Dear Lions and Leos,

Kindness is the only service that will stand the storm of life and not wash out. It will wear well and will be remembered long after the prism of politeness or the complexion of courtesy has faded away.

ABRAHAM LINCOLN

About 9,910 children in the United States under the age of 15 will be diagnosed with cancer in 2023. Childhood cancer rates had been rising slightly for the past few decades but have stabilized since 2010.

Because of major treatment advances in recent decades, 85% of children with cancer now survive 5 years or more. Overall, this is a huge increase since the mid-1970s, when the 5-year survival rate was about 58%. Still, survival rates can vary a great deal depending on the type of cancer and other factors.

After accidents, cancer is the second leading cause of death in children ages 1 to 14. About 1,040 children under the age of 15 are expected to die from cancer in 2023.

First Vice District Governor Jeremy Bair and I would like to thank the following clubs for your support of the Childhood Cancer Support Vice District Governors Service Challenge: Brunswick, Francis Scott Key, Freedom District, Glade Valley, Greater Carroll, Hagerstown, Hancock Lioness Lions, Middletown, Mt. Airy, New Windsor, Smithsburg, South Carroll Lioness Lions, Taylorsville Winfield, Terra Rubra, Thurmont, and Westminster. Although the final numbers are not in yet, I can report that almost \$3000 was donated both through philanthropic donations and Gifts In-Kind, there were also donations to the Child Life Amazon Wish List, and of course the hundreds of items and gift cards that were collected by our clubs. We are so grateful for your kindness through service; we know that your thoughtfulness will bring moments of joy in difficult days for the patients at The Herman and Walter Samuelson Children's Hospital.

The final Vice District Governors Service Challenge takes place from January 15-April 15, 2023. For this challenge FVDG Jeremy, Environment Chair Lion Champ Zumbun and I ask all clubs to complete a service project that will benefit the environment.

LCI suggests any of the following projects:

- Plant trees. Consult your local environment authorities to determine the type and number of trees needed, as well as the location for planting.
- Meet monthly and clean up a beach, community space, or roadside area as a club.
- Hold an environment themed photo contest at a local school. Reward the winner with a tree planted in their honor or another green form of recognition.
- Challenge all Lions in your club or district to add at least one green habit to their daily lives. Inspire others by sharing your actions on social media. Habits might include:
 - Using a reusable water bottle or coffee mug rather than disposable products.
 - Changing to energy-saving lightbulbs.
 - Setting a time limit for your shower to reduce water consumption.
- Develop a Green Living Tip Sheet and share it electronically with members of your community or network.
- Recognize a local organization or community leader for their efforts in environmental conservation.
- Calculate your carbon footprint with an online calculator. If your footprint is bigger than you would like, purchase carbon credits that are Gold Standard Certified and brainstorm ways you can lower your carbon input.
- Volunteer with your local park service to maintain trails. You will help more people access and enjoy nature!
- Commit to “Meatless Mondays”, or not eating meat one day each week.
- Collect used cellphones and donate them to individuals in need.

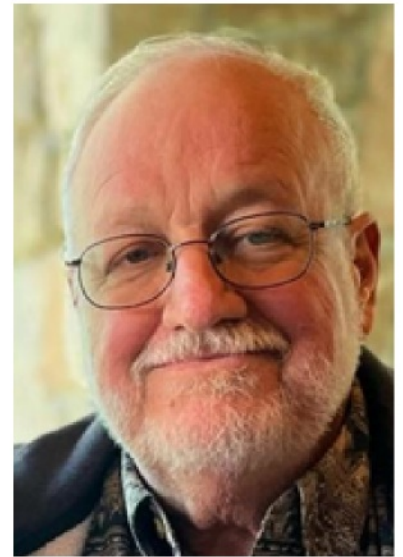

Here are a few more: Organize a hike or nature walk (if you can in your area) and bring bags to collect trash along the trails. Have fun with creating homemade paper out of used paper with friends. (It is easy, fun, and green!) Grow your own vegetables, fruits, and herbs in an organic garden, and encourage others to do the same. Try a neighborhood swap (by way of front porch pick up) where people can trade their produce bounty. Choose a family “energy watchdog” to shut off lights, television, and dripping sinks when not in use. Create a children’s nature garden. Create a path, label plants and trees, and schedule guided tours. Purchase recycled products as opposed to plastic or generic ones. When buying food or drinks of any kind, it is better to stick to a large jug or tub as opposed to a collection of individually packaged goods. Please report your service to me at shcox@comact.net and to Lion Champ at champzumbrun@gmail.com no later than April 15, 2023.

With sincere thanks for all that you do,

Lion Susan Cox

Greetings, Lions!

You are receiving this email because we have you listed as the newsletter editor for your district or multiple district. Please respond to this email if you have any contact information updates, such as you have a "better" email to use, you are no longer the editor (it's like being club secretary...hard to pass the torch shall we say?!), etc.

The newsletters are accessible by following this link to the Lions "resource" page on our website. Scroll down to the "Newsletter" tab where you will find January and February's newsletters in both the PDF version (drop in like a flyer) and the Word version for anyone having issues with accessibility. PDG Lion Och was hoping for a discount and Spichers Appliance surprised him with a "donated" refrigerator to be used by the Lions and the church. Thank you Spichers Appliance and PDG Lion Och! DEEP CREEK LIONS

Deep Creek Lake Lions Club

Our Club's mission is to improve the lives of the visually impaired and our local community members, with a special emphasis on outdoor recreation. Since 1973, we have been sharing the fun and challenge of downhill skiing with the visually impaired through our Blind Skier program. We additionally serve our community through a number of other programs like eyeglasses assistance and recycling, and management of the McHenry Community Park. Find out more about the club at deepcreeklions.org.

History of the Blind Skiers

In 1970, Bill Thoman, former mountain manager of Wisp Resort, and Jay Kamineck, a ski instructor, were skiing in Aspen Colorado when they saw sighted volunteers assisting young people with vision challenges in skiing down a mountainside. They brought the idea back east, helped to found the Deep Creek Lake Lions Club and in 1973, the Club held its first year of the Blind Skier Program. Since then, the Club has taught hundreds of visually impaired children to downhill ski. Additionally, a similar number of high-schoolers have volunteered with the program over the years and have experienced the rewards of service to their community at an early age.

50th Anniversary Celebration

We're celebrating the Jubilee of this program with a gala dinner event. on Feb 7, 2023, at WISP Resort. Highlights include:

-Keynote by Brian McKeever, Paralympic GOLD medalist in cross-country skiing. Mr McKeever is a blind Canadian cross-country skier and biathlete, who became Canada's most decorated Winter Paralympian when he won his 14th medal at the 2018 Winter Paralympics. He and his brother were featured in a number of Toyota ads during the Olympics.

-dinner and cash bar - a delicious meal and plenty of time to network and socialize

-awards program - recognition of long-time all-stars to the program

-Fireworks - a rare winter fireworks show

-silent auction - incredible selection of donated items for auction

AND MORE!

What to wear: It's a gala, so some are wearing tuxes and long dresses and furs, and some will be wearing fancy ski outfits. Since most people haven't been to a fancy event in a while, many are seeing this as an opportunity to dress up a bit. But wear whatever you feel comfortable wearing and most of all...have a great time!

FREEDOM DISTRICT

Freedom Park Clean-up: Submitted by Lion Wu Schaefer

Tuesday, 29 November 2022
Tuesday, 13 December 2022
Tuesday, 10 January 2023

We performed trash pick-up at all the fields and pavilions and conducted a walk-through inspection at the trail paths. On each of those dates, the trail inspection went very well. Most fields have very light trash.

As has been the case before, the heaviest amount of trash has been found alongside Raincliffe Rd, on both the right and left side from the entrance. On January 10, we also crossed the road from Raincliffe Rd right side of entrance (towards Slacks Rd) and picked up a lot of trash there. They consist of many cans, bottles, food containers, and plastic bags.

District 22-W qualified for the District Excellence Awards by meeting certain criteria established by LCI for 2021/2022 in the areas of membership, service, leadership development and support of LCIF. IPDG Charlie Croft recognized his global action team coordinators Lion Martin Bonura (GMT), Lion Vicki Mahr (GST), Lion Lois Conrad (GLT), and LCIF Chair PCC Brian Cox for their efforts in guiding the district in their respective areas and PCS Susan Favorite for her dedication and efforts as Cabinet Secretary during the 2021-2022 Lions year. In the area of membership, the district achieved a net growth in members and hosted a new member orientation. In the area of service, 90% of the clubs held service projects that had a positive impact on their communities and an increased percentage of clubs reported in MyLion as compared to the previous year. The LCIF District Coordinator promoted contributions to LCIF, and the majority of clubs had a LCIF Club Coordinator. In the area of leadership, 90% of clubs were in Good Standing, 90% of clubs reported club officers and training for current and potential club officers was conducted and reported.

Two clubs, Deer Park and South Carroll, qualified for the Club Excellence Award. In addition, each club was in Good Standing (Not in Status Quo or Financial Suspension) at the end of the Lions year, paid their District dues and had no unpaid balance with LC greater than US\$50. These clubs reported club officers to LCI, and key officers participated in club officer training. In the area of marketing, these clubs publicized their service activities through local media or social media.

For over three decades, Lions clubs around the globe have been sponsoring a very special art contest in schools and youth groups to promote peace and international understanding. Creating peace posters gives children everywhere the chance to express their visions of peace and inspire the world through art and creativity. Children know how powerful compassion can be. They are often able to express this feeling more openly than adults. This year, the South Carroll Lioness Lions Club, under the direction of Lions Amy and Dan Landry, invited young people to explore and visually express the peaceful future that compassionate leadership brings.

Participants in the contest came from the Eldersburg Library and the Sykesville Colored Schoolhouse. Participation from the library was coordinated by Kari Kelly and Pat Greenwald coordinated participation from the Sykesville Colored Schoolhouse.

There were three winners from the Eldersburg Library: Michael Newcomer, 3rd place; Kate Newcomer, 2nd place and Molly Javins, 1st place. There were two winners from the Sykesville Colored Schoolhouse: Makyla Castle, 2nd place and Alex MacDonald, 1st place. Each winner was presented with a certificate and a cash prize.

Winners Javins, Castle and MacDonald attended the South Carroll Lioness Lions Club's January 5, 2023, meeting to receive their awards from Lion Dan Landry and Club President Susan Bonura. Winners Newcomer received their awards at the Eldersburg Library from Lion Amy Landry.

Membership in the South Carroll Lioness Lions Club is open to all men and women aged 18 and over. For more information, email southcarrolllions@gmail.com.

TANEYTOWN

LAST MEETING – At our last meeting Jay Wantz, son of Pres. Leonard, was our speaker. He has served as a coach, organizer and board member of both the West Carroll Rec Council (WCRC) and the Taneytown Athletic Association (TAA) for 16 years. He gave us an outline of what each organization stands for and the differences between them. The WCRC is a county organization and uses county fields whereas the TAA is a city organization overseen by Taneytown Rec and Parks and uses city fields. They also work together and the rec programs are open to all children no matter their ability. The donations we make to the programs they provide are used for scholarships for needy children, lowering the price of registrations and equipment replacement. It was a very informative presentation.

Jay Wantz

BUS TRIP – A bus trip is planned for Wednesday, April 19th, to Sight & Sound Theatre in Lancaster to see "Moses". We will leave the shopping center at 9:15 am and go to Shady Maple Smorgasbord for dinner then attend the show and arrive back home at 7:45 pm. This theatre is more expensive so the cost will be \$150.00 per person.

Once again, the price will include the bus, driver's tip, dinner and theatre tickets. All reservations and money **MUST** be in by March 28th. Contact either 1st VP Paul or Lion Barb to make your reservation. We would like to see more Lions on this trip.

Happy 2023! I hope you had an opportunity to ride by to see the club's Thurmont Community Christmas tree. The tree featured hand-painted ornaments that spotlight the numerous non-profit organizations in Thurmont which makes it truly a community tree.

On December 30th, a few Lion members undecorated the tree. It was somewhat harder to undecorated since the tree had been blown over by the high wind – but we, as Lions, always accomplishes what we set out to do. We hope to see many Lions next year to help decorate the Community Christmas tree which reflects a beautiful service project.

In November, Santa deputized special elves to collect goodies to fill Christmas stockings for residents at the Autumn Lake Healthcare at Glade Valley. The elves delivered all the goodies at our November 9th Membership meeting. This was the club's service project for December with members assembling the stockings for delivery to the Healthcare facility.

On December 22nd PDG Paul Cannada and Lion Joyce Anthony delivered 118 stockings and Christmas cards to the Autumn Lake Healthcare at Glade Valley. Nick Goodrich, Activities Director, was so appreciative of the items. Lion Joyce Anthony received a thank you letter for the club's thoughtfulness, generosity and adding joy to the residents. The residents were so excited and happy, and it made their day a little brighter.

Doug and Don's (D&D) Final Christmas Extravaganza and House Tour

(Contributed by Lion Don Keeney, Jr.)

Lions Doug and Don's final Christmas Extravaganza and House Tour will be held on Saturday, January 7, 2023, from 4-8 pm. The tour will feature hundreds of decorated Christmas trees along with a full buffet meal consisting of Lions Doug/Don's famous meatloaf, Italian chicken and pasta, Frisco potatoes, homemade applesauce, sliced peaches, rolls, numerous hot/cold drinks and lots of desserts made by Lion Susan. All proceeds from the house tour will benefit pediatric cancer research/support. Items were collected for the 2nd Vice District Governor's Service Challenge. These items will be donated to the Samuelson Children's Hospital at Sinai.

December 3rd Christmas Extravaganza Results

More than 110 adults and 15 children attended Lions Doug and Don's Christmas Extravaganza on December 3rd. Folks were treated to over 200 Christmas trees, as well as lots of food. We raised \$2,580 which was divided between the three featured charities: Maryland Patriot Guard, Operation Second Chance/Heroes Ridge and Sons of the American Revolution. Special thanks to everyone who helped, including the Scouts who helped to park cars, Lion Susan Favorite for making the many delicious desserts, Lions Joyce Anthony and Dianne McLean for helping with food service and Lion Don's mother, Ginny and her husband, Jeff, for helping with food service and cleanup, as well

Thurmont Lions Club Annual Christmas Party

(Contributed by PCS/AA Lion Susan Favorite)

On December 14th, approximately 45 Lions, friends and family gathered at the Thurmont Senior Center to celebrate good fellowship and ring in the holiday season. Thurmont Kountry Kitchen provided the dinner of turkey, ham, dressing, mashed potatoes and green beans - all topped off with their delicious pies. After dinner, PDG Paul Cannada inducted a new member, Wanda Ottey, with the assistance of her sponsor, Lion Ruth Heaney. Welcome to Lion Wanda!! President Julie announced a new award to be given at the Christmas Party annually. In the spirit of the season, the award is named the "Spirit of Generosity Award". The inaugural award went to Lion Bev Nunemaker for her staunch support of Lionism both on the club and district levels. A truly well-deserved award to celebrate Lions and their generosity on all levels.

WILLIAMSPORT

REACH of Washington County at January 10th Dinner Meeting

Below, members listened closely to speakers from the REACH Shelter in Hagerstown as they explained the workings of their program. Following the program, King Jim gave our Club's coveted pen to both Jill Zamostny (on left) (Director of Housing and Café Management), and Jeannie Asbury (Executive Director). They need 15-20 volunteers every day to help feed and house up to 60 men and women seeking shelter. Six Williamsport Lions present have helped in the past; Lion Larry Miller regularly volunteers at the shelter with others from his church.

REACH assists the often-forgotten members of our community...the poor and homeless through the following programs:

Crisis Intervention: Tue/Thur - Crisis Intervention for county residents. Volunteers provide assistance to those facing housing and utility emergencies as well as other basic needs. Program includes 24-hour emergency shelter assistance.

Cold Weather Shelter: Provides homeless adults a safe shelter of last resort to avoid the risk of death or bodily harm from hypothermia. Operates from the last Sunday of October to the first Sunday of April each year.

LEO CLUBS

An Update of the South Carroll Leo Club: Submitted by Lion Leo Advisor Pauline Rosier

At the January meeting, there were eleven Leos present, which included a new member.

The collection of ten gently-used coats led by Leo Vice President Emmy were given to the Frederick Rescue Mission.

Melanie S., parent advisor, spoke with the faculty advisor for the Century Knights Leo Club. She found out their Leos have a point system to acquire a special recognition upon graduating. Our Leos decided to have a point system as well for their involvement with the Leo club. By reaching those points this will earn them a recognition of being a Leo upon graduation.

On January 25, the Leos will help with food distribution by loading up cars with food from the Westminster Rescue Mission. Those Leos, who are helping will be able to wear their Leo t-shirts. TWLC Lion Kenny Wean has graciously offered to purchase the additional t-shirts needed.

The Leos have planned a bingo on February 18 at 10:30 a.m. at Sun Valley Assisted Living.

They will be collecting items during February for ten taco kits for Mt. Airy Net Soup as well as trash bags for Shepherd's Staff. They will be putting these items together at their March meeting.

The Leos' additional ideas of service projects were: helping with the Frederick Rescue Mission; the Baltimore Humane Society; and Hearts & Home Youth Shelter and/or Westminster Boys & Girls Club.

In November, the Thurmont Middle School Leo Club elected officers and then went for a brief walk after the business meeting to clean up the Trolley Trail. On our walk, we encountered the Mayor and a representative from the Thurmont Green Team and took a group picture.

At our December meeting, we had our holiday party. We had planned to hold inductions at the meeting as well, but due to a miscommunication our District Leo Chair was unable to make it, so we will be doing the induction ceremony in January. We are looking forward to an exciting new year!

Leo President Helen Xia and the TLC Leo advisor volunteered to help the town of Thurmont with the Great Pumpkin Pickup on November 26. Approximately a dozen pumpkins were collected and delivered to the Catoctin Zoo to be used as food for some of their animals.

Leo's participated in the high school's annual Santa's Workshop held December 3. Three Leos helped with prepping supplies in advance and four helped area children make styrofoam and marshmallow snowmen at the event.

A Food Bank collection of hats, scarves, gloves/mittens, and socks was completed between December 14-22. The club will start the new year off with a fundraiser for Cuddles Cat Rescue to collect items from the rescue's "wish list".

The Antietam Paintings of James Hope

Most everyone who has visited the original Antietam Visitors Center and ventured downstairs has seen James Hope's five panoramic paintings of the battle of Antietam. Brad and Linda Gottfried have recently written a book that describes the paintings in detail. In this presentation, you will learn more about how the paintings were crafted, how they were almost destroyed, and get a close-up analysis of the various portions of each painting. You will see aspects of the painting you may never have seen before.

Brad is an Antietam Battlefield Guide, has written 17 books on the Civil War, and retired after serving 40 years in higher education. Linda is an award-winning artist who worked as a development officers and graphic designer before she retired. Brad and Linda have five children and seven grandchildren.

Dinner Menu: Pork and Sauerkraut, Mashed Potatoes, Salad and desert.

The dinner program will start at **7:00pm** and is held at St Paul's Episcopal Church, 209 W. Main Street in the parish hall at the back of the church.
