**2022 Bunks Across America Event**

**The Challenge of Building Beds Remotely**

**September 10th, 2022**

Hello Nadja,

Thank You to all the folks who have signed up to share part of their day with us for the "2022 Bunks Across America" Build event **THIS COMING SATURDAY**, from 8:00 AM until 3:00 PM.

Lowe's Home Improvement is sponsoring this event nationally and will be supporting it locally by having the build at the South Frederick Lowe's store on Buckeystown Pike

As the title indicated, **The Challenge of Building Beds Remotely** is that all the tables and equipment need to be loaded up and transported from our Adamstown barn to the Lowe's site and then back. We have a Big Truck for that.

But **we still have open slots** for Helping Hands to load the truck on Friday Morning (~60-90 mins) at the barn, and unloading it on Saturday Afternoon (~60-90 mins) back at the barn afterwards.

Please check out the the online volunteer scheduling tool: "SignUp Genius" and pick the load / unload date & time that best suits your schedule.

We welcome any and all helping hands age 8 and up (with supervising parents). For this loading & unloading activity, your gloves will be all you need.
