

## **District 22-W Vice-District Governors' Service Challenge**

**August 14<sup>th</sup>-November 6<sup>th</sup>**

### **“No Kid Sleeps on the Floor”**

Sleep in Heavenly Peace (SHP) is a national organization who fully believes that a bed is a basic need for the proper physical, emotional, and mental support that a child needs. When it was brought to their attention that the need for beds went far beyond our own neighborhoods, they stepped up and took initiative.

All children deserve a safe, comfortable place to lay their heads. Across the U.S., too many boys and girls go without a bed - or even a pillow - to sleep on. These children end up sleeping on couches, blankets, and even floors. This can affect their happiness and health.

That's where Sleep in Heavenly Peace comes in. They are a group of volunteers dedicated to building, assembling and delivering top-notch twin beds to children and families in need. The organization has grown steadily over time, and they are working on opening more chapters in different states to serve more people.

SHP is an all-volunteer organization with 200+ chapters in 46 states. During “Bed Build” events, they cut, sand, drill and assemble lumber they purchased from their partner Lowes to build sturdy twin size beds. Free of charge, they deliver and set up the beds, as singles or bunks, with all new mattresses, sheets, blankets, quilts and pillows to needy families with kids 4-17 years old who have no bed. Some children have been sleeping on the floor for 3 years.

We are recruiting our Region Chairs and Zone Chairs to challenge their clubs to participate to the extent they are capable (review page 2).
