Purpose and Ethics

"As Lions, we hold ourselves to the absolute highest standards in everything we do. Our members and clubs are dedicated to serving others, and it shows in our communities and actively work to improve the lives of all people."

It is my pleasure to say that District 22W lives up to the above statement. My visitations have been focused around determining the health of the clubs focusing on retention, recognition and a culture of safety!! Some barriers were identified but hopefully the processes that have been put in place are assisting with the removal of those barriers!

Lions Clubs International is offering so many new and exciting resources to be able to develop our clubs while serving our communities. So let's leave our safe zones, take a chance, think out of the box!

Many thanks go to all the Lions in District 22W for their support this Lions Year. However we have several months to go and a lot of work to accomplish. I am sure I will be reaching out to some of you for some assistance!

It is a great time to be a Lion!! So, I am ending with words of International President Brian Sheehan!

Make it a great day!!

Fellow Lions,

As the weather warms up and Lion events resume for the spring, remember that membership starts with you. You are the best person to bring a new member into your club. A service project or fundraiser is the perfect opportunity to invite a friend or family member to be of service. The steadfast philosophy of "each one bring one" can immediately help to strengthen our membership numbers. Also, as we begin to complete another great year of Leo service with our now 14 clubs, remember that it may be the perfect time to talk to Leos about their continued personal message of service and transition them from the Leo Club to your Lions Club.

The Multiple District 22 Convention in Ocean City is just around the corner. I look forward to seeing hundreds of great Lions taking the opportunity to network, learn, and recognize achievements of their fellow Lions. Don't forget to stop by my Hospitality Suite on Saturday Night and meet some of the incoming members of the Cabinet for next year that will represent you at the Zone and Region levels.

Further in this newsletter, you will see the sign-up sheet for the June Leadership Training Sessions. Global Leadership Team Lead Tim Ganske and I will be building the schedules for the morning of training based off your requests. Please start to encourage all Lions to attend as these familiar and new topics are great ways to encourage motivation to grow, learn & serve. As you will see, the following courses will be available to for the Carroll, Washington and Allegany training locals.

President	Secretary Part 1	Secretary Part 2	Treasurer
Vision Screening	Recognition	Lions Portal / Salesforce	Membership

The Garrett County location will have an abbreviated lesson of the bottom four selections with the opportunity to have follow-up meetings after the two-hour training.

Ahead of the Mobile Screening Unit, we are encouraging clubs to work with their Zone Chairs, Region Chairs and the Global Service Team Lead to start to pattern what it means to work together to have a multi-day Vision Screening at a pre-existing community event like a carnival or a fair. You will find in this newsletter more information that can be submitted to me in regards to your club interest of testing out this sort of multi-club service project. Familiarize your club members now with vision screening through the June Training opportunity and let's work together to provide this service to our communities.

God Bless America!

Dear Lions and Leos,

"You are never too old to set another goal or to dream a new dream."

- C. S. Lewis

On Saturday, April 1, 2023, District 22W will be hosting the first LeoCon. At this time over 65 Leos are planning on attending the event that will take place at Mt. Airy Middle School. Motivational Speaker Gabrielle Balassone who is a mother, coach, lawyer, and 4-time survivalist of "Naked and Afraid" will begin the day by sharing her inspiring message with our Leos. The Leos will then engage in a variety of service projects and will finish their morning with lunch. We are very excited about this event and thank the Lions Youth Foundation (LYF) for providing grant funding for the event.

Saturday, April 15, 2023, is the last day to report on the third and final Vice District Governors Challenge to complete a project that benefits the environment. Please report your service to me at shcox@comcast.net and to Lion Champ at champzumbrun@gmail.com At the last cabinet meeting FVDG Jeremy Bair and I announced that all clubs who completed the three challenges and reported the service in MyLion would be entered in a drawing for \$100 with the winner to be drawn by District Governor Nadja at Change of Banner. The three completed service projects must be reported in MyLion no later than the June 15th to be entered in the drawing. Although MyLion will be changing with the new Lions Portal, service reporting for the 2022-23 Lions Year will still be completed through MyLion for the remainder of the year.

April 20-23, 2023 is our Multiple District 22 Convention. This year our Multiple District 22 can vote for an International Director of Lions Club International, and the candidate from our district for this office is Past Council Chair Brian Cox. There are two candidates running for this office and there will be an election held on Sunday, April 23rd. To vote, Lions must be certified as a convention delegate from their club by 10:00 a.m. and must be present at the District Business Meeting at 10:30 a.m. on Sunday, April 23rd. The only way to ensure that Brian is our candidate is by voting. Please attend the convention to vote for Lion Brian and all the candidates running for office. In addition to voting for 22W candidates, the convention is a wonderful opportunity to meet other Lions and learn more about being a Lion. Please register today using the links below. I look forward to seeing you at the convention!

Club Interest Survey
Shared Vision Screening Project for the Summer

Directions: In patterning footprints for multi-club Vision Screening Projects in the future for the Mobile Screening Unit, representatives from each county will be asking all local clubs to consider helping with a 2-day vision screening tentatively at their local county fair.

Tentative:

Washington County - July 15 and 16

Allegany County - July 21 and July 22

Garrett County - July 29 and July 30

Carroll County - August 4 and August 5

Frederick County - September 16 and 17

The goals would be multi-tiered:

1. Lay down a pattern for clubs to familiarize themselves with a multi-club vision screening ahead of the release of the Mobile Screening Unit.
2. Allow new members to be trained in Vision Screening and assist at training locations.
3. Obtain preliminary numbers for screenings at each county fair for SVDG Susan's year.
4. Accompany the Vision Screening with information about the LVRP Program.
5. Accompany the Vision Screening with Membership Outreach Information.
6. Accompany the Vision Screening with any flyers for local clubs to advertise upcoming events.
7. Allow Zone Chairs & Regions Chairs the ability to work with clubs in early stages of the year.
8. Allow each club the ability to do a shared vision project to enter into the new Lions Portal.

Please indicate your club's interest directly with District Governor Jeremy to participate.

EXCITING NEWS FOR 22-W

Once again Multiple District 22 has been given the opportunity to put forth a candidate for International Director of Lions Club International. There are two Lions from Multiple District 22 vying for this position. One of them is our own Brian Cox from 22-W. It is important that members of clubs in 22-W attend the Multiple District Convention in Ocean City this year in order to assure that our candidate, Brian, is the one chosen to represent District 22 on the Board of Directors.

Delegates to the convention must be present at the District Business Meeting at 10:30 on Sunday, April 23. Voting will take place at this meeting and all delegates eligible to vote must be in the room by 10:00 am.

It is important that clubs in 22-W send as many delegates as allowed to the convention and that delegates stay for the Sunday meeting to vote.

It is a great honor for a district to have a member on the Board of Directors of Lions Club International. Past Council Chair Brian has experience, time, resources, willingness and desire to serve in this capacity. Please register to attend the convention and cast your vote for Brian Cox for International Director.

Lions Assistance for East Palestine, OH

Through the Ohio Lions Foundation, Lions of District OH4 are providing residents of East Palestine, OH with gift cards to address citizens' immediate living needs.

The initial distribution of gift cards was held on Friday, February 24; the allotment of gift cards was exhausted in two hours time. A successor Lions gift card distribution is set for Wednesday, March 1, 2023 for local residents. These Lions gift cards, totaling \$10,000 to date, are assisting the community in helping meet their needs.

The Ohio Lions Foundation is the disaster relief resource which funds the in-state gift card distribution, as overseen by OH4 Lions clubs nearest East Palestine.

In communication with the East Palestine City Administration, state and federal agencies are providing the community with cleaning supplies, food and water to local residents impacted by the train derailment and its aftermath.

Lions who seek to assist the community are asked to send donations to:

Do you know of any Type I Diabetic Children . . .

. . . who could benefit from attending a session or two of summer camp at Lions Club Camp Merrick. I am a Type I diabetic myself, diagnosed at age 12. It was scary and I was sure I was the only pre-teenager in the entire world who had this dreadful disease. I attended a diabetic camp much like Camp Merrick, where I got to know other Type I diabetics. We bonded over the realization that we had to learn to live with our disease, not fight against it!

Campers stay in air-conditioned cabins with staff supervision 24 hours a day. Meals are served family style and a variety of healthy options are offered. Programs emphasize the importance of self-confidence, self-reliance and personal motivation in a fun-filled outdoor setting. Sessions start on Sunday and end on Friday in our facility located on more than 300 wooded acres with a spectacular view of the Potomac River.

Fifty-five years later, I look back on that camp experience and appreciate the tremendous difference it made in my life. As Co-Diabetes Chair for District 22-W and Secretary of the Emmitsburg Lions Club, I want to share this opportunity with you so that you can reach out to children you may work with as Community School Liaisons. I've attached a brochure from Lions Camp Merrick as well as a flyer announcing the dates for the 3 summer camps this year.

For more information, email Melissa Funkhouser at director@lionscampmerrick.org, call her at 301-870-5858. Of course, please give anyone who is interested in talking with me both my email and cell number below. Your Lions Club may have financial support if there is a need!

Please forward this to all who may know of children from 6-16 who could benefit from attending this camp. Thanks for your attention.

Take care, Emmitsburg Lion Secretary Dianne

National Memorial Day Parade

Lions of DC, DE, MD, VA, ETAL,

Yes! The Lions of Maryland, Delaware, Virginia and the District of Columbia are again going to participate in the National Memorial Day Parade on Monday, May 29, 2023. This is the 15th consecutive year in which we as Lions have participated.

The Float will continue to stress our more than 100 years of service and feature our areas of service and so we want our participation to be at a maximum this year. The float will feature our anniversary logo and the current President's theme. We plan to have with us on the float, Lion Veterans (identified by their Red, White and blue sashes) special Lion VIPs and other Celebrities that may enhance the image of our float.

We are normally seen by over 300,000 people lining the parade route which extends from 7th Street to 18th Street along Washington's famous Constitution Avenue. We are seen by millions on several cable networks and streaming on websites. Those of you who have participated in previous years will remember that there were many onlookers who waved and cheered for us as we passed by, and many received miniature flags from marching Lions who left the ranks to present them. To say this is the greatest Lions PR event of the year on the east coast is an understatement. Who wouldn't want to participate?

And it is a solemn honor to participate in honoring all those who have given their life for their country, along with all who are still serving (retired or Active). You will have goose pimples as you march down that great, historic Constitution Avenue passing the Washington Monument and the White House; you will never forget it. Even more unforgettable is when all the noise and music and cheering suddenly stops at 3 pm – it is eerily quiet - and then you hear the sound of a single bugle playing taps. Again, you'll never forget it!

To cap it off, all parade participants are invited to a fantastic BBQ at the Virginia home of PDG "Woody" Woodard. It's located in northern Virginia and is easily and quickly reached from the parade route.

Please accept this as our invitation for you to join us as a marcher if you are able, or on the float if you are unable to walk the route. Limited space available on Float, so please sign up early. We hope you are able to attend. Further details about sign-up and logistics will be furnished as they are received.

Sincerely,

Woody

JEFF HAWKINS AND LEADER DOG DOVE

Jeff Hawkins has been among the highest profile representatives of Leader Dogs for the Blind since receiving Leader Dog Gracie in July of 2012. Despite being diagnosed with an inherited form of juvenile macular degeneration in his early twenties which ultimately caused his blindness, Jeff enjoyed a successful managerial career in the paramedic industry for more than 20 years. During that time, Jeff spent ten years as an Ambulance Operations Coordinator where he directly oversaw a team of 500 employees and sat on several Detroit-area Emergency Medical Services committees, including the Medical Control Board, The Communications and Dispatch Advisory Board, and the EMS Quality Control Committee. Additionally, Jeff worked as a Field Training Officer for many years, taught telemetry, and communication at the Paramed EMS Academy, and was the President of the Oakland County EMS Association.

As his vision continued to deteriorate, Jeff realized he needed assistance in maintaining his ability to independently navigate throughout his community and the rest of the country. In 2011, Jeff contacted Leader Dogs for the Blind in Rochester Hills, Michigan to begin Orientation & Mobility (white cane) training. A year later, and after becoming proficient with his white cane, Jeff returned to receive and train with his Leader Dog Gracie, who worked at Jeff's side for nearly 10 years.

Gracie retired in early 2021 and handed the harness on to Dove, who continues to help Jeff once again live the amazing life he always has.

In addition to his professional successes, Jeff is an avid snow skier, a passionate ice hockey player, travels extensively, and has most recently discovered a love for wilderness backpacking. Jeff resides in a Michigan lakefront home with his wife, Linda, where they spend summers boating, jet skiing, water skiing, and enjoying other lake activities.

Jeff remains continuously passionate regarding public education on topics of visual impairment and blindness. He leads both by words and actions, serving proudly as an example of a person who is blind living an independent, active, successful, and extremely enjoyable life.

*This is a great opportunity to meet and hear from a Leader Dog recipient Karen Leonetti and her
Leader Dog Shanti.*

Karen Leonetti BIO

Karen is an avid organic gardener and loves butterfly and pollinator gardening. She collects medicinal herbal plants and beneficial flowers, enjoying textures and bold colors that she can see within her vision field. The aromas of these plants are mesmerizing to her as she enjoys the peacefulness of her gardening work.

Karen is a survivor of non-Hodgkin's lymphoma, diagnosed in 1993, at age 30, with a 6" large B cell, stage 4 cancerous tumor on her heart.

Her treatments included:

15 weeks of chemotherapy, 144 days of bone marrow transplant isolation at Moffitt Cancer Hospital, Tampa Florida. It was, however, the 15 days of heart directed radiation that caused the most damage; resulting in bilateral optic nerve atrophy in both eyes. In 1993 they did not know how to cover and protect a patient's eyes during radiation treatments. This vision loss presented itself slowly over the years.

She created her dream job by opening and teaching in her private holistic green home-based Preschool in Sarasota Florida for 17 years, named Earth Angel Preschool. She then went on to write and publish a children's nutritional storybook called the "Yummy Tummy Rainbow Garden", after moving to the Western NC mountains in 2013.

Karen is now legally blind with only 5° of vision, like looking out through a paper towel tube. Due to this restricted field of vision, she has fallen multiple times and has broken her wrist and shoulder. Her vision is central with no peripheral, lower or upper vision. Karen realized that she now needed the assistance of a highly trained guide dog to help keep her upright.

Her first step was to complete her orientation and mobility training on how to travel safely with a red-tip cane. She then applied to Leader Dogs for the Blind in Rochester Hills, Michigan. The comprehensive application process included completing doctor appointments, referrals, and recipient video demonstrations and interviews. It was now an exercise of patience and faith on the process of being approved for her own Leader Dog. Leader Dogs' job was to finish training the perfect guide dog "match" just for Karen. She excitedly received her approval phone call and LD set a date for "home delivery" with Guide Dog Mobility Instructor Kevin Ihrke to arrive in Black Mountain, NC. Her 10 days to train with her new guide dog, "Shanti" was soon approaching! Her training and bonding with her new guide was a huge success! Karen's life has not been the same since LD "Shanti" arrived at their home and into her heart May 25, 2021.

Her husband, Danny, has been a supportive husband since 1984 and his life was about to change as well. "Shanti" has not only given Karen so much more mobility, freedom and joy; but also has allowed Danny to "let go," and not worry about Karen's safety. This newly formed family is BLESSED to be a "terrific team" and to share the miracles of the direct results of the Lions Club donations, and others, to Leader Dogs for the Blind.

They warmly thank you all from the bottom of their "ROARING" hearts for assisting to enrich their lives so DEEPLY. They too, have decided to reach into the "Service- hearted Lions community" by joining Valley Springs Lions Club in Asheville, NC January 2022.

To our Lord Jesus Christ, they give HIM praise and glory ! And may you always follow your heart and hear the flaps of butterfly wings and the proud prance of a Leader Dogs Paws.

Due to this restricted field of vision, she has fallen multiple times and has broken her wrist and shoulder. Her vision is central with no peripheral, lower or upper vision. Karen realized that she now needed the assistance of a highly trained guide dog to help keep her upright. Karen's life has not been the same since LD "Shanti" arrived at their home and into her heart May 25, 2021. Karen and Danny joined the Valley Springs Lions Club in Ashville, NC January 2022.

We are looking forward to having a large representation from your Lions Club.

We will have an auction again this year.

If you have items for the auction, please call Region Chair Rachel Graham 410-596-3641 or e-mail her at rgraham0527@yahoo.com by May 8th to let her know what you have and bring them to the Leader Dog Banquet on May 11, 2023

We are only 107 days away from LCIcon 2023 Boston July 7-11, 2023!! Please click on the link above to learn about what happens, why you should attend, and how to get started.

As Multiple District 22 International Convention Chair, I want to provide you with as much current information as possible so you can have a great experience.

- There will be an information table at the Multiple District 22 Convention in April. Please stop by!!

There will be a sign-up sheet for persons interested in taking a bus. I need to know the amount of interest so we can make arrangements. You can also email me at nmmuchow@comcast.net.

There will be a sign-up sheet for those wishing to purchase a Boston International Convention pin for \$10.00 designed by Zone Chair Leon Cardiff. They have been ordered and it is my hope that we have them in time for Multiple District 22 Convention.

- I am recommending that people share hotel rooms to decrease the expense
- The Parade of Nations is Saturday July 8, 0930-1300. I will have parade attire with me at the Multiple District 22 Convention (vests, hats, visors). The parade attire is a white shirt, white slacks, white belt and white shoes. We have been added as a non-competitive marching group.

Due to the low number of XS, S, and M vests in my possession, it would seem that Lions might have kept their vests and not turned them in as requested after Montreal. If anyone already has parade attire, plan on bringing it with you to Boston.

- The Mid-Atlantic Breakfast in Boston will be held Sunday, July 9, 2023 from 7:30-8:30 a.m. at the Hampton Homewood Suites Seaport Hotel in the Joseph T. O'Callahan Ballroom. The cost of the breakfast is \$40/person. Hopefully, I will have tickets for sale by the time of MD22 Convention.
- I have completed the request for a hospitality room at the Hampton Homewood Suites Seaport Hotel with designated hours July 7-10.

Chewsville Lions Club

March 7th Charter Night

The March 7th meeting was a celebration of our 68th Charter Night. Lion Lee Williams served as our MC for the night. Vintage telephones were part of the decorations to celebrate Alexander Graham Bell's birthday. Bell invented the telephone, but he also played an important role in how Helen Keller became associated with the Lions Clubs International. Keller and Bell are the guiding spirits of Lions International, after being asked by Helen Keller to become her knights of the blind in 1925. The theme for our Charter Night was "Lions Communicating through Service". Many photos, awards, and newspaper articles were on display of the original Charter members.

District Governor's Medal of Commendation

Dawn Tice - During the past 5 years of service this Lion has demonstrated her relentless devotion to the Chewsville Lions Club. This person is always working in the background and stays out of the spotlight, however, will work tirelessly to get the job done. This is the person you can always contact when you need help with a project or event and will never say NO! This person is always willing to lend a hand to help the club, the community or her church. In September 2022 she helped organize the 1st Annual Trunk or Treat that was Co-Sponsored by Bethel United Methodist Church. She organized all the crafts and food. She also took all the pictures for the event. The event was an enormous success for the club with over 200 community members attending. This person is also the Editor of our newsletter and does an amazing job celebrating our club. She is extremely hardworking, dependable, and devoted to our club and community. Dawn exemplifies the Lions motto, "We Serve"! She is an inspiration to all Lions. Because of her actions and devotion, Dawn Tice exemplifies the best traditions and ideals of a Lion and clearly deserves the District Governor's Medal of Commendation.

Lee Williams - This person has been a Lion for 34 years with the most years of service in our club. His Lionism, integrity, volunteerism, devotion to his family, club, and church along with his exemplary personal conduct have won the respect of all that know him. He has consistently been a loyal member of the Chewsville Lions Club, giving unselfishly of his time to help the club and the community he serves. His outstanding qualities of leadership, combined with his enthusiasm and devotion to the Chewsville Lions Club, were responsible for the significant contributions he made in furthering our club. He was a vital part of the Vidalia onion fundraiser, the Master of Ceremony of our Friendship night, and ran the food stand for the Trunk or Treat in the fall. This member played a crucial role in this year's Charter Night which we are celebrating tonight as our Chairperson. He not only organized the event but came up with our theme "Lions Communicating Through Service". He not only lives up to this theme; he is a true Lion! Here is a special trivia fact about this Lion Club Member. This members birthday is the exact date and year that the Chewsville Lions Club was chartered, February 22, 1955. He was truly meant to be a Chewsville Lions Club Member and we are blessed to have him! Lee Williams's commitment to his family, club and community clearly demonstrates that he deserves the District Governor's Medal of Commendation.

President's Awards - President Ken Tice

Ron & Carlene Crawford - This couple has been with us almost 2 years and are such a hard-working and dedicated couple to our club. They will do anything you ask, always eager to help set-up and clean-up after the meetings. They are always there to help with every service project and serve the community in any capacity needed. It is my privilege to honor you both tonight with the President's Appreciation Award for your service to the Chewsville Lions Club and your Community.

Kendra Williams - This is an incredibly special person to our club. I am sad to say she is unfortunately not a member of our club. We hope that one day if we are fortunate enough, she might become a member. She has volunteered not once but twice to make a large amount of food for special occasions for our club. She first did this for us at our Friendship night. It was so delicious we asked if she might be willing to do it again. She is the chef tonight that made the lasagna and garlic bread. She is also a wonderful baker that sends us wonderful treats for our meetings too. We cannot thank her enough for all that she does for our club. On behalf of the Chewsville Lions Club I would like to honor Kendra Williams with the Club Appreciation Award.

Lion Pastor Jim Johnson - This Lion recently joined our club, but he is not new to the Lions organization. This member has helped revitalize our club by welcoming us back to where we were first chartered back on February 22, 1955. As a result, our club has now come full circle. We are back home at Bethel United Methodist Church because of this person and serving the Chewsville community. We would like to thank Lion Pastor Jim and the Bethel United Methodist Church for welcoming us back and allowing us to meet in the Life Center twice a month. We have Co-sponsored numerous service projects with the church that served the community such as Trunk or Treat, Coat Drive, Thanksgiving Baskets, Blessing Box for the hungry, Toys for Tots, Blood Drives, Miccah's Backpack program, and the upcoming Easter Egg Hunt. We would not have had this opportunity if it would not have been for Pastor Lion Jim. He does everything at the club meetings from helping with set-up to clean-up and to audio function. He is always there to lend a hand. His devotion to his family, church, his community, and club are unwavering. On behalf of the Chewsville Lions Club, it is my honor to present the Presidential Appreciation Award to Lion Pastor Jim Johnson.

WELCOME

(Ruth) LaVerne Littrell

FOOD BANK

Lion Gary Bennett

We collected 35 items for the food bank at our meetings in February. For the fiscal year, we have collected 303 items. All items were delivered to the Frederick Food Bank and placed on shelves. Thanks to Lion Colleen Krehely who arranged for a donation of \$25 from Weis which accounted for 15 of the items in February. If you have items for the food bank, please bring to our meetings and Lion Gary will deliver. If you donate apart from the club, please let Lion Gary know so he can document.

Freedom District

The Freedom District Lions Club (FDLC) had a full agenda for their March 8, 2023 dinner business meeting. Following dinner, Kate Renehan assisted by her daughter, Abby Cafiero, told the Lions about Abby's treatment and experience dealing with a rare form of brain cancer detected when she was age 4. Based on their experiences, they determined that a wagon is very useful for children undergoing hospital treatment for cancer and they formed "Abby'sCarts of Courage", a non-profit foundation to provide wagons to children with cancer. The wagons can carry not only the child but clothing, toys, etc.-much more convenient than a stroller or other vehicles, Lion Mike Shavatt, a member of the FDLC Childhood Cancer Committee presented a check from the club to Renehan and Abby to help fund their charitable work.

Next, Lions Jane Jung-Potter and Rochelle Schneiderman (FDLC Educational Services Committee Co-Chairs) presented this year's annual Freedom District Lions Academic Grants. For 10 years, the service club has been giving the grants to 3 of the 9 public schools in their area on a 3 year rotation. This grant is to be used to benefit students in whatever way the local school administrators believes is the best use of the funds. This year's recipients were Linton Springs Elementary School, Sykesville Middle School and Liberty High School.

Lions Clubs International recognize length of service by members who have served for 10 years and in 5 year increments thereafter. On behalf of International President Brian Sheehan, Past District Governor Barbara Brimigion (member of the FDLC) presented chevrons recognizing their length of service to 7 members.

Other business, including the presentation by the Nominating Committee of a slate of officers to serve from July 2023 through June 2024 and several other committee reports were conducted before President Matt King adjourned the meeting.

Pictured left to right following the presentation of a donation to "Abby's Carts of Courage" are FDLCL President Matt King, Kate Renehan, Abby Cafiero and Lion Mike Shavatt.

On a cold and blustery March 14, 2023, members of the Freedom District Lions Club conducted a regular trash clean-up and inspection of Freedom Park in Sykesville. Led by Lion Wu Scheafer, Lions Tony Dercola, Tony Ramirez and Bernadette Phillips PICTURED LEFT TO RIGHT, the Lions covered the entire park and picked up trash. The next clean-up day will be April 11, 2023.

The Freedom District Lions Club delivers toys to Sinai hospital where children receive their cancer treatments on an out-patient basis. Every three months Several members of the childhood cancer committee take turns purchasing games, toys, and stuffed animals for the use of the children while they receive their treatments. We have another member of the committee, Bernadette Phillips who is now providing books for the children. These toys and books must be taken home with the child if they play with an item, since no other child can play with the same item due to the children having low immunity to the spread of other illnesses.

Century High School's Leo Club had a blanket making party for the children at Sinai Hospital as one of their community service projects. The Freedom District Lions Club delivered seventeen blankets to the hospital for the Leo Club. Thanks to the Leo Club the children in the outpatient clinic and the hospital will have a warm blanket to use when they receive their cancer treatment. A delivery of toys, games, stuffed animals and books and blankets was made to the hospital on March 16 th . Lineboro-Manchester Lions Club

Dear Fellow Lions,

Recently the Lineboro-Manchester Lions Club did a major overhaul of their website, to make it current and user friendly. Please take a minute to check it out, www.lmlions.org. We wanted something fresh and easy to update as needed. Our old website was a code-based program using technology from the late 90's, which made it difficult to update and navigate.

We are grateful to have had a very generous and anonymous donor to fund this project. I met a couple, Lera and Lev through a cousin while they were visiting here in the United States. We contracted them to do the upgrade and they did a wonderful job. Lera is a marketing and advertising specialist, and Lev is design and web development. They were always very responsive and professional. Without hesitation, we highly recommend Lera and her husband.

The traffic to our new website has been 10-fold. The more people we have looking at our site will only bring new members, ideas and helping hands. **Many hands make light work!**

I wanted to pass their information along to you, should your club find the need to create or update their website. If you have any questions, please feel free to contact me @ andydemario@gmail.com or you can contact them directly at: lerasunflower@gmail.com and at <https://www.linkedin.com/in/valeriia-sergeieva/>.

**SERVICE
AWARDS**

Mount Airy 4-County

At the Regular March 14, 2023 Meeting of the Four County Lions Club, (Memories Charcoal House) The Club was honored by a presentation from Ms. Cindy Morgan, Executive Director of Steadfast (Standing Firm Against Youth Homelessness)

Steadfast a Frederick County Maryland Program Mission is to provide safe housing in a caring, supervised and home-like environment for unaccompanied homeless youth and for youth transitioning out of foster care.

Steadfast purpose is to provide safety and stability for the growing number of youth encountering homelessness by providing safe housing. Using a holistic approach, we address the individual needs of each youth, provide character building activities, mentoring, educational and life-skills programs as well as counseling and connection to resources in our community. By increasing stability in their life, we empower the youth to create their future story and reach their greatest potential as healthy, independent adults according to Cindy.

South Carroll

Past District Governor Susan Bonura, President of the South Carroll Lioness Lions Club, presented a Certificate of Recognition to Kari Kelly, Children's Services Supervisor, at the Carroll County Public Library in Eldersburg on Monday, February 28. The library has been helpful to the South Carroll Lioness Lions Club by providing assistance with Roar Like a Lion Projects, collection of gently used tennis shoes and sneakers for their Sneakers for Abby project, and collection of plastic bags for recycling into a park bench. Bonura stated, "the Eldersburg branch of the Carroll County Public Library has been an excellent partner in our community outreach programs and we appreciate their cooperation and assistance." For more information about the South Carroll Lioness Lions Club, email southcarrolllions@gmail.com.

Past District Governor Susan Bonura (left) is shown with recipients of donations from the South Carroll Lioness Lions Club. The club distributed checks to Carrie Dell, Crisis Intervention Specialist for Rape Crisis Intervention; Janet Boyd, Executive Director of ESCAPE Ministries; Brenda Meadows, Executive Director, Shepherd's Staff; and Jen Maust, Director of Development, The ARC of Carroll County who were the guests of the club at their March 2 meeting at Messiah Lutheran Church in Sykesville.

The South Carroll Lioness Lions Club donated \$3,300.00 to several Carroll County agencies and non-profit groups during the month of March. Donations were made to The ARC Carroll County, Shepherd's Staff, BridgingLife, Carroll Hospital Foundation, ESCAPE Ministries, The Literacy Council, Rape Crisis Intervention Service of Carroll County, Sykesville Freedom District Fire Department and Target Community and Education Services.

Brenda Meadows, Executive Director, Shepherd's Staff; Jen Maust, Director of Development, The ARC of Carroll County; Janet Boyd, Executive Director of ESCAPE Ministries; and Carrie Dell, Crisis Intervention Specialist for Rape Crisis Intervention were the guests of the club at their March 2 meeting at Messiah Lutheran Church in Sykesville.

Meadows thanked the club for its donations to the Blessings Closet and for Easter baskets. Shepherd's Staff is 100% supported by donations.

Maust thanked the club and spoke about the individuals they serve by teaching life skills. They serve clients after high school and teach life skills. The ARC has eight homes in Carroll County where some of their residents live. Their Meaningful Day Program disassembles used cards and makes new cards that are sold, 8 for \$5.00.

Boyd said that ESCAPE Ministries helps with housing, food, fuel, and car repairs. They have an office at Messiah Lutheran. They also have a bag lunch program which our club supports by making the lunches. Dell said that most cases are not reported, but they have a 24 hour hotline to speak with volunteers. Their volunteers support those having a forensic exam and they provide free therapy to those in need.

Clean-Up at Krimgold Park:

We had a good turnout on Sunday, Feb 26th to participate in this District 22W Environmental Challenge: Lion Tom Harney, Lion Bob Garber, PCT Forrest Hudspeth, PDG Barb Brimigion, Lions Pauline & Charles Rosier, Lion Steve and Joanne Davis, Lion Kenny and Sandy Wean. We also had two SC Leos: Leo President Aubrey, Leo VP Emmy with parent advisor, Melanie Schroeder. The weather was bright and sunny with a little chill and breeze in the air. We notified the Friends of Krimgold Park and they plan to put our picture and information into their newsletter.

Guest Speaker at our Business Meeting on March 13th.

Michele McGuinness from the TrotSAR Mounted Search and Rescue Team Inc came and gave a very interesting talk about this non-profit organization. They assist federal, state and local government agencies by providing certified search and rescue responders who are mounted on horseback for lifesaving missions of people who are missing, lost, deceased, injured and stranded in a variety of terrain and conditions: wilderness, rural, suburban areas or in Wide Area Search missions within the Mid-Atlantic Region. There are some restrictions such as: icy roads, deep snow, extreme high winds or swampy areas. They are on call 24/7. Since they do not receive funding from local, state or federal governments, funding comes from donations, grants and tack sales.

The speaker recommended that you should always have some supplies in the car: Carry a cell phone and have a power bank available. You should have a GPS phone app installed. In your emergency bag in the car: poncho, mirror to reflect light, whistle, knife, head lamp, solar power flashlight with lithium batteries, bandana, tissues, notebook, chemical glow stick to attract attention, first aid kit, and bug spray.

For more information, go to: www.trotsar.org

Don't forget to call 911 for missing people.

Pres. Leonard Wantz, DG Nadja Muchow & 2nd VP Wayne Sherfey

At our last meeting Region IV Chair Rachel Graham introduced District Governor Nadja Muchow who was with us for her official visit. She has been a Lion for 30 years and her motto this year is Empowering Change Through Service. She spoke to us about securing a grant from LCIF, making our club healthy by uncovering issues within the club and bringing forth new members and ideas. She then held an open conversation with the members on our thoughts about the club. The District Governor presented the Lions Spirit Award (which is given to a Lion from the recommendation of the club president) to 2nd VP Wayne.

Benefit Breakfast (Contributed by PCS/AA Susan Favorite/Membership Chair)

We will be holding a Benefit Breakfast at Bell Hill Farm on April 29th from 7:00 – 11:00 am. The benefit is for Bentley Wetzell, who is John Dowling's great grandson. Many of you know John from the Senior Center and a past TLC Volunteer of the Year. The little tyke is about 7 months old now and he spent most of his life in hospitals. He was born without an outlet to his intestines. This was "built" for him and he is now processing food normally. He has also had an issue with his throat muscles and swallowing liquids - they are hoping to get him off the feeding tube in the near future. Bentley's parents are very grateful for the assistance as much of this (while we consider it necessary) is considered "cosmetic" surgery. As you can imagine, the bills are mounting quickly. He has had 5 surgeries and is facing at least one more in the near-term. As we start signup sheets, please consider helping to get this benefit completed and spread the word so we have a huge turnout. Thank you. (See attached flyer)

Youth Night *(Contributed by Lion Dianne McLean)*

Thurmont Lions Club's Youth Night was held on February 22, 2023. The program was started with brief remarks from both District Governor Nadja Muchow and Second Vice District Governor Susan Cox. Youth from Thurmont Middle School, Catoctin High School, Mother Seton School and Sabillasville Environmental Charter School were recognized for their participation in District 22-W Essay and Peace Poster Contests and Leo of the Year. Awards for the essay winners were presented by Lion Larry Steinly and District Essay Chair, Lion Bev Nunemaker. While only one Peace Poster winner was in attendance to receive her award, the remaining participants will have theirs delivered to their respective schools.

Leo of the Year for Thurmont Middle School was Leo Isabelle Smith, and Leo of the Year for Catoctin High School was Leo Helen Xia. Each student exemplifies leadership skills as President of their respective clubs, as well as maintaining excellent academics.

Congratulations to all the students who participated in these LCI youth programs, and many thanks to chairpersons Lion Larry Steinly and Lion Julie Eiseman and their committees. Also, thank you to the Youth Night committee: Lion Gayle DiSalvo and Lion Nancy Echard.

Education Night (Contributed by Lion Stephanie Steinly)

The Thurmont Lions Club Education Night will be held on April 26 at 6:30 pm at St. John Lutheran Church. This is a night where we honor outstanding educators and students in the Catoctin feeder area. This year, the club will honor the one teacher from each school who was nominated for the Frederick County Public Schools' Teacher of the Year. Service awards will be presented to the Thurmont Middle School Lion Jr. and the Catoctin High School Lion for accruing the most service hours for their respective schools. In addition, the Scholarship Committee will present the scholarships to deserving students. It would be great to see our Lions come to this event and support our educators and students!

Scholarships (Contributed by Lion Bill Reckley)

The Scholarship Committee has made applications available to students for four \$1,000 college scholarships and two \$500 vocational school scholarships for seniors attending Catoctin High School (CHS) or students living within the CHS boundaries who may be homeschooling. Awarding scholarships to deserving high school students is one of the great ways the Thurmont Lions Club serves our community. The committee will receive the applications by mid-March and the scholarships will be awarded at the annual Education Night meeting on April 26, 2023. Anyone wishing to receive an application form should contact Lion Bill Reckley at wreckley@aol.com.

Thurmont Lions Club Welcomes Guest Speaker
(Contributed by Lion Joyce Anthony)

WOW! What an exciting and interesting program. Our guest speaker was Lynn Poole from Ukraine but lives in Frederick, Md. Lynn supports the Saint Andrews Ukrainian Orthodox Cathedral which was founded in 1949 and has been the source of help to all who sought it. Their Humanitarian Center (501©3) organization was formed well before the full-scale invasion of Ukraine, but now they have tripled their efforts to help Ukraine even more. It is a volunteer organization; they have several fundraisers and ship supplies to Ukraine. Their needs are continuing monetary support, non-perishable food, warm clothing, medical support and equipment, hygiene items, etc.

The meeting also served as a service project for the club. (Pictured L-R: President Julie El-Taher; Speaker Lynn Poole) Numerous items were collected to help the Ukraine families in their daily lives.

Westminster Lion Club Feeds the Hungry!

We're continuing to provide groceries to residents in need through the \$12,000 we received through grants from the federal Emergency Food and Shelter Program. This month, we stocked a food pantry at the Church of the Brethren and helped a local veteran.

WHS Leos:

The Leos are excited for 2023! The Leos have been attending some Glade Valley Lions as well as Thurmont Lions meetings. We hope to build our relationships with the Lions more as the year continues. We have been connecting with the Walkersville Middle School Leos. We had a meeting with them to discuss projects at WHS, as well as how our meetings are run and how we work to stay organized.

We have been visiting parks in the community and picking up trash around the area. On February 25th, several Leos came to Heritage Farm Park to clean up the park. We have another trash pick-up scheduled on Sunday, March 12th at 1:00 o'clock at Utica Park.

An Update of the South Carroll Leo Club:

Submitted by Lion Advisor Pauline Rosier

On February 26, Leo President Aubrey and Leo Vice President Emmy helped their sponsoring Lions club with the Vice District Governor's Environmental Challenge by picking up trash at Krimgold Park.

At the March meeting, the Leos packed 20 "8 Can Taco Soup Kits" for the Mt. Airy Net. They also rolled 5 trash bags together with a rubber band around them and gave several bundles to Shepherd's Staff for the Blessing Bags.

Leos Aubrey, Adam, and Maddie played bingo on March 18 with 10 residents at Sun Valley Assisted Living.

On March 21, Leos Emmy, Micaela, and Michelle volunteered at the Baltimore Humane Society by cleaning three multi-level cat play towers to be placed in the enclosed cat patio. Also in the same area they placed blankets, bedding and tunnels for the cats. Outside the patio, the cement sidewalk was swept. The Leos also did some cleaning that was needed inside the building.

Six Leos assisted with the food distribution on March 22 for the Westminster Rescue Mission. On February 22, Leos Elizabeth, Micaela, Michelle, Sadie, Todd along with Lion President Tom and parent Advisor, Melanie gave out food for 36 families, which included 15 new families, and 144 individuals which amounted to 2773 pounds of food.

Leo Vice President Emmy, Leos Sadie and Todd will be attending the 2023 Leo Com on April 1 at Mt. Airy MS starting at 9 a.m. and ending at 12:30 p.m. The day will include service projects, meeting Lion Dignitaries, lunch, snacks, new friendships, and motivation speaker Gabrielle Balassone. Our Lions are welcome to attend.

Those Leos who are available will be helping the Lions with their Bingo on April 15.

Thanks to Lion Kenny and Sandy for purchasing the Leos t-shirts which they wear proudly while doing service in our community.

As you can see, the Leos had a busy March and are still coming up with ideas for service such as: "Hot Meals to Go", "Dinner Kits to Go", and packing disaster relief kits at Calvary UM Church; and possibly helping with a Soup Kitchen in downtown Frederick along side the Walkersville HS Leos.

Celebrate the
Salisbury Lion's Club
100th Anniversary

THE ROARIN' TWENTIES!

May 20, 2023

WICOMICO CIVIC CENTER
SALISBURY • MD

formal invitation to follow

To: All Multiple District 22 Clubs and all Lions Leaders,

The Salisbury Lions Club will be celebrating our 100th Anniversary on May 20, 2023.

The location will be the Wicomico Youth and Civic Center in Salisbury, Maryland. preparations have been underway since the fall of 2022 to make this an entertaining and enjoyable evening. We are requesting that all clubs announce this event to your members, so that they can mark their calendars to join in the celebration. Please note a separate series of emails will be forthcoming with event details.

A vital part of making this event successful is to have clubs, individuals, and businesses purchase ads in the Anniversary Program Book. A schedule of sizes and associated costs follows. The cost of \$50/person does not cover the club's expense due to increased related event and facility cost. That said, it would be appreciated if your club could consider placing an ad in the book. Please include a copy of the message you wish included in an electronic format (vector image preferred for sizing resolution if possible)

There is also a special Tribute form of ad. Your club can honor an individual member or nonmember living or deceased that has been a key service contributor to your organization. This acknowledgement will be displayed on a large video screen during the cocktail reception and dinner hour. These will be displayed on a play list and will loop continuously during those times. **We are encouraging all clubs to participate.** Let us make sure that this year's program includes an ad from as many clubs as possible in Multiple District 22.

We plan to have excellent fellowship, food, presentations, speakers, live entertainment, antique cars, and most of all great fun. Our theme will be the Roaring Twenties since we were chartered in 1923!

Please submit your **club program book** and **tribute ads** along with your check, payable to Salisbury Lions Club, and mail to Lion Mike Miles at the address below, by April 24, 2023, so we will have time to prepare the program for the printer.

Yours in Lionism,
Mike Miles

To Whom It May Concern:

As we recover from the impact of the Covid pandemic from the past few years, we are excited to serve our community in our traditional ways once again and sustain our key Lion causes. We have supported three of those charities with the Lions Clubs Golf Tournament for the past 21 years, even during the last few challenging years with the Covid Pandemic. Planning for the 2023 Tournament on May 26th is well underway and a vitally important event for these deserving charities. We hope that you are able and willing to partner with us this year. Regardless, we wish you and our community health and safety in 2023.

Volunteers from six Carroll County Lions Clubs – Deer Park, Freedom District, Greater Carroll, Roaring Run, South Carroll Lioness-Lions and Taylorsville/Winfield will be hosting the 22nd Annual Lions Club Golf Tournament in Honor of Richard Liebno, on Friday, May 26, 2023 at the Oakmont Green Golf Course, 2290 Golfview Lane, Hampstead, MD 21074.

100% of the money raised through Sponsorships will be donated to the American Diabetes Association®, utilized for diabetes research, the Lions Vision Research Foundation, Inc., utilized to support low vision research and rehabilitation and Abby's Carts of Courage (pediatric cancer). Below we have provided additional information on each of these charities. Last year, we raised over \$17,000 that was donated directly to these causes! With that success, this tournament has eclipsed \$154,000 in donations to these worthy causes... now on to \$200,000!!!

We are asking for your support through Sponsorships. In appreciation, your support will be recognized and Marketed in a number of ways:

- Signage at the golf course, an individual Banner and/or Golf "Tee" sign based on your level of sponsorship (see below)
- Sponsorship Information is listed in the Tournament Event Program given to every golfer
- Announcements the day of the event and in the Lions Clubs' newsletters
- Inclusion in press release articles submitted to local print media and Facebook

Please indicate the level of Sponsorship you support below or on the enclosed tri-fold brochure/form. This form can also be used to register for a great day of golf!

In addition to monetary sponsorships, we are asking for golf foursomes and in-kind donations. Such as tickets, gift certificates, etc. Anything you can do would be greatly appreciated. Checks, made payable to Lions Clubs Zone III Fundraiser, or Deer Park Lions Club Foundation or in-kind donations can be mailed to:

The American Diabetes Association® (ADA) provides research, education and advocacy to people throughout the state of Maryland who are affected with diabetes or at risk for developing the disease. The ADA also funds research throughout the country to improve the lives of people affected by diabetes, including more than \$4 million dollars in research last year in Maryland alone. Thanks for helping the ADA to continue its mission: to prevent and cure diabetes and improve the lives of all people affected by diabetes. www.diabetes.org/in-my-community/local-offices/baltimore-maryland/

The Multiple District 22 Lions Vision Research Foundation, Inc. (LVRF) is a private, nonprofit organization. The primary purpose of the LVRF is to support low vision research and rehabilitation to minimize the disabilities caused by low vision and blindness. The objectives of the LVRF are being met through its partnership with the Lions Vision Research and Rehabilitation Center at the Wilmer Eye Institute of The Johns Hopkins Medical Institutions, Baltimore, Maryland. www.lionsvision.org

Abby's Carts of Courage gifts children with cancer a new wagon to help them maneuver through their cancer journey. Often, cancer and its treatment leave patients fatigued and weak. Filled with items to help keep their mind off their diagnosis and refuel their spirits, these gifts are a true blessing to both the child and their caregivers. Each wagon comes packed with a variety of comfort items such as blankets, slippers, nightlights and heating packs, many of which are hand-picked by Abby based on surveys each recipient fills out.

Thank you again for considering this request.

The Greater Carroll Lions Club's 18th Annual

Walk in Westminster

to benefit

Diabetes Research & Lions Camp Merrick

This year, we are asking you to join us to keep steps up in two ways:

- 1) a daily individual walk challenge throughout June
- 2) a 5K walk on May 27th at 10am in Westminster

Participants are asked for a donation of \$20 and pledge to walk every day in June or at
the 5K walk. All participants receive a t-shirt to wear during the month long challenge.

Sign up with Lion Ryan at 443-744-2018 by May 1st to ensure a T-shirt.

The Greater Carroll Lions Club is raising money to benefit these main initiatives:

Diabetes Awareness & Research: Lions Clubs International – the world's largest
volunteer organization – announced in 2017 it will mobilize its 47,000 service club
in 200 countries around a new signature cause - the global diabetes epidemic. The
organization, founded 103 years ago, unveiled diabetes as a new focus for its 1.4
million members.

Lions Camp Merrick: Located in southern Maryland, Lions Camp Merrick offers
non-stop fun for local children who are Deaf, Blind or are Type 1 Diabetic and are
between the ages 6-16. Campers will participate in a "traditional overnight camp"
experience supervised by trained and caring counselors. They also offer Family
Diabetic Camp and Sibling Diabetic Camp for type 1 diabetic campers and their
family members.

About Mason Strong Village

Mason Mazzuca was a warrior and superhero who fought his T cell Acute Lymphoblastic Leukemia all the way through March 9, 2018 when he was finally free of his pain. He inspired all who surrounded him to turn to the positive, live every moment to the fullest and to always "choose JOY." Mason lived more in his six years than many do in a lifetime.

We have been deeply moved by the village of support we received throughout Mason's treatment and to all the other warriors we watch battle with grace. With that inspiration we are moving forward, turning to the positive and have formed this foundation, the MasonStrong Village. With your help, the MasonStrong Village can carry out it's mission: to provide comprehensive support for pediatric oncology patients and families by facilitating connections to resources, connecting families with similar diagnoses, funding research for cures and spreading joy and hope.
