The Mickelsons of Twin Falls Idaho heard kids in their town were sleeping on the floor, on couches, or piles of their clothes. They knew that kids who don't sleep well, face long term health, behavioral, and academic challenges. They started building beds in their garage, but soon found the need bigger than anyone guessed. So, they started Sleep in Heavenly Peace (SHP), a 501(c)(3) non-profit.

SHP is an All-volunteer organization with 275+ chapters in 46 states. During “Bed Build” events, we cut, sand, drill, and assemble lumber that we buy from the Frederick Lowes stores into sturdy twin size beds.

FREE of charge, SHP delivers & set up the beds, as singles or bunks, with **ALL NEW** mattresses, sheets, blankets/quilts, and pillows to needy Frederick County families with kids 4 to 17 years old who currently have no bed. Some of the children we have helped were sleeping on the floor for 3 years.

Look for the video “Hello. Do you have 3 minutes?”

It's a quick overview of our operation from raw lumber on the trailer, to lumber cut day, to bed build day, and finally the smiling faces of small children as they glide into their new beds.
