FROM THE DESK OF:

DISTRICT GOVERNOR JEREMY BAIR

On behalf of the new cabinet, I want to reaffirm our wishes for a great year of service, teamwork, and member recruitment. During the Change of Banner, I highlighted personal messages of service for my Cabinet members to help guide ideas for recruitment and growth among all our clubs. We have cabinet members who are/were:

- Former Eagle Scouts
- Former Fraternity Presidents
- Local Civic Leaders
- K9 Trainer
- Those strongly aligned with faith
- Members of families with military service
- Educators
- Those with strengths in the performing arts
- Generational Lions
- Local Business Leaders

We also had the 130+ Lions at Change of Banner point to the Lion who will bring in the next best Lion. Let's see whose predictions come true. I'm making a list, and checking it twice. With Mission 1.5, laid out by our International President Patti Hill, membership will be that quantitative data point that help keep clubs supported and strong in service. Can you imagine the "each one, bring one" mentality if followed by all 130 Lions at COB?

It's been great to hear all the ways Lions are out in their community and serving as local support while I visit twenty of our clubs in the first 45 days of this Lion year. Please keep informed of the Vice District Governor Challenges to consider more service projects geared toward your communities.

You still have a few more days to sign up for the first Cabinet Meeting of the year to be held by the LaVale Lions Club on August 19th. Please consider joining us if you have not already made plans to do so. Our Zone Chairs and Region Chairs have been gathering first quarter reports and we look forward to hearing about the great achievements of early summer and projects for the next several months. Don't forget to start logging your service hours on the website and celebrating your club's successes.

During the International Convention in Boston, I met our International Speaker for the October 7th District 22W Social, Judge Anthony Paradiso. He's excited to join us for the weekend and will be focused on meeting clubs out in their community during and events. I have begun building a road map for our travels ahead of the big night in Frederick. Also, keep an eye out for Social information from PDG Andy DeMario Sr. and Lion Emerson Bair.

I would like to repost a couple links that Lions were having difficulty in accessing last month:

FROM THE DESK OF:

1ST VICE DISTRICT GOVERNOR SUSAN COX

Dear Lions and Leos,

"To accomplish anything you must first have a mission, a goal, a hope, a vision."
— Rick Warren

This year Global Membership Team Coordinator Lion Lee Miller and I will be sharing the new mission, goal, hope, and vision of Lions International, MISSION 1.5. Our new mission is to grow our organization to 1.5 million members by 2027. This is especially exciting for our district and Multiple District 22 because the 2027 International Convention will also be hosted by MD 22 in Washington, DC.

To reach the goal of 1.5 million, we must have hope, but more importantly we must have a vision to accomplish our mission. District Governor Jeremy has created a goal to grow our district this year, and each of us is responsible for meeting that goal.

Lions International has created The Global Membership Approach as a four-step process that has been proven to increase both member satisfaction and new member recruitment, as well as new club chartering. The four steps are build a team, build a vision, build a plan and build success.

Build A Team: Build a team of club officers to help support the Global Membership Approach.

Build A Vision: Build a vision, assess needs and set goals.

Build A Plan: Build a plan to achieve our goals.

Build Success: Execute your plan, maintain accountability and adjust as needed.

This month let's consider building a team. The team should include your current leaders, those members of your club who can help to develop your club's membership and who carry out and lead the development of the strategy. The team should also include future leaders, those Lions who will serve: Include Lions who can serve as future leaders or have held leadership positions, who can provide insight, support and are interested in the future of the club. To gain a full perspective of your club's needs look for a cross section of members who represent the club or in smaller clubs involve as many members as possible (established members, new members, young Lions, professionals) to both understand their needs and engage their talent.

At this point you have realized that because we are all responsible for growing our organization, we are all a part of the team to grow membership and we all have something to offer. I look forward to joining you at the cabinet meeting and zone meetings to begin the process of growing our membership, while retaining our current Lions. Don't hesitate to reach out to GMT Coordinator Lee Miller or me.

With sincere thanks,

Lion Susan Cox

2ND VICE DISTRICT GOVERNOR MARTIN BONURA

August 2023

What are Leaders? Take a moment to write on a sheet of paper four statements about your skills beginning with “I am a resource for.” Write a phrase like, “I am a resource for public speaking,” or “I am a resource who can speak Spanish,” or “I am a resource as an engineer,” or “I am a resource because I can cook.”

When you have completed your four statements, take a moment to read what you have written.

If everyone in your club did this exercise and you passed the papers around would this be a good way to learn about members and their skills and their passions? You could do this in your club and ask members to circulate around the room; reading other members’ paper. This is an active way to learn more about members in your club or district. It is also a great way to learn who are your leaders because leaders are resources.

Leaders are resources who bring skills, knowledge, and talents to each project. Leaders are motivators who inspire, encourage, and influence others to follow or to take leadership roles. Leaders are followers because without followership, leadership is nothing. This means that the key to success in leadership lies in the collective “we,” not the individual “I.”

Leadership is a process that emerges from the relationship between leaders and followers who are bound together by their understanding that they are members of the same Lions club. Lions are more effective leaders if they are one of us, share our values, concerns and experiences, and are looking to advance the interests of the group. Lion leaders are better served by ensuring that they are seen to be a good follower — as someone willing to work within the club or district.

These leaders use motivation encourages Lions to act. Leaders who motivate yield Lions dedicated to the cause and focused on the task. Lions feel engaged and remain interested. A key characteristic of leadership is to motivate people to achieve common goals. Leaders who are passionate about their work set an example and encourage their team members, driving them to do better. A leader who radiates motivation may promote good morale and encourage Lions to perform well.

What are leaders? They are those Lions who have the following characteristics:

- Relationships – social contacts, they are part of the group, the club
- Involvement – actively engaged, stimulated by club service projects
- Ownership – to be part of the planning of service projects and fundraising events
- Comfort – free to be themselves and not be judged by their fellow Lions
- Empowerment – given authority to make decisions and follow-up on those decisions
- Personal Growth – to learn or improve skills learning from other Lions
- Achievement – to have successful results and be recognized for their contributions
- Contribute – to have influence in what the club does
- Recognition – to be appreciated or rewarded for their merit
- Relevance – leadership opportunities, community projects, things that make a difference

If you have these characteristics you are a leader.

John Michael "Mike" Downton

June 14, 1950 - July 5, 2023

John Michael "Mike" Downton, 73, of Grantsville, MD, passed away, surrounded by his family, on Wednesday, July 5, 2023.

Born June 14, 1950, in Frostburg, MD, he was the son of the late Oliver Downton and JoAnn (Barnett) Bender. He was also preceded in death by one brother, Bob Downton and one sister, Beth Swauger.

He is survived by his wife of 43 years, Cynthia "Cindy" (Marx) Downton; daughters, Amanda (Todd) Smith and Emily (Cameron) Walls; the lights of his life, his five granddaughters, Kylie (Logan) Miller, McKenna Cady, Delaney Smith, Addison Walls and Paige Walls; one brother, Bill Downton.

Mike was always outnumbered, being the only man in a family of women, but he never let that bother him. He coached them in sports, taught them how to fish, and passed on a giant love for football and baseball. Throughout their marriage, Mike and Cindy had the opportunity to travel and cruise to many exciting places. They loved wine tasting, brewery tours, live music and spending as much time as possible with their family and friends. They resided in Grantsville for the past 39 years.

Mike graduated from Northern High School in 1968. He worked as a stone mason after high school and his beautiful work can be seen all over Garrett County. He then went on to get his Bachelors in Elementary Education from Frostburg State University and his Masters in Social Work from West Virginia University. He spent most of his career working for the Garrett County department of Social Services Child Protective Services as a CPS Investigator. He had a difficult job but he excelled at it. During his career, he made many friends, touched many lives, and helped countless children.

Mike was an avid WVU, Pirates and Steelers fan. He loved to tailgate and had the opportunity to attend many games with family and friends. He also loved Harley Davidson motorcycles, fishing and nice cars. He was an active member of the Grantsville Lions Club, Grantsville Post 214, American Legion and held a seat on the Grantsville Town Council. He was also a U.S. Army veteran of the Vietnam War.

It would nearly be impossible to find anyone that would have a bad thing to say about Mike. He always had a calm demeanor, a smile on his face and an infectious laugh. He loved his family with all of his heart and his girls meant the world to him. To say he will be missed is an understatement. There is no way to adequately describe the size of the hole that is left in so many lives with Mike's passing. Grantsville Days and the Lion's Club chicken booth will never be the same.

Friends will be received at the Newman Funeral Homes, P.A., 179 Miller St., Grantsville, on Tuesday, July 11, 2023 from 5-8 p.m. and Wednesday, July 12, 2023, from 12-2 p.m. Funeral services will follow in the funeral home on Wednesday at 2:00 p.m. with the Rev. Nancy Knol officiating. Interment will be in the Bittinger Cemetery. Military graveside rites will be accorded by Grantsville Post 214, American Legion.

Expressions of sympathy may be directed to Cindy's Fund, P.O. Box 182, Oakland, MD 21550 or to the Grantsville Lion's Club Eye Program, P.O. Box 450, Grantsville, MD 21536.

Condolences may be sent to the family at www.newmanfuneralhomes.com.

Ernest Gregg

June 10, 1936 – July 28, 2023

Ernest J. Gregg, Jr., of Oakland, passed away peacefully at his home on July 28, 2023. Ernie was the very definition of a people person. Outgoing, extroverted, gregarious, and approachable, he lived his 87 years perfecting service to others.

Ernie was the first-born son of Ernest Theodore and Belinda (Sunday) Gregg on June 10, 1936, and he grew up in his beloved Masontown, Preston County, West Virginia, graduating from Masontown High School. He graduated from the West Virginia University School of Pharmacy in 1958 and opened Gregg's Pharmacy in Oakland, Maryland, in 1961, which he owned and operated until his retirement.

In addition to running his business, Ernie was a quintessential volunteer, devoting countless hours to numerous organizations throughout Garrett County, focusing on helping and serving people. He was the longest-serving county commissioner in the State of Maryland, serving 24 years between 1978 and 2010, including two years as chairman.

Left to remember Ernie is Teresa, his beloved wife of 25 years, who was steadfast by his side. A devoted and loving Father to his children and blended family, Ernie leaves a tremendous legacy for his three children, son, Fred (Carol) and daughter, LuAnn Watson (Tim), all of Oakland, Md., and son, Patrick (Alyssa) of Morgantown, W.Va., who he shared with his first wife, Carole L. Gregg.

Ernie was a doting and proud grandfather to Robbin Skipper (Steve), Nicholas Gregg (Ali), Tess Watson, Sylvia Watson, and Stephen James "Jimmy" Gregg. He celebrated their many accomplishments and shared news of their adventures with anyone nearby and was grateful to be around his great-grandchildren, Britten and Eben Skipper and Claire, Evelyn, and Gabrielle Gregg. He is also survived by three children from his marriage to Teresa: Mayjel Wildesen (Darrin), Samantha Davis (Joe), and Synjun Skeweris, as well as grandchildren Damin Wildesen, Porter Davis, and Browning Skeweris.

Ernie will be missed by his loving, extended family, including brother, Philip Gregg and wife Janet of Masontown, W.Va., and sisters-in-law, Mary Jo Gregg of Terra Alta, W.Va., and Lola Marie Gregg of Masontown, W.Va.; brother-in-law, Mike Evans and wife Cindy, Albuquerque, New Mexico; sister-in-law, Lisa Smith and husband Ron, Ypsilanti, Michigan; and brother-in-law, Mel Evans and wife, Gwen, Oakland, Md.; as well as several nieces, nephews, cousins, and countless friends. A believer there is no excuse for bad manners, Ernie was truly one of a kind.

In addition to his parents, he was preceded in death by his brothers, James and Theodore.

Arrangements will be handled by C & S Fredlock Funeral Home, P.A. 21 North Second Street, Oakland. Visitation will be held in the funeral home on Monday, July 31, from 3 to 7 PM. Funeral services will be held at St. Peter the Apostle Catholic Church, 208 South Fourth Street, Oakland, on Tuesday, August 1, at 11 AM, with interment immediately following in the Oakland Cemetery. Lunch for family and friends will then be held at the St. Peter's Catholic Church Social Hall.

The family welcomes donations to Hospice of Garrett County, the West Virginia University School of Pharmacy, or the West Virginia University Cancer Institute in lieu of flowers.

MARKETING AND COMMUNICATION CHAIR - LYNN STIMMEL

MARKETING IS EVERYONE'S BUSINESS

Lion Lynn Stimmel, 22W Marketing & Communications Chair

Hopefully your Lions Club has a marketing chair who is working hard to promote your club's activities and events. Even though that Lion may be doing a bang-up job of promoting your activities, the marketing of your Lions Club is not solely the responsibility of the marketing chair; it is the responsibility of EVERY Lions Club member.

Every time you participate in a Lions service project, a Lions fundraiser, wear your Lions shirt or other regalia, talk to a prospective member ... you are performing a marketing activity. Whenever you talk about Lions Clubs or represent Lions Clubs at a service project, fundraiser, or other event, you are a representative of not only your particular Lions Club, but of your zone, region, district, multiple district, and—yes!—even of Lions Clubs International. Be sure to make a good impression on others to help all Lions Clubs gain new members.

Thanks!

Lynn

FREEDOM DISTRICT

Lion Wu Schaefer, Co-chair of the Freedom District Lions Club's Parks & Trail Maintenance Committee led members in an inspection and clean-up of Freedom Park in Sykesville on July 11, 2023. The Lions do this twice a month during the Spring, Summer and Fall each year and once a month during the Winter months. Lions pictured left to right are: Wu Schaefer, Mona Ramirez, Tony Ramirez, Bruce Edwards and Don Champ.

Members of the Freedom District Lions Club joined the Friends of Liberty Reservoir in a trail clean-up event on July 9, 2023. This month's clean-up was at the S. Nicodemus-Deer Park Road bridge in Finksburg. A heavy amount of trash was collected on the trails, in the gravel parking areas as well as along the sides of the bridge. It was an extremely productive clean-up to protect the environment. The volunteers from the Friends of Liberty Reservoir and the Freedom District Lions Club are pictured.

Members of the Freedom District Lions Club (FDLC), in collaboration with the Carroll County Equestrian Council (CCEC), participated in trail maintenance at Morgan Run Natural Environment Area on July 9, 2023. Several teams worked to clear numerous trails, including one that was completely blocked by foliage. The FDLC members who participated were Jill Huey, Jim Moore, Bruce Edwards and Tony Dercola.

Members of the Freedom District Lions Club (FDLC) joined other Lions Clubs attending the Lions Clubs International District 22W Change of Banner dinner held at the Myersville Fire Department Hall on July 15, 2023. This event is held every year when the outgoing District Governor turns the rails over to the incoming District Governor. Awards are also presented to Lions Clubs for their accomplishments during the recently concluded Lions Year. The FDLC was presented 12 service awards and 3 combined service awards for the 2 Leo Clubs they sponsor (Century High School Leo Club and Liberty High School Leo Club). Representing the FDLC were Melissa Turski, FDLC President (2023 - 2024 Lions Year), First Vice President Bruce Edwards and Club Secretary Myron Horn. Pictured (l - r) are: Melissa Turski accepting awards for the FDLC from District Governor Nadja Muchow.

Melissa Turski was presented a Melvin Jones Fellowship recognition at the Freedom District Lions Club (FDLC) July 12, 2023 meeting held in Celebration Hall, Messiah Lutheran Church in Berrett. Turski has been an extremely active, energetic member since she joined about 4 years ago. She conceived several new service efforts carried out by the club, such as the Heroes Project to recognize health care workers at Carroll Hospital and assisted care facilities in Carroll County for their dedicated patient care during the Pandemic. Turski was elected to serve as the Club President of the FDLC for the Lions Year from July 1, 2023 - June 30, 2024. Being selected as a Melvin Jones Fellow (named after the founder of Lions Clubs International) is the highest form of recognition that can be bestowed on a Lion or other individual. Pictured (l - r): FDLC President Matt King looks on as Lion Melissa Turski, President-Elect and Lion Susan Cox, First Vice District Governor shows the members and guests the Melvin Jones Fellowship plaque that was presented to Lion Turski.

For the first time in eight years, Gary Buchman was not installed as Secretary. He chose not to run for the office. He has done an outstanding job of not only performing the duties of the position in an exemplary manner but he has been active in most club service projects and fundraising activities, as well as serving the Lions District as Cabinet Treasurer and Cabinet Treasurer during that time period. The members gave him a standing ovation as a thank you for his dedicated service to the all volunteer service organization. Pictured (left) FDLC President Matt King and (right) Melissa Turski, FDLC President Elect join the members in a standing ovation to thank Lion Gary Buchman (center) for his 8 years of outstanding service as Secretary of the Freedom District Lions Club

SOUTH CARROLL LOINESS LIONS

Lion Terri Parkent, incoming President of the South Carroll Lioness Lions Club, was recognized at the club's June 29th meeting as a recipient of the District 22W Honor Roll Medal and Certificate. She was nominated by outgoing club President, Past District Governor Susan Bonura. The medal and certificate were presented at Celebration Hall at the Messiah Lutheran Church in Sykesville.

The following nomination statement was sent to then First Vice District Governor Jeremy Bair for the consideration of District 22W: "Lion Terri Parkent became a member of the Freedom District Lioness Club in 2008 and became a charter member of the South Carroll Lioness Lions Club in 2011. Since that time, she has served as the Membership Chair, Diabetes Awareness Chair, LCIF Chair, Bingo Chair and Ways and Means Committee Chair. As Bingo Chair and Ways and Means Committee Chair, she has been

responsible for raising thousands of dollars for the club's activities account. In 2022 she initiated three new fundraisers including a successful super bowl football pool, restaurant fundraiser and another based upon the Maryland Lottery Pick 3 midday and evening drawings. In addition to her many committee positions, Lion Terri has served the club as director, second vice president and first vice president. Lion Terri has participated in the club's visitations to Oakland Manor Assisted Living facility often bringing her teenage daughters to help with this service project. She has organized several walks to raise funds for diabetes awareness and participates in our club's booth at National Night Out. She is a Progressive Melvin Jones Fellow. Lion Terri has given outstanding service to her club and the community at the grass roots level for 15 years and she certainly exemplifies the spirit of Lionism through her unselfish dedication to the club and to Lionism. It is my pleasure to recommend Lion Terri Parkent for the District 22W Honor Roll."

TAYLORSVILLE-WINFIELD

We Served our Community in July: Submitted by Secretary Mindy Coates

We held a bingo at the Sun Valley Assisted Living Facility for 10 residents.

We worked the Food Booth for 6 nights at the Winfield Fire Dept as a service project for the Winfield Fire Dept.

We collected 233 prescription bottles and 7 recycled used printer cartridges for Ebenezer Church

We collected 80 cards for ARC Maryland to be used for adults and children with intellectual and developmental disabilities in their projects.

We donated \$100 to the Ebenezer Food Pantry.

We collected 36 pairs of used eyeglasses for recycling.

We loaned out 3 wheelchairs, 1 hospital bed, 2 potty chairs, and 4 rollators.

We cleaned Krimgold Park in Woodbine on Sunday, July 30th.

Reminder: gently used clothing, small kitchen items, cards (new and signed) can be recycled.

I know it's 90+ degrees outside but many of the food pantry/shelters are reporting higher numbers. If you are cleaning out your closets and find an extra coat, sweatshirt, gloves, hats or scarves, please help our "neighbors" warm this winter. Contact Lion Mindy

Reminder: Do not donate any cards with glitter for ARC.

Clean-Up at Krimgold Park:

On June 25th and July 30th at 1pm, our Lion members came out in the hot sun to do our monthly clean-up at Krimgold Park on Woodbine Rd in Woodbine. It isn't hard work, but it is a chance to beautify the park which the community is so proud of. It is known to be a favorite destination for local birders and hikers. It is comprised of approximately 1400 acres of natural area. Please consider joining us sometimes and have the chance to breathe fresh air and lose some ounces as you walk around and pick up some trash. Please remember to bring a trash bag.

Bingo at Sun Valley Assisted Living:

Once again, two TWLC Lions volunteered to conduct the July Bingo at Sun Valley Assisted Living on Route 27 on Saturday, July 22nd. They were Lion Pauline Rosier, and PDG Barb Brimigion. The club is substituting for the South Carroll Leos who are not conducting the bingo during the summer months of June, July and August. The Leos will resume the monthly service project in the Fall when school begins again. We had 10 residents (males and females) who came out to play 10 games of bingo. Lion Pauline brought an assortment of packaged chocolate candy and PDG Barb brought some lounging socks and activity books for the winners to add to the gifts that the facility already had on hand.

50/50 Raffle at Winfield Fire Dept Carnival:

Lion Bobbi Reeder chaired this club fundraiser again this year with a nightly drawing each day. We selected a young child to pick the winning ticket each night for a free gift in return. Sales were very slow the first two days but started to pick up on Wednesday. Lion Pauline, membership chair, displayed our club brochure and our club activity trifold at the booth along with PDG Barb Brimigion. Profit for all 6 days was \$340.00 Prior TWLC Lion John McBride came each night to buy one raffle ticket, but unfortunately, he won nothing. Maybe next year!!

She also appreciated the help of Lion Steve Davis one night.

Food Booth at Winfield Carnival July 2023:

Once again, the club volunteered at the annual food stand as a service project for the Winfield Fire Department from July 10th – July 15th. We had a great turnout of club members, including Associate Member Jim Lutz and his wife, Doris who came all the way from Myrtle Beach to volunteer during the week. Lions Bob Garber and Josh Jessee fried the chicken, chicken livers and gizzards while Forrest Hudspeth, Tom Harney, Mindy Coates, Mel Wroten, Tony Sager, Bob Crawford, Steve Davis, Julia and Terry Glendenning, Charles and Pauline Rosier, and Jim Carlock handled the orders. We were also fortunate to have the support of several non-Lions: Joanne Davis, Sandy Hudspeth, Carol Wroten and Bob Crawford's son, Darrin. The week started slowly with fewer carnival attendees for Monday and Tuesday, but the attendance picked up starting on Wednesday when we also saw more children on the carnival grounds. Friday was the best night with fireworks starting at 10:30 pm.

We missed the fried crab cakes which were popular for many years, but still offered the fried chicken gizzards and fried chicken which keep the people coming back to our stand along with offering beef barbeque sandwiches, hamburgers, cheeseburgers and chicken salad sandwiches. Lions Bob Garber and Josh Jessee sure know how to fry chicken with a light crusted coating and moist interior! Lion Bob Crawford also did a great job in grilling the hamburgers. We also sold iced tea, sodas and water. We had 1145 orders with a quantity of 2,399 items which brought in sales of \$6946 for the Winfield Fire Dept.

On Thursday, PCT Forrest Hudspeth was a dedicated Lion as he worked the food booth, taking orders and collecting the money instead of celebrating his 50th wedding anniversary with Sandy. His daughter came to the raffle booth and told me that she had some anniversary gifts waiting for them.

THURMONT

Volunteer of the Year Award *(Contributed by Lion Joyce Anthony)*

The Thurmont Lions Club gathered at the Thurmont town office to recognize and honor the 2023 Volunteer of the Year. Four nominations were received; however, one nominee was disqualified since the volunteer work was not within zip code 21788. Each of the nominees performed valuable community work, but the judges selected Bernie & Joanne Rickett. They were selected for their volunteer work with the Thurmont Food Bank and Graceham Moravian Church. Their application stated: "Joanne has volunteered for about 16 years and is currently responsible for registering families who come for food each Tuesday and Friday. She also assists with bagging government food each month. Bernie has volunteered for 10 years and hands out produce every Tuesday and Friday. He travels to Food Lion five days a week to pick up food for the Food Bank, as well as helping with special shipments. I am sure Bernie and Joanne would want all the other volunteers at the Food Bank to be recognized as well as the coordinator Pastor Sally Joyner-Griffin. They are very active in many aspects associated with the church, especially helping with the free community meal provided by the church on the first Monday of each month." They received a certificate, a gift card to a restaurant and a donation of \$400 to a charity of their choice – Thurmont Food Bank.

The other two nominees, Tony & Tina Tesla and Tom Mullaney, were recognized by the Thurmont Lions Club.

Bernie and Joanne have truly touched lives and made a difference in the Thurmont community.

Thank you Lion Nancy Echard for a great job in chairing the Volunteer of the Year program.

22W - Leo Club News

An Update about the South Carroll Leos: **Submitted by Lion Advisor Pauline Rosier**

Before school ended in June, they had a table during the Eighth Grade Club Fair with 27 prospective members who were interested. At the end of August, they will be participating in the Back-to-School Night to pass out Leo brochures to those who show interest in joining the Leo club.

Leo Lion Advisor, Bob Bastress, from the Freedom District Lions Club sent an email to Lion Pauline concerning the South Carroll Leos participating with the Century Knights Leos and Liberty HS Leos in their School Supplies project. This will be on Thursday, August 24th at 9 a.m. at Walmart. Leo President Emma from Century is going to reach out to Leo President Aubrey. They thought by participating our Leos could see how the project works and could in the future do such a project for the feeder Elementary schools in our area.

A LIGHT HEARTED JOURNEY

OF MUSICAL HITS THROUGH THE DECADES

We will take you on a musical lip sync trip from the early 1900s to the present with popular tunes that everyone knows. You will recognize the songs and will want to join in with the singing. We will act out the lyrics as we lip sync along to the music and you will laugh at how we perform each song. We know you will enjoy our antics as much as we enjoy doing it for you.

This show, put together by Jeanne Ward and sponsored by the Hancock Lioness Lions Club, will leave you laughing. Most of our performers are members of the Lions Club. We work hard to have fun and to help out our community.
