LCIF's commitment to our donors: 100% of your financial gift benefits Lions service. Give confidently today.

## PRESIDENT'S MESSAGE

**Service from the heart with  
International President,  
Douglas X. Alexander**

**Dear Lion,**

Your exceptional courage and kindness have helped your community throughout this extraordinary year. And though you have already given so much, this holiday season I ask you to consider giving a little more. Because for many families in your community, this is a time of great need.

Let's give the gift of hope to those in need this season. Work with your club to plan a hunger project to ensure that families in your community have a special holiday meal to share this year. And consider a gift to your community through LCIF—your global foundation—and see your generosity make a difference for years to come.

Thank you for your incredible service to your community and our world.

Yours in Service

Yours in Service,

**Douglas X. Alexander**  
International President

## Campaign 100

Your club has made a big impact in the lives of the people in your community. And together with Lions Clubs International Foundation (LCIF) and [Campaign 100](#), you empower your club to take on the biggest health concerns facing your community and get more done all year round.

Watch a [special video message](#) from President Alexander and learn about how your support of LCIF and Campaign 100 creates a safer and healthier world for every child, family and community we serve. We are now closer than ever to reaching our goal, but with only six months left in this historic campaign, every contribution matters. So this holiday season, [make an end-of-year gift](#) to Campaign 100, and together we can make a lasting difference.

## Hunger Project Planners

More than 11% of all people face the [global effects of chronic hunger](#), and half of those impacted are children under the age of five. But Lions are working to make a difference that will last through the holidays and beyond.

Hunger service project planners can help you organize life-changing projects like a food collection or direct food service for those in need. Download your [hunger project planner](#) today and learn more about how Lions are improving food security and what your club can do to help.

## From Hungry to Hopeful

For far too many young children around the world, going to bed hungry is an unfortunate reality. In rural India, Anganwadis—government-run childcare centers—have provided supplemental meals to thousands of children in need, but many of these facilities were in desperate need of repair. And that’s why Lions decided to take action.

Read [From Hungry to Hopeful](#) to learn about how LCIF empowered the service of hundreds of Lions in India to ensure that thousands of children in their communities could thrive.
