PRESIDENT'S MESSAGE

**Service from the heart with
International President,
Douglas X. Alexander**

Dear Lion,

The greatest impact of your service goes far beyond what can be seen today. Your kindness is inspiring and influencing the hearts and minds of those who will continue the work you began. And by creating the right opportunities for Leos and young people in your community, you ensure that the leaders of tomorrow are getting started today.

Leos bring enthusiasm and energy to every project they serve. And that's great news for your club. So get your Leos involved and give them the benefit of your skills and experience. Though the challenges they face in the future may be different, kindness never changes. And neither does the heart of service. So let's give them the support they need to be ready for the work ahead.

Yours in service

TOURS IN SERVICE,

Douglas X. Alexander
International President

Leo Club Resources

The next great generation of Lions is already serving today. Watch a [special video message](#) from President Alexander about how you can help your Leos lead the way. And here are more great ways to give them the help they need to succeed:

- [Report your Leos](#) – Ensure that your Leos are recognized for their service, and have access to information and resources to get more done. Reporting Leos will also simplify their transition to Leo-Lions.
- [Start a Leo club](#) – Sponsoring a Leo club gives you the opportunity to mentor, empower and foster a commitment to community service in the hearts of the young people.
- [Leo-Lions](#) – Learn how to strengthen your club by transitioning your Leos to Leo-Lions. And get resources to welcome young members on the [Young Lions](#) page.

Together we're building a better future for our communities and a stronger Lions family.

Invest in Our Future with Campaign 100 and Leo Clubs

When we invest in helping Leos make a difference today, we're investing in a better future for our communities. Your support of Lions Clubs International Foundation (LCIF) gives our Leo clubs the opportunity to lead important service projects right now in the areas that matter most.

right now, in the causes that matter most.

Encourage your Leos to apply for [LCIF Leo Service Grants](#) and give them the opportunity to make a bigger impact in your community. Also, encourage them to make a bigger impact around the world by donating to LCIF where they can be recognized for their generous contributions through the Leo Lions Share program.

We are more than **95%** of the way toward reaching our Campaign 100 goal. [Make a donation](#) today to help us make history and magnify the service of Lions and Leos around the world.
