programs.

### **Renewing Membership after Covid**

While last year we had the North America Membership Initiative, we also were challenged by Covid, the lack of in person events and meetings, and the use of Zoom to provide orientation and membership training. This year we move toward the Global Membership Approach. District Governor Charlie Croft and his Global Action Team are the driving force of the Global Membership Approach, which combines a strategic approach and a set of resources for district teams to utilize to develop membership and achieve a positive net growth by:

- Rejuvenating districts with new clubs
- Revitalizing clubs with new members
- Re-motivating existing members with fellowship and exciting service.

The approach has universal applicability, with the ability to customize based on regional needs and circumstances. To meet this approach, DG Charlie has the following membership goals:

- ✓ New Members – By the end of 2021/2022 fiscal year, our district will add 150 new members by the end of 2021-2022.
- ✓ Membership Retention – By the end of 2021/2022, our district will reduce the number of dropped members to 140 including those lost to death, thereby increasing net membership by 10.
- ✓ New Clubs – By the end of 2021/2022 fiscal year, our district will form one new conventional or cyber club with at least 25 new members, one new branch club with at least 10 members and at least one campus club with 15 new members.

We all need to support the implementation of the Global Membership Approach by building a team, a vision, a plan, and success. We need the help of all members in meeting those goals. Please consider how you can help. I can be reached at [join22Wlions@gmail.com](mailto:join22Wlions@gmail.com).

All clubs can benefit from promotion; and press releases, social media postings, etc. aren't just for your big fundraising events.

If you have speakers at your meetings, that's good for two releases -- one saying the speaker will be there and one showing he/she was. Same for your big fundraisers—promote before, celebrate afterward.

Take pictures when performing service projects; show your community what Lions—and in particular, your club—do to improve the world for everyone. One caveat: if there are children in the photo, get parent/guardian permission before using. Some parents maintain a tight rein over having their child's image posted to social media.

If your community has a local radio station, FCC regulations require they make time for free public service announcements. Remember to KISS (keep it short and sweet) your PSAs; many radio outlets prefer releases in 15-, 30-, and 60-second lengths. Before submitting your copy, do some test runs to see how many seconds it takes.

Be creative with your marketing and communications; if you have a really good idea, be sure to let your 22W Chairman Lion Lynn Stimmel and MD-22 Chairman PDG Susan Bonura know!

#### **Melvin Jones Fellow, 2020**

*Presented by Lion Bob Hayes*

It is my honor and privilege to announce the 2020 Melvin Jones Fellow for the Westminster Lions Club.

First, let me tell you a little about our Melvin Jones Fellow. Our honoree is not a native of Carroll County. That should narrow it down at least a bit!

Our honoree has never served on the Board of Directors of the Lions Club. Our new Melvin Jones Fellow has been a volunteer with several other community service organizations.

Can't guess who it is yet? OK, so the rest of this will give it away...

Our honoree was born in New Jersey and raised in Bethesda, Maryland. She went back to New Jersey for college and a career in health care. She returned to Maryland in 2004 to take a new job and bought and restored an old 8-acre farm in Finksburg. She married her husband, Lion Mark, here in 2011.

So, by now most of you have probably guessed that our Melvin Jones Fellow is **Lion Diana Fraser**.

Lion Diana has been a member of the Westminster Lions Club since 2014. With a background in communications, she soon became the Newsletter Editor for the Club and continues to produce the monthly newsletter to this day. She also creates flyers, posters, and programs for our events.

In 2015, Lion Diana and Lion Mark organized the 75<sup>th</sup> Anniversary Charter Gala, a memorable celebration held at the St. John's Portico, that actually made money for the Club. Lion Diana often serves with the Lions at the Church of the Brethren Soup Kitchen and has helped out at various fundraisers, including the 4-H Fair, FallFest, and the Steak Feeds.

Early in 2020, she and Mark were instrumental in working with the Community Foundation to get our charitable foundation status. Just a few months later, the Covid-19 pandemic arrived and having that charitable status turned out to be an important part of our ability to help the community when we couldn't raise money through our usual fundraisers.

On behalf of the Club, Lion Diana and Lion President Lee Miller applied for and received a \$1,000 grant from the Kahlert Foundation to provide groceries and supplies to area food pantries. Then, when federal grant money became available, Lion Diana applied for and received two \$5,000 grants for the Club. We have been using these grants to provide food and supplies to residents who were negatively impacted by the pandemic.

Please join me in congratulating our new Melvin Jones Fellow, Lion Diana Fraser!

**Lions Vision Research Foundation, Inc.**  
*at the Wilmer Eye Institute, The Johns Hopkins Medical Institutions*

June 2021

### **Lion Cynthia Mullikin**

On behalf of the Lions Vision Research Foundation, we extend our congratulations on being recognized with a LVRF Knights of the Blind Pyramid. The Knights of the Blind distinction evokes the spirit of Helen Keller, famed advocate for the sightless everywhere. It is largely through the Knights of the Blind recognition that the Lions Vision Research Foundation is able to continue our mission to educate eye care professionals, conduct research that's improving the quality of life for low vision patients, and making low vision services more readily available in our area. These advances, through the work of the Lions Low Vision Center at Wilmer Eye Institute, are because you cared enough to support our Foundation.

Patients like 28-year-old Anna L. who lost sight from an autoimmune disease. Legally blind, Anna has restored her confidence and will to thrive through mobility training, walking with a cane, using an optic magnifier, and other coping strategies. Another patient with a good outcome is Leslie B, a 31-year-old professional in career development. Leslie became legally blind due to a brain aneurism. Working with the Low Vision Rehabilitation Center and Wilmer, Leslie is training her eyes to adapt to a low vision computer that allows her to continue her professional career.

Your support has assisted with funding the Lions Low Vision Rehabilitation Fellowship Program that has been a project for the last several years. Ophthalmologists and optometrists who have a strong interest in vision rehabilitation and have a solid foundation in basic clinical skill, including diagnosis and management of primary eye care disorders are eligible candidates that apply for the Fellowship. The selected Fellow participates in community awareness programs and is encouraged to complete a clinical research project during the fellowship year. Several of the Fellows have continued their careers working in the area of vision rehabilitation and direct care of the low vision patient. Within the continental United States, only two programs are offered like this one. Your continual support allows the Foundation to support forerunners in the field of low vision rehabilitation.

Best wishes. Wear your lapel pin and display your Pyramid with pride.

### **Thurmont Lions Club Celebrates Community Night**

**A night to remember as to why we are Thurmont Lions – what a privilege and honor!**

A well-attended Community Night was held on June 9, 2021. Approximately \$25,000 was presented to local community organizations and regional and international Lions organizations. These funds included an earlier distribution of funds on Education Night for area schools and scholarships. The funds were the result of all the numerous fundraisers the Thurmont Lions Club holds throughout the year: pit sandwich sales, Christmas ornaments, fudge fundraisers, Easter Egg ornaments and many others. A lot of labor and fun is put into these efforts, but the effort enables us to give back to our community and to Lions work around the world. This is how we serve, and we should be proud of our accomplishments.

Community focused organizations receiving donations were: Town of Thurmont (Trolley Trail Extension, Skate Park); Thurmont Ambulance Co.; Guardian Hose Company; Lions Vision Research Foundation; Scouting, Inc.; Seton Center; Senior Center; Thurmont Regional Library; Hero Dogs; Main Street Thurmont; Scout Troop 270; Operations Second Chance; MD Patriot Guard; Catoctin Furnace Historical Society; CHS Leos; TMS Leos; Camp Merrick; 22-W Van; Make a Difference in Thurmont; Thurmont Historical Society; Frederick County 4-H Therapeutic Riding Club; Cuddles Cat Rescue; Mount. ## **FREEDOM DISTRICT**

It was an evening of celebration for the Freedom District Lions Club when they held their membership meeting on July 14, 2021 in Legacy Hall, Sykesville Freedom District Fire Department. Following the opening ceremonies (Pledge of Allegiance, singing of "God bless America" and the Invocation), outgoing President Myron Horn introduced Immediate Past District Governor (IPDG) Barbara Brimigion (2020 – 2021). IPDG Brimigion commended the officers and members on their outstanding performance during the past Lions year. It was a year of a world-wide pandemic that forced many organizations to eliminate or greatly curtail activities, but the Freedom District Lions Club found a way to conduct most of their service activities and add some needed services due to the pandemic, such as a food pantry, preparation of and distribution of much needed face shields to health care workers when they were in short supply. The club also added 17 new Lions during the year to lead all Lions clubs in the District. IPDG Brimigion then inducted two new Lions into the Freedom District Lions Club – Jessica and Michael Heistand. IPDG Brimigion then installed the club officers for 2021 – 2022. A special honor was bestowed on Lion Ann Kramb when IPDG Brimigion announced that she had been selected to be placed on the District 22W Honor Roll. A very small number of Lions receive this recognition each year for rendering outstanding service to their club and their communities over an extended period of time. In his written nomination of Lion Kramb for this recognition club president Myron Horn noted, among other things, that she chaired or served on a number of important service committees, chaired the successful citrus fruit fundraiser and wears the hot Lion costume to promote our club during the Sykesville parade on a 100 degree day a year ago and at informational events such as during the Sykesville Freedom District Fire carnival. IPDG Brimigion was pleasantly surprised when club secretary Lion Gary Buchman read a proclamation from the club (signed by outgoing President Myron Horn and incoming President Scott Walthour) commending her for the outstanding leadership she provided the 55 clubs in District 22W, Lions Clubs International during the year of the pandemic. Several committee reports were given, and club business was conducted before adjournment.

The newly installed officers of the Freedom District Lions Club for 2021 - 2022 pause for a picture following the club's July 14, 2021 meeting. Seated (l-r) are: Michele Sciacchitano, 1 year Director; Melissa Turski, 2<sup>nd</sup> Vice President; Scott Walthour, President; Matthew King, 1<sup>st</sup> Vice President; Myron Horn, Immediate Past President. Standing (left – right): Gary Buchman, Secretary; Ann Kramb, Lions Club International Foundation Chairperson; Sheila Bowman, Membership Chairperson; George Barnhart, 2 year Director; Mark Krebs, Treasurer; David Webb, Tail Twister; Robert Valis, Financial Secretary; Les Schneiderman, Lion Tamer; Bruce Edwards, 3<sup>rd</sup> Vice President.

Taking care of the environment is one of the five global service goals of Lions Clubs International (LCI) along with vision, diabetes, hunger and childhood cancer. Members of the Freedom District Lions Club (FDLC) have, for over 10 years, adopted a portion of Sykesville Road to clear discarded trash from the roadside. Members decided to add trail and park clean-up as an environmental service project – family and friends are always welcome. On July 11, 2021, members of the FDLC joined some members of the “Friends of Liberty Reservoir” in a recycling event/trash pick-up hike on a Liberty Reservoir trail starting at the end of Bollinger Mill Road. Again, on July 25<sup>th</sup> the FDLC and 2 members of “Trash Troopers” held a trail clean-up/ family hike on a trail near McKeldin area of Patapsco State Park. Pictured above at the trail-head on July 25<sup>th</sup> (left – right) are: Maya Potter (a Liberty High School Leo), Lion Jane Jung-Potter, Bernadette Phillips (Trash Warrior), Lions Les and Rochelle Schneiderman, Lion Sheila Bowman , Paula Justice, Lion Tony Dercola, Tony Summerhill (Trash Warriors) and Lion Patty Buchman. Participating but not in the picture was Paul Potter who took the photo.

As an environmental service project, members of the Freedom District Lions Club picked up trash along the roadside of Route 32 ( Sykesville Road ) from the bridge over Liberty Reservoir north to Bollinger Road on July 24, 2021. This is a section of highway the service club adopted over 10 years ago and they have at least 4 clean up days per year. Pictured left – right are: Bob Parks, Gary Buchman , John Dozsa, Ron Audlin, Don Champ and Patty Buchman. Environmental Services Chairman Jeff Zumbrun is missing from the photo as he took the picture.

Lions Helping Others-A Celebration of Service

The International Association of Lions Clubs  
District 22W  
Social Committee 2021-2022

DG Charles Croft

July 6, 2021

To: Lions of District 22-W  
From: Lion Bill Strauss

Subject: District 22-W 2021 Social Book

It is time for all clubs to make plans to send in their ads, list of patrons and list of military honorees for the District Social Book. It may seem early but the time line is short with the deadline for all ads being September 23, 2021.

We are asking that all clubs make a special effort to submit club ads in support of District Governor Charles Croft and First Lady Sherry Croft. We are also asking club members to solicit commercial ads from their members and organizations in their community. For those purchasing a business card ad, submission of a clean business card will be satisfactory.

As a marketing tool for membership, the ads submitted by Lions clubs can be used as a service activity, therefore the funds can be used from the club activities account. In this way, the Social serves a dual role, first, as a congratulation and best wishes to the District Governor, secondly, as an advertisement promotion of your club to all who receive the Social Program Book.

Many of you have been submitting ads for a number of years. If you wish to use a previous year's ad with some modifications in dates and names, etc., you don't have to redraw or modify the ad yourself - just write concisely what changes you want and those changes will be made; you will be sent a copy for your approval (please make sure you include your e-mail address).

There are clubs who have not submitted ads in the past. If the reason is because you don't feel capable of designing an ad or don't have the personnel or resources to prepare an ad, do not despair. We will be more than happy to assist you prepare an ad so that your club may show its support for District Governor Charles Croft. So if you need help, please call (301) 667-4516 or email [williamstrauss@men.com](mailto:williamstrauss@men.com) with the following information:

Size of ad (See page 3).

What logos you would like to use (Lion, Lioness, LEO etc.).

Text and/or message.

A general idea of the layout if you envision one.

You will be sent a proof of the ad for submission with the Social Book Ad Form (see page 2).

The page devoted to military service people has been well supported in the past and will be a part of the Social Book this year.

When you contact by email, please put as the subject, "22W Social". To those who will be asking for assistance, please don't wait until the last minute to do so.

With your help we can make this year's Social Book one to remember! Ads from all clubs! Commercial ads from each club's home town! Two pages of patrons! More for our honored veterans!

Thank you for your participation and support.
