Dear Fellow Lion,

A recent, massive underwater volcano eruption near the South Pacific island nation of Tonga caused significant damage along the western coast of the main island of Tongatapu, destroying homes and devastating entire communities. As one of the largest recorded in recent decades, the volcanic blast caused tsunami waves around the Pacific and left Tonga covered in ash and swamped with water.

You can help.

There's no telling when or where a disaster will strike. But, we, as Lions, are always ready to serve when help is needed. Standing with us is Lions Clubs International Foundation (LCIF), our global foundation.

Your generous donation* to [LCIF's disaster relief fund](#) will help ensure Lions can continue to serve in communities impacted by disasters like these.

Thank you for your kindness and for working together with LCIF to rebuild lives.

If you have any questions about LCIF's disaster relief grants, please contact us at LCIFglobalgrants@lionsclubs.org.

Sincerely,

Dr. Jung-Yul Choi // LCIF Chairperson
