## ABOUT FDLC LIONS

Lions Clubs International is the largest service organization in the world with over 1.4 million members in more than 45,000 clubs in over 200 countries. Since 1917, the men and women of Lions Clubs International have strived to meet the needs in their communities, district, nation and the world beyond. Lion service is as diverse as its members, but centers around helping the vision impaired, preventing or controlling diabetes, supporting our youth, feeding the hungry, improving the environment, and providing relief to others in need.

The members of the Freedom District Lions Club (FDLC) have been committed to doing these things by giving freely of their time and labor to serve the Sykesville/Eldersburg community since 1947. **Some of FDLC's major service projects include conducting free preschool vision screening; the free loaning of medical equipment to those in need; supporting diabetes awareness & childhood cancer projects; providing Thanksgiving meals and working on other hunger related projects; awarding of college scholarships & school grants; and supporting other youth related programs.**
