

Vice District Governor's Challenge III

With spring weather on our minds, we look toward the Vice District Governor's Challenge III. This season incorporates Arbor Day and Earth Day, so it will focus around the Lions Global Cause of Environmental Projects.

Your club may consider one of the following options:

1. Lead a park clean up with one of the following groups listed below.
2. Plant trees with one of the following groups listed below.
3. Create a recycling project with one of the following groups listed below.

A local boy scout group	A local church	A local nursing home
A local V.F.W. or Legion	A local park / Lions park	A Leo Group
A school program	A community event	Friends & Family

4. Successful Completion of a Project with Lion Champ Zumbrun will count.

Qualifiers:

The project is reported to Vice District Governor Jeremy Bair by May 1st.

The project involves at least 4 members of your Lions Club.
