Fellow Lions,

It's the most wonderful time of the year for Lions to demonstrate their message of service. Lions across the district are fulfilling service projects and offering their local communities support and entertainment this holiday season. Clubs participating in the Vice District Governor Challenges are starting to work on the next project for Childhood Cancer. Look for the flyer from Second Vice District Governor Susan Cox to participate.

As family, friends and returning college students come back to town for the holiday season, remember to reach out to them and invite them to participate in your holiday service events. These events around the holidays are prime examples of how your club reaches its community and joins together in fellowship....great reasons to join.

Last January, Global Leadership Team Lead Lois Conrad and I led a **Leadership Zoom Series** with 24 clubs represented. This year, we will have a **Membership Zoom Series** that will focus points of view on Membership. Global Membership Team Lead Past District Governor Evan Gillett and I are starting to prepare. We are looking for representatives from clubs that have not yet participated to give more clubs participation at the district level. Each representative will discuss membership followed by brief comments from Global Membership Team Lead PDG Evan Gillett and District Governor Nadja Muchow.

Confirmed Lions Clubs so far with representation for this **Membership Zoom Series** include:

Lion Ed Clemons Jr.	North Branch Lions	Region 1
Lion Savannah Andrews	Mount Savage Mason Dixon Lions	Region 1
Lion Brendan Byrne	Western Heights Leos	Region 2
Lion Ashley Yox	New Market District Lions	Region 3
Lion Jared Suit	Emmitsburg Lions	Region 3
Lion Wendy Rixby	4 County Lions	Region 3
Lion Gary Bennett	Francis Scott Key Lions	Region 3
Lion Andrew Fan	Greater Carroll Lions	Region 4

Last month Lions Clubs International Foundation (LCIF) announced their partnership with The Choose Kindness Alliance, a coalition of the nation's leading nonprofit organizations championing bullying prevention, intentional inclusion, and youth mental wellness. The Choose Kindness Project is an initiative, guided by the more than twenty members of the alliance and supported by ABC, ESPN, and the Walton Family Foundation, dedicated to inspiring a more inclusive world where all young people feel empowered to be themselves and safe to create the futures they imagine. The mission of the Choose Kindness Project is to educate and inspire people to choose kindness. The Kindness Project operates on three core principles.

Science is the foundation and heartbeat of our work. Our lived experience tells us that kindness is good, but only with an understanding of our inner workings and social dynamics can we activate kindness for its greatest efficacy and impact. We're committed to open, interdisciplinary, and collaborative research that draws on the best of social, behavioral, and life sciences, so that we can build the most effective solutions for a kinder world. And because we're also committed to research that is ongoing, we're able to continually iterate and improve our work.

Kindness has the power to overcome differences and bridge divides. It provides a common language and is universally valued. Everyone has the capacity to choose kindness, but it's not always easy, and sometimes you don't know where to start. Because we believe that building a kinder world takes all of us, everything we do is ultimately to empower anyone, anywhere in the world to choose kindness often and effectively. We package the learning's from our research into programs, tool-kits, sharable content, and other materials to allow you to activate kindness where you live and work. Every act makes a difference - we want to make it an easy choice.

Kindness spreads faster when we work together. We think of ourselves as a connective thread, educating and equipping individuals and organizations with the solutions they need to activate kindness. Collaboration is central to all we do. From working with researchers at Harvard University, to educators bringing Learn Kind to life in their classrooms, to the millions of people who have helped us spread kindness, we never really do anything alone. The cause of kindness takes conscious collaboration. And we're so glad it does.

Kindness has always been part of our work as Lions. Service is kindness personified. This LCIF partnership will add additional resources for Lions in our work with youth. The goals of this partnership are consistent with Lions Quest, LCIF's signature youth education program, a social emotional learning program which gives students the skills to navigate life and prevent bullying and substance abuse. For over 30 years, Lions Quest has impacted more than 20 million children across the globe by providing students and educators with the skills necessary to celebrate diversity and establish positive relationships. As Lions we choose kindness is all that we do.

Warmest wishes for a happy holiday season,

Lion Susan Cox

Second Vice District Governor

# ***Roy DeGrange Sr.***

***1958 - 2022***

Roy Westley DeGrange Sr. "Big Roy", 63, of Middletown, gained his angel wings on October 22, 2022 at Frederick Health Hospital, due to complications from a three year battle with Melanoma. Born in Frederick, Maryland on December 11, 1958, he was the son of Floydie Lee and Helen Marie DeGrange of Urbana. Big Roy, with his contagious smile, enjoyed hunting, going to concerts with his wife, coaching his boys in baseball as kids, watching the Orioles and Nats, rooting for the Ravens, and talking your ear off. You couldn't go anywhere with him without him having to stop and talk to twenty different people. In his youth he enjoyed playing baseball, volleyball, softball, and briefly for the Frederick Falcons. When younger he worked for Watson's Ice Plant and TAMKO roofing products. His true passion, however, was being in business for himself. He was the proud owner of Watson's Carry-out and Roy's Concessions where he enjoyed serving the public delicious food. Roy liked to think he first met his wife in the nursery at Frederick Health. He and Carol would be reconnected at age 16 and start dating. They were perfect for each other and would eventually be married for 45 years. Surviving are his wife Carol DeGrange, son Roy DeGrange Jr. and wife Emilie, brother Jerry DeGrange, sisters Becky DeGrange and fiancée Larry Remsburg, Susan Murray and boyfriend Richard Coffman, brother-in-laws Bill and Dennis Watson, and his favorite out of all of us, his granddog Artie. He is also survived by numerous nephews nieces, cousins, in-laws, and friends. He loved his family and friends and will be missed by all. He was predeceased and now lovingly reunited with his parents and his son Ryan Matthew DeGrange. Friends can visit at Donald B. Thompson Funeral Home, 31 E. Main Street, Middletown on Friday, October 28, 2022 from 3:00 to 5:00 and 6:00 to 8:00 pm. A Funeral Service will be held at the funeral home on Saturday, October 29, 2022 at 11:00 am. Interment to immediately follow in Mt. Olivet Cemetery, Frederick. Condolences to the family may be made at [www.dbthompsonfuneralhome.com](http://www.dbthompsonfuneralhome.com) Roy DeGrange Sr.

## HAGERSTOWN

Hagerstown Lions Club was honored to host District 22-W Governor Nadja Muchow, accompanied by husband PCC Bob and Cabinet Secretary Sara McCall, for her official visitation on October 18. PDG Susan Timmons introduced DG Nadja to the club.

In her opening remarks DG Nadja shared greetings from Lions Club International President Brian Sheehan, whose three pillars this year include spreading joy and excitement at being Lions, engaging in new and creative service opportunities and supporting LCI Foundation, which brings needed help and assistance to people throughout the world suffering from natural disasters, war (LCIF is assisting with relief in Ukraine) and poverty.

Lion Nadja explained that her own emphasis as District Governor is not individual titles or accomplishments, but how Lions interact in our various clubs. She's coined the phrase "club culture" to describe this interaction and gave a few negative examples (club members ignoring visitors, depending on one member to do everything). Instead, she challenged us to be welcoming to everyone, to be a safe place where we trust and support each other, and to be open to new ideas which may involve changing attitudes or patterns of service. Her motto includes that theme, Empowering change through service, and her logo depicts a dragonfly, which undergoes dramatic changes in its metamorphosis.

Besides her encouraging speech, DG Nadja is presenting a special award in each club to a Lion who works faithfully behind the scenes in an area of service that often goes unnoticed. HLC's recipient of this Lion Spirit Award is Lion Ed Distad, who diligently responds to voicemail calls that come to our club hotline, usually requesting assistance. Lion Ed returns these calls, which often number several dozen a month, and directs the caller to the Lion who can best provide the sought for help. Congratulations Lion Ed on this well-deserved award, and thanks DG Nadja, PCC Bob, and CS Sara for a wonderful visit!

## HANCOCK

Several members of the Hancock Lioness Lions Club helped serve food and assisted with the tree decorating at Martha's House on Main Street in Hancock on Sunday, November 20 . # SOUTH CARROLL

## **News Release** **American Heritage, Preservation, & Patriotism** **2022-2023 Essay Contest**

This year, the South Carroll Lioness Lions Club and the Lions Clubs of District 22-W are sponsoring the American Heritage, Preservation and Patriotism essay contest focused on Patrick Henry, a founding father of the United States, who organized a volunteer militia to help George Washington in the Revolutionary War. Henry is famous for a fiery speech in 1775 where he declared "give me liberty or give my death". Speaking on behalf of many generations to come, he insured many rights we now enjoy. The South Carroll Lioness Lions Club is sponsoring this contest for students, adults and for Lions club members in the Sykesville and Eldersburg communities. Home schooled students are encouraged to participate in this contest.

The American Heritage, Preservation and Patriotism essay topics for 2022-2023 are as follows:

**Elementary Grades (1-5):** It is 1777 Patrick Henry has been invited to spend the day with his friend George Washington. Describe your day.

**Middle School (6-8):** Patrick Henry said, "I know of no way of judging the future but by the past". Today the history of volunteerism in America continues to be written. You could be the next one to start the next world changing volunteer group. What would it be?

**High School (9-12):** Patrick Henry was influential in shaping the Bill of Rights. As a volunteer how can you influence others to volunteer and make a difference in today's world?

**Adult:** In the spirit of Patrick Henry and his skill for passionate and persuasive speeches, develop a speech that would motivate and encourage volunteerism in today's world.

Each entry must comply with the following program rules for participation:

- Use 8 ½" by 11" white paper
- Essays must be either typed or computer generated and double spaced. Handwritten copies will not be accepted.
- Minimum of 300 words, maximum of 500 words

  - entrant's home address including street, city, state and zip code
  - entrant's home phone number

  - grade
  - name of sponsoring club
  - essay topic

The 2022 winner in the elementary category was Aiden Kwon a third-grade student at Carrolltown Elementary and the winner in the middle school category was Graciana Gross a student at the Oklahoma Road Middle School.

Those interested in participating in the 2022-2023 contest should e-mail southcarrolllions@gmail.com (please put Essay Contest in the subject line) with any questions. A cash prize of \$50 will be awarded to the best essay in each category.

## TANEYTOWN

**LAST MEETING** – In remembrance of Veterans Day we had Commander Troy Wolf from Hesson Snider Unit 120 American Legion in Taneytown as our speaker. He spoke about veterans and how their service to their country never ends. Many are now working as law enforcement officers, firemen, paramedics, teachers, etc. Veterans are a very diverse group of people coming from every state, background and nationality. One thing he stressed is the high suicide rate among our veterans and how we must be more proactive in getting them to seek help. There are 60,000 homeless veterans in the US which makes up 11% of the population. He said we need to take better care of our veterans. They all deserve our gratitude for preventing wars along with fighting to keep our nation free. After his speech bugler Katie Irwin played taps.

## THURMONT

### **Record Breaking Colorfest**

(Contributed by Lion Don Keeney, Jr.)

Colorfest weekend featured sunny skies with cool mornings and mild afternoons – perfect for a busy weekend. The crowds were out in full force on Saturday, and we were incredibly busy from start to finish. The crowds on Sunday were a little lighter but still a good turnout. The club ended up with a total profit of more than \$9,500, which is a record for the event. We sold over 12 gallons of sausage gravy, over 400 egg sandwiches, 700 hot dogs, 58 gallons of apple cider, 850 pounds of French fries and an insane amount of coffee and hot cocoa. A huge thank you to everyone who helped, including the many family members and several members of other Lions clubs.

### **Christmas Cookies for First Responders**

(Contributed by Lion Joyce Anthony)

During the Thurmont Lions Club Membership meeting, members brought baked cookies for a service project to celebrate the First Responders in Thurmont and to show the club's appreciation for their services. The service project was chaired by 3rd VP Nancy Echard. The cookies were bagged by the members forming a moving line around several long tables. We had four filled medium-large boxes. There were dozens, dozens and dozens of cookies. Lion Ruth Heaney delivered cookies to the Police Department. Lions Nancy Echard and Joyce Anthony delivered cookies to the Ambulance Company and Guardian Hose Company. All first responders were very appreciative of the cookies and dug into the packages on the spot.

### District Social

(Contributed by PCS/AA Susan Favorite)

The District 22W Social was held on October 1st; honoring our own DG Nadja Muchow and PCC Bob Muchow. The committee for the Social was made up of many Thurmont Lions – you can be proud of the event that was held as it was truly a reflection of our club's commitment to its members. This club was incredibly supportive. Special thank you to Lions Bev, Joyce, Doug, Don and Marci for all their hard work over the past 9 months.

The focus of the Social was showing appreciation for our veterans. We held a number of service projects in conjunction with the Social's focus. There was a 50/50 Raffle to benefit Operation Second Chance raising \$1,230 for the charity and the same for the winner. Lion Nancy Echard and PDG Paul Cannada spent a lot of time selling these tickets, and a ticket sold by Lion Nancy was the winner: the winner donated \$230 back to the charity. A second raffle raised funds for an LCIF donation of \$1,000 in honor of our speaker PID Jennifer Ware from Michigan. Thank you cards were at the tables the evening of the Social that were filled out to be given to veterans and wounded service men and women. Items for the homeless veterans were collected and presented to Wares for Warriors (they had a whole vehicle full). Lastly, that evening PID Jennifer's husband, Lion Jeff, did a spontaneous collection of funds that would allow the MD Patriot Guard to buy turkeys for military families for Thanksgiving – over \$700 was raised that evening. Congratulations go to: Roaring Run Lions Club; Lions Ted & Ann Nettles and our own Lion Lisa Riffle. Each received the International President's Certificate of Appreciation for their work with veterans. At the end of the evening, my feet hurt, my heart soared, and I was proud of our members, our club and our District.

## WILLIAMSPORT

### **NOV. 8<sup>TH</sup> DINNER MEETING HEARS PORT 44 COMPANY UPDATE**

Selena Wilkes of the Port 44 Company was our speaker. The company was formed to help revitalize Williamsport and increase tourist shopping and dining facilities; as a means to "give back "to the Port (Williamsport)" that they love. The "44" is from our town's Lock 44 along the C&O Canal.

Much has already happened or is underway; and a waiting list exists for the first-floor businesses, fine apartments and tourist accommodations being developed. Coming are a micro-brewery, bakery, bagel shop, custom fishing and bait store, interior design store, and more. Port 44 should complete their vision by 2024.

(Left) The Board met after the meeting, and, among other things, discussed: Treasurer's Report; March Madness 2023 ticket pricing; and the Christmas Gift Card Program, which helps needy individuals and families buy Holiday Dinner groceries, and toys for their kids.

**NOVEMBER 8<sup>TH</sup> DINNER MEETING HONORS LION JIM RUDOLPH**

**Lion Jim Rudolph (ctr left) was awarded our Club's Life Membership at the dinner meeting.**

**He joined our club in March 2000, and served as Chair of Health Services for 18 of those 22 years. As Chair, he managed our Hospital Equipment loan program, which lends hospital beds, wheelchairs, walkers, etc. to those in need.**

**Lion Dick Nye (right) took over the program mid-2019; Secretary Larry Miller (left) and King Jim Wollard shared in the award presentation.**

**Eye Screenings Update**

**589 Pre-Schoolers had been screened as of November 8<sup>th</sup>. 84 were referred from the 14 schools. Lions volunteered 125 hours to this important program.**

**NOVEMBER 19<sup>TH</sup> CHARLIE BROWN CHRISTMAS TREE DECORATING**

**About eight Lion elves helped Lion Chair Irene Clopper decorate our Club's Christmas Tree for the annual "Charlie Brown" Xmas Tree event at the Springfield Barn in Byron Park.**

**Elf Lion Skip Snyder(left) was a standout.**

## LEO CLUBS

### CATOCTIN HIGH SCHOOL

(Contributed by Lion Dianne McLean)

The CHS Leos elected officers for this year: President: Helen Xia; Vice President: Hunter Hurley; Secretary: Maren McMillen; Treasurer: Elizabeth “Ghost” Croyle. All members and officers will be inducted during the November 10th club meeting.

Four CHS Leos helped as runners during Colorfest weekend. There is a possible service project being discussed to assist Thurmont’s Green Team with collecting pumpkins the end of November from town residents then delivering them to the Catoctin Zoo or local farmers as feed for their animals. The Trolley Trail CHS garden cleanup will be completed in November as well.

Future plans include a project and/or fundraiser during December and a club Christmas party.

### THURMONT MIDDLE SCHOOL

(Contributed by Lion Lis Ruppel)

The Thurmont Middle School Leo’s have really bounced back from the pause imposed by COVID. This year we have over 20 very enthusiastic, energetic Leo’s. A large number showed up to help as runners at the TLC food booth at Colorfest, and everyone who worked with them were impressed with how helpful and hardworking they were.

In October, TMS Leo’s held a Halloween costume contest fundraiser as part of Spirit Week during the final week of October. TMS Leo’s will elect their officers for this year at the November meeting and are hoping to have all the new Leo’s inducted by the holiday party in December.

About the Deep Creek Lake Lions Club and the Blind Skiers Program

Since 1972, the Deep Creek Lake Lions Club has been holding its Blind Skier Program. Over the history of this program, the Club estimates that hundreds of visually impaired children have learned to downhill ski. Each year, the Club typically hosts 3 or 4 groups of visually impaired children and their families for three day sessions from Monday to Wednesday. The Club pays or arranges donation for all expenses for the trips.

At the beginning of each session, the Skiers are set up with equipment and lift tickets provided by Wisp Resort, and are matched up with their volunteer Ski Guides. Barb Law, long-time coordinator for the high-school ski guides, said that the "high-schoolers get an early opportunity in life to experience the rewards of service to others." The high school volunteers can also earn service learning hours along with excused absence from school.

The adaptive skiing process usually starts with the Blind Skier standing between two Guides who hold a padded bamboo pole for stability. Skiers who demonstrate the desire and ability to control their speed and direction can graduate to tethered skiing behind a Guide and eventually skiing with a Guide giving directions for turning and stopping. When snow conditions are favorable, the Club provides snowmobile riding to the family groups.

Meals are also an important part of the Program. Volunteers arrive each morning of the Program at the donated lodging to cook breakfast for the skiers, which provides an opportunity for Club members, the Skiers and their families to get to know each other. "While this Program is great for our visually impaired children," said one of the parents, "it's also a respite for our entire family since we can turn our kids loose with the Lions Club and enjoy skiing on our own for a bit."

In the summer, the Club provides the Blind Camp Program, which involves camping, boating, hiking and other outdoor activities. Additional service to the community is provided by the Club through financial assistance to residents for vision-related healthcare, donations to local organizations, and operation of the public park on Bumble Bee Rd. Future projects include the building of Garrett County's first all-inclusive playground and the reconstruction of an early 1800's log cabin.

For more information on the Club's activities, how to contribute or donate, or how to join, visit our website, [deepcreeklions.org](http://deepcreeklions.org) or contact the Club at [DCLLIONS@GMAIL.COM](mailto:DCLLIONS@GMAIL.COM) or 323 325-5466. Videos, photos and additional stories from the Club's activities can be found on the Club's Facebook page, linked to the Deep Creek Lake Lions Club website.

We hope you'll lend your support to our amazing programs. Funds raised at the 50th Anniversary Gala will ensure the continuance of the Blind Skier program and other community projects for the next 50 years and beyond.
