DISTRICT GOVERNOR JEREMY BAIR

District 22W Lions,

With 31 Official Visits completed in the first 60 Days, I can assure you that Lions are out in their communities making a difference. Also, my own personal Lion has been traveling with me and will reveal his escapades across Western Maryland in a video at the 22W Social on October 7th. We hope you are there to see it along with videos dedicated to Clubs, Leos and generational Lions. We look forward to having our guest speaker, International Director Anthony Paradiso join us that weekend as the night will conclude with dancing. Our guest hopes to be out among club events and fundraisers on the days leading up to the Social at the Clarion in Frederick. Please make every effort to make sure your club has a strong presence at our yearly social.

I thank First Vice District Governor Susan Cox for being out at the 1st Zone Meetings to talk about Recruitment and Membership. I will soon also be challenging certain Lions across the district to go for their next membership key. The ratio of talking about membership to recruitment should be 1:1.

This year, as in the past three, I have given additional recognition for longtime Lion service and Lions with military service, as seen in the District videos. As I visit clubs for their Official Visit, I have been handing out district certificates to those Lions with 30 or more years of Lion service. We will also be holding a small ceremony within the second Cabinet Meeting to be held on the morning of Veterans Day on November 11th. We invite all Lions, especially those with military service, to be in attendance that morning.

We also find ourselves a week away from the District celebrating a big Charter Night for the Kitzmiller Lions Club. This 75th Charter Night will have guest speakers PID Richard Liebna and PIP Clem Kusiah.

Leadership Development will be available for those attending the USA Canada Forum in several weeks in Reno. Be on the lookout for more leadership development opportunities in the newsletter in addition to the ones online. With the next three USA Canada Forums in Kentucky, New Jersey and Tennessee, I hope we are able to encourage more Lions from our District to come be a of that extended leadership weekend.

Membership Outreach Tents have been out at Reese Carnival and Carroll County 4H Fair. They are also slated for Boonsboro Day, Cumberland Heritage Days, Mount Airy Yard Sale and Canines in the Creek.

Lastly, the Lions within Carroll County had the opportunity to see the Mobile Wreaths Across America Bus at Babylon Vault in August. As we prepare for the next several months where Lions can be present within their communities, I encourage clubs to look into the ability to be present at a Wreaths Across America site in December. I, personally, will be the host speaker that morning at Deer Park United Methodist Church. It's a great morning to be among the community to remember those who served our country.

God Bless America!

In Lionism,

Lion Jeremy Bair

Dear Lions and Leos,

"If you always do what you've always done, you'll always get what you've always got..."
Henry Ford

DG Jeremy, GMT Lee Miller, and I would like to thank the Lions who attended the recent Zone and Region-wide meetings. At those meetings DG Jeremy's goals and action plan for membership growth in the district were shared and at each meeting Lions shared successful strategies for retaining members and growing our clubs. Lions International has created The Global Membership Approach as a four-step process that has been proven to increase both member satisfaction and new member recruitment, as well as new club chartering. The four steps are build a team, build a vision, build a plan and build success.

Build A Team: Build a team of club officers to help support the Global Membership Approach.

Build A Vision: Build a vision, assess needs and set goals.

Build A Plan: Build a plan to achieve our goals.

Build Success: Execute your plan, maintain accountability and adjust as needed.

This month let's consider building a vision, assessing needs, and setting goals to grow and retain club membership.

Goal: Rejuvenate our club with new members. Essential questions: What opportunities exist to expand membership? What do we need to do to better recruit members? Why are members not joining our club? Why do people join our club?

Goal: Re-motivate members with fellowship and exciting service. Essential questions: Are the club's service projects relevant to current community needs? Are members enthusiastic and actively involved in service projects? Is club leadership receptive to members' ideas for new service ideas? Do our service projects attract new members?

Goal: Excel in leadership development and club operations. Essential questions: Do club officers participate in training for their positions? Are members encouraged to take leadership positions? Do members regularly attend and participate in club functions? Do you need to reconsider the format of club meetings?

Goal: Share your club's achievements with your community. Essential questions: Is your club active on social media (Facebook, Instagram, Twitter)? Does your club have an e-Clubhouse or website? How are you keeping the public informed of your events? Do we include welcoming messages that encourage people to join?

Please consider asking these essential questions at your upcoming meetings. GMT Coordinator Lee Miller and our membership team would be happy to join you and assist in the process of developing a membership plan.

With sincere thanks,
Lion Susan Cox

2ND VICE DISTRICT GOVERNOR MARTIN BONURA

Lion-centered leadership is fairly simple: leadership that puts Lions first. Being Lion-centered shapes how we communicate with our club, our attitude, and the sense of trust we develop with our members. Lion-centered leadership makes success happen with Lions, not despite them.

Lion-centered leaders create nurturing environments that leave room for learning, understanding, and our needs as Lions. The three keys to Lion-centered leadership are:

- **Empathy:** Lion-centered leaders listen to others' perspectives, account for their own bias and advantages, and reflect on the life circumstances of their fellow Lions. * These leaders express care and concern and take tangible actions that improve the experience of all members of the club. These leaders understand when life gets in the way and that Lions do better when they are respected.

- **Openness:** Leaders who model openness create an environment of safety and mutual trust. Openness creates relationships and encourages the best from our Lions. Leaders model openness when they admit when they're wrong, regularly seek response, and reflect on how their leadership actions impact the club. They choose influence over control and relationships over authoritarianism.

- **Humility:** Lion-centered leaders always believe there is more to learn and therefore value humility. They bring a growth mindset to their club, concentrating on growing more rather than on looking best or being right. * They prioritize mentoring, coaching, and learning for themselves and their teams, and encourage collaboration and open-mindedness over competition and routine.

Leaders who put these principles into practice will find it much easier to sustain a Lion-centered culture in their club. The leaders of tomorrow will need to become more Lion-centered. Satisfying and addressing the needs of their valuable Lions is key for clubs that still want to be around after the next decade. Some ways to be more Lion-centered include:

- Recognize Lions as humans with needs.
- Examine all ideas for potential value, even when they sound off the wall to you.
- Listen to all contributions, even when the value seems intangible to you.
- Guard against complacency.
- Advocate Lion learning.

Those clubs that are not centered on their Lions have been known to chase members away, to turn off potential new members, and to be a dying club. To change this, leadership has to evaluate where the club is and to conduct an assessment. The Club Quality Initiative is a strategic planning tool to help clubs identify opportunities for improvement. Change is critical for each club. By understanding our current operation, identifying areas that may be improved and taking measured steps to accomplish our goals, every club can be even better. ** For more information go to www.lionsclubs.org to secure DA CQI EN 5/21 or email questions to ClubQualityInitiatives@lionsclubs.org.

In Memory of

JAMES "JIM" OSCAR KAVE

James "Jim" Oscar Kave, 80, of Westminster, died Friday, August 11, 2023 at the Dove House, after a long, courageous battle with cancer. Born August 7, 1943 in Winchester, VA, he was the son of the late Oscar Myers Kave and Mary Riley Kave.

He is survived by his loving wife of 57 years, Faye Kave.

He graduated from Clarke County High School in 1961 and received a B.S. Degree from Tusculum College in Greenville, TN.

Jim was a devoted family man, and over the years donated countless hours to others less fortunate than himself. He enjoyed being an administrator at Johns Hopkins Applied Physics Lab for over 40 years. He was a member of Crosswind Church and loved to travel with Faye throughout the eastern and midwestern states to attend Southern Gospel music concerts. Jim took great pleasure in helping others through volunteer work, and was a long-time member of the Deer Park Lions Club. He also enjoyed attending his daughters' and grandchildren's sporting events and activities whenever he could. His grandchildren will certainly miss their 'Poppy', who always made them feel like they were the center of his world. He will be deeply missed by friends, family, and all who knew him.

Besides his wife, he is survived by two daughters: Stacy Meeboer (Tom) of Bettendorf, IA, and Tonia Cranston (Tim) of Stewartstown, PA, one brother Dennis Kave (Bev) of Berryville, VA, one sister Allison Crosby of Winchester, VA, and grandchildren: Matthew, Micah, Maryl, Everett, Jake and Maxx.

DIANNE WALBRECKER - PRESIDENT EMMITSBURG LIONS

LOCAL LIONS DONATE TO ASSIST MAUI FIRE SURVIVORS

Lion Garrett Ogawa has been a friend of the Emmitsburg and Thurmont Lions Clubs for many years. He frequently attends classes at the Emergency Management Institute (EMI) in Emmitsburg, MD in his training to prepare for, mitigate against, respond to, and recover from disasters. Every time he comes to EMI, he always reaches out to the two local clubs for visits and information sharing. Lion Garrett's years of training, and taking those lessons back to the communities in Hawaii, came in handy after the terrifying wildfires in Maui obliterated the town designated as the Capitol of the Hawaiian Islands in 1802 by King Kamehameha.

On Friday, August 25th, members of the local Lions Club met at Tuscan's Pizzeria for dinner and fellowship. Lion Garrett, who has served as Past District Governor of his District 50 Lions Club, and so deserves the title PDG, talked about the horrors of the wildfire and the impact it has had on the citizens of Maui, especially those in Lahaina. "The flames were traveling faster than one mile per minute (100 miles an hour) and they were impossible to outrun. Cars were exploding as the fire swept through the area. In fact, 25 police officers lost their own homes while they were responding to the fires."

Due to PDG Garrett's knowledge of emergency management and the specific needs of the survivors in Maui, he suggested that the clubs donate to the Hawaii Lions Foundation where local Lions can determine the best use of the funds. "Hawaii is receiving lots of donations, but it is important that people realize donations require a lot of effort to sort and use. Following any disaster, providing funds directly to non-profit organizations is the most useful for survivors' recovery," he said.

Emmitsburg Lions Club members Dale Shields and Jim Hahn, who initiated the donation, said, "It looks like an atomic bomb was dropped. They are devastated. I hope our area never has to go through a disaster like these people are going through."

2ND VICE DISTRICT GOVERNOR MARTIN BONURA

We joined our Lions club so that we can fulfill a purpose. That purpose usually involves the service we provide as a Lion making a difference in our community. The Regional Lions Leadership Institute is designed for local Lions who have or wish to pursue leadership roles with their Lions providing service to their community. At the Institute you will learn about club operations, opportunities and resources available to clubs, and gain both valuable leadership skills and a deeper understanding of how to better serve your clubs.

The Institute is offered at the local level and organized by regional leaders from Maryland and Delaware. Lion eligible for the Institute must be in good standing and want to better support multiple district or district initiatives. They should not have attended an Institute within the last five (5) years.

The Institute engages participants in an interactive learning environment by conducting question and answer segments, facilitating meaningful discussions in large and small group settings, and facilitating group activities. At least half of the faculty in each classroom must be a Faculty Development Institute graduate or Lions Certified Instructor Program certified.

The Institute curriculum is designed to recognize the structure of the association. Utilize a variety of strategies to move a team to a level of high performance. Develop strategies to effectively overcome the challenges of diversity in our clubs and districts. Implement techniques of effective speech delivery. Identify strategies for achieving effective time management. Complete a draft of a personal mission statement. Create an action plan for motivating Lions club members. Set and prioritize goals.

District 22-W provides scholarships to cover part of the cost of this training.

Fellow Lions, one easy way to "market" Lions to your friends, neighbors, and to strangers for that matter is to have a Lions' License Tag. Once you have them, the process goes on year after year just like any other renewal.

The cost is \$25 and perhaps, when your renewal is due, contact Lion Joe for the application, fill it out, and return it to him.

Lions' tags are definitely still available in Maryland! Check them out...

EMMITSBURG

Emmitsburg Lions Celebrate with Annual Picnic 2023
By Dianne Walbrecher

Emmitsburg Lions know how to serve our community, but we also know how to celebrate! On Saturday, August 26th, we held our 40th Annual Picnic at the pavilion in E. Eugene Community Park. We were celebrating for a number of reasons. First, we dedicated our Lions Club shed to the joyous memories we have of Lion Mary Flickinger. The last night of her life, Mary spent eating crabs with her best friend, Lion Nancy Smith and her friends and supporters at the Lions Club Annual Picnic in 2019. She passed away, unexpectedly, the next morning. All of our Annual Picnics since then have a bittersweet element.

The second reason to celebrate is the success of Community Heritage Day this June. Working with other civic groups in Emmitsburg, we pulled off a wonderful day of games, vendors, demonstrations, food, fun, a parade, music, and glorious fireworks. But we could never have such a great day without assistance from our family and friends! They are all invited to our picnic so we can show them how much we appreciate their work.

The third reason for celebration was the official visit of our 22-W District Governor Jeremy Bair. In addition to outlining his vision for the upcoming year and his challenges for us to serve our local community, he brought certificates for each of our 4 Charter Members. Mark Zurgable, John Sanders, Jim Hahn, and Dale Shields were among those who formed the Emmitsburg Lions Club 40 years ago. The DG's congratulations were greeted with roaring applause from all those at the picnic.

All in all, a fantastic day.

FREDERICK FRANCIS SCOTT KEY

FSK Lions completed their "friends and family" food drive in August, collecting over 200 items for the Frederick County food bank. Pictures are Lions John and Darlene Aulls and Gary Bennett.

FREEDOM DISTRICT

Led by Lion Wu Schaefer, Co-chair of the Freedom District Lions Club (FDLC) Park and Trail Clean-up & Maintenance Committee, seven FDLC members and one family member conducted an inspection and clean-up event at Freedom Park in Sykesville on August 1, 2023. The trail inspection went well - no damage from recent storms and the walkers who use the trail did a good job of not littering. Likewise, most fields and the children play area had only light trash. A medium amount of trash was collected along Raincliffe Ave. on both sides of the Park entrance. Lion Schaefer took the accompanying picture of those working with her on this service project (left - right): Machensie Barden, Melissa Turshi, Bernadette Phillips, Les Schneiderman, Tony Ramirez, Mona Ramirez and Bruce Edwards.

Sykesville Police Chief Michael Spaulding was a guest of the Freedom District Lions Club (FDLC) at their August 9, 2023 dinner business meeting held in Celebration Hall, Messiah Lutheran Church in Berrett. Chief Spaulding coordinates a Junior CSI program for middle school children from the area middle schools each year in Sykesville. The Freedom District Lions Club funds the learning experience and Lion Myron Horn, who chairs that committee, invited Chief Spaulding so he could accept the check to fund this year's September program. Chief Spaulding described the program which is a "hands on" experience of what police do when they investigate a crime scene. Pictured (left - right) are: Melissa Turshi, President of the FDLC; Michael Spaulding, Sykesville Police Chief and Lion Myron Horn following Spaulding's presentation to the members of the FDLC during their August 9, 2023 dinner meeting.

Steven Gonzales and his family were guests of the Freedom District Lions Club at their dinner meeting held on August 9, 2023 in Celebration Hall, Messiah Lutheran Church in Berrett. Steven served as President of the Century High School Leo Club last school year. The large, active service club, sponsored by the Freedom District Lions Club had an outstanding year and District 22W, Lions Clubs International recognized Steven for his leadership. Pictured (l - r) Melissa Turshi, President, Freedom District Lions Club presents the 100% Presidents Certificate to Steven Gonzales, President, Century High School Leo Club for the last school year.

The Inspirations Assisted Living and Memory Care facility's Director, Christina Green and Assistant Director Lisa Sullivan were guests of the Freedom District Lions Club (FDLC) at their August 9, 2023 dinner business meeting held in Celebration Hall, Messiah Lutheran Church in Berrett. The assisted living home is located on Deer Park Road, near Westminster. They were introduced by Lion Sheila Bowman who heads the service club's "Operation Joy" - a program designed to bring joy to the residents of assisted living facilities and nursing homes in the area. The Lions have visited Inspirations for the past several months, bringing friendship, music, dancing /movement and karaoke to the residents. Christina Green thanked the members, especially those members who visited, for bringing much needed and appreciated joy to the memory impaired residents. She presented a Certificate of Appreciation to Lions President Melissa Turshi for the club. Pictured in the accompanying photo (l - r) are FDLC President Melissa Turshi; Christina Green, Director, Inspirations Assisted Living and Memory Care; Lisa Sullivan, Assistant Director, Inspirations Assisted Living and Memory Care; and Lion Sheila Bowman, chair for "Operation Joy" project of the Freedom District Lions Club.

Members of the Freedom District Lions Club (FDLC) continued their year around efforts to take care of the environment during August, 2023. Lion Wu Schaefer, Co-chair of the Park and Trail Clean-up & Maintenance Committee led Lions on an inspection and park clean-up at Freedom Park in Sykesville on August 15, 2023. Most fields had only light trash - the most trash collected was near the park entrance. The Lions found some large tree branches down from the prior week storms partially blocking the walking trails as well as some tree limbs down in the children's play area. This was reported to Carroll County Department of Recreation and Parks and they will arrange to remove the storm damage. Also, on August 5, 2023 Lion Tony Dercoja, Co-chair of the Park and Trail Clean-up & Maintenance Committee, accompanied by 2 Lions joined the Carroll County Equestrian Council in a trail maintenance event at Morgan Run Natural Environment Area. It was laborious work as several of the trails had become overgrown with underbrush and large tree branches extending over the trails making them impassable or dangerous for horses and riders. Lions also joined the Friends of Liberty Reservoir on Sunday, August 6, 2023 for a clean-up in the parking lot and area around Liberty Dam.

On August 18, 2023, 4 members of the Freedom District Lions Club (FDLC) held a karaoke and dancing activity to increase movement for residents with memory decline at Inspirations Assisted living and memory care facility in Westminster. There were lots of smiles and laughs as most of the residents participated and were encouraged by the Lions enthusiasm and encouragement. Pictured are Lions and residents enjoying the dancing.

The Freedom Optimist Club operates a youth soccer program in the south Carroll area at Freedom Park in Sykesville. There is a special program, called Shooting Stars, for developmentally disabled children. Children from the regular program volunteer to help the Shooting Stars. This fall program for this year takes place on August 18 & 25 and September 1 & 8. Members of the Freedom District Lions Club, assisted by Leo Club members from Liberty High School are providing snowballs and non-sugar snacks following the play. Lion Rochelle Schneiderman who is chairing this project said the Lions shave the ice and the Leospump the syrup and serve the participants. Accompanying this article is a picture of the Shooting Stars soccer program at Freedom Park on August 18, 2023.

The members of the Freedom District Lions Club continues to bring joy to the residents of Inspirations Memory Care of Westminster, located on Bird View Road, Westminster. On August 24, 2023, the Lions provided support to the staff and residents for a visit by day care students to interact with the residents and animals. Following lunch, the students visited the goats, chickens and llamas on the grounds. When they returned inside, they sat with the residents who helped the children paint pictures on 5X7 canvases. This interaction was enjoyed by all. On August 25, 2023, Lions introduced the residents to a farm animals picture bingo game. Following bingo, the Lions and residents played toss with balloons which got the residents moving - this is always a goal of the visits. Karaoke and singing were the activities for the August 26, 2023 visit by the Lions. A professional entertainer in facilities for the elderly joined the Lions for this joyful visit. Residents sang along with her and some danced with the Lions. Pictured is Lion Tony Ramirez dancing with one of the residents.

LA VALE

This project originated by LaVale Lions Club, included the Frostburg Lions Club and the Mount Savage Mason Dixon Lions Club:

The LaVale Library is thrilled to announce a momentous step towards inclusivity and accessibility with the acquisition of an advanced Optelec ClearView machine, generously gifted by the members of the Frostburg Lions Club, LaVale Lions Club, and Mount Savage Mason-Dixon Lions Club. This state-of-the-art assistive technology will significantly enrich the reading experience for visually impaired patrons.

"We are grateful that the Frostburg, LaVale, and Mount Savage Mason-Dixon Lions Clubs are dedicated to making a positive impact on the lives of individuals with visual impairments," says John Taube, Executive Director of the Allegany County Library System. "This donation aligns perfectly with our mission to provide a welcoming and accessible environment for all patrons." According to the 2020 Census, 2.7 percent of Allegany County residents live with a vision difficulty. Taube notes, "Now with the Optelec ClearView machine, over 1,800 people will be empowered to read and engage with a wider variety of material at the library."

Champ Zumbrun of the LaVale Lions worked closely with Taube to make this project possible. Zumbrun recalls that the inspiration for wanting to work with the library rooted from the remarks at the grand reopening in September 2022, "I love the concept that the library is the Community's Living Room, and everyone is welcome. The Lions aimed to further enhance that sense of welcome for individuals of all abilities and continue fostering an inclusive and enriching environment for our entire community."

On Tuesday, August 22, members of the three Lions Clubs and the library staff came together to commemorate the introduction of the Optelec ClearView machine. The device is now available for public use.

It's a tremendous contribution to humanity and to the legacy of our founder, Melvin Jones. It is a recognition that embodies humanitarian ideas consistent with the nature and purpose of Lionism. The recipient of this award becomes a model because of the exemplary service to his club and the community for which it serves.

Clean-Up at Krimgold Park

On July 30th at 1pm, four Lion members (Lions Tom Harney, Bob Garber, PDG Herb Brington and Steve Davis) came out in the hot sun to do our monthly clean-up at Krimgold Park on Woodbine Rd in Winfield. Lion Steve brought along his wife Joanne, his daughter Julie and her husband Craig in addition to two dogs. Although the weather was in the mid 80's, we did have a nice breeze during our clean-up. We didn't have as much trash this time which made us believe that maybe the attendance at the park had been much lower in July due to the fact that July is reported to be the world's hottest month on record from 1940 to 2023 as reported in the news. Our next clean-up is August 27th at 1 pm.

THURMONT

Change of Banner *(Contributed by President Susan Favorite and Lion Joyce Anthony)*

Thurmont was the host club for this year's Change of Banner (COB) and award presentations held on July 15th at the Myersville VFD Social Hall. President Susan Favorite chaired the COB event. The committee consisted of Dianne McLean, Gayle DiSalvo, Joyce Anthony, IPDG Nadja Muchow and Albie Little. Except for the hot weather that caused the balloons to prematurely pop, it was a great evening. The hor d'oeuvres were devoured; the room looked amazing; everyone had fun popping the balloons to look for the door prizes. We heard IPDG Nadja serenade DG Jeremy, and we had a surprise confetti cannon to shower DG Jeremy. It was a great way to celebrate IPDG Nadja's year as DG and for IPP Julie to ceremonially hand the DG Banner over to Greater Carroll Lions Club for safekeeping. As always, a beautiful and outstanding job.

The Thurmont Lions members attending the COB were: IPDG Nadja Muchow, PCC Bob Muchow, President Susan Favorite, PDG Paul Cannada, Lions Albie Little, Doug Favorite, Don Kenney, Jr., Joyce Anthony, Dianne McLean, Gayle DiSalvo, Nancy Echard, Bev Nunemaker and David & Julie E-J-Taher.

The Thurmont Lions Club received 11 awards:

Club Leadership	Club Secretary – Joyce Anthony
VDG Challenge	Club Treasurer – Doug Favorite
Feed the Hungry	Club Newsletter – Joyce Anthony
Reading Action Program	Club Visitation – Tim Stuart & Evelyn Zimmerman
Club New Member – Plateau	

It is a team effort of everyone to accomplish these goals and achievements. You, the members, should hold your head high and be proud to be a member of the Thurmont Lions Club. We look forward to a prosperous and healthy year with DG Jeremy Bair.

The room was decorated beautifully by Lion Susan Favorite and her committee

This was definitely an evening of celebration for IPDG Nadja Muchow and incoming DG Jeremy Bair.

Congratulations to all for a great job well done!

DG Jeremy Bair's Official Visit (Contributed by President Susan Favorite and Lion Joyce Anthony)

District Governor Jeremy Bair performed his official visit to the Thurmont Lions Club on July 12th. Region Chair III Wendy Dunn introduced DG Jeremy as the 2023-2024 District Governor for District 22-W. He is a member of the Greater Carroll Lions Club and has held many positions, received many awards, attended numerous leadership institutes, a Melvin Jones Fellow, etc. His job is to oversee the clubs and the functions of District 22-W. There are fifty-three clubs in Carroll, Frederick, Washington and Allegany counties.

DG Jeremy Bair's theme "The Promise of Tomorrow," is appropriate for the positive future he sees for the district. His hope is to increase the membership and, thereby, better serve those in need. Another hope for the District is to purchase a mobile screening van and conduct basic health and vision screening in the four counties.

President Susan Favorite reported a few take-away's from DG Jeremy's official visit were 1) give a hand-up; 2) Leave foot prints everywhere; and 3) Find the next best Lion!

Does all the technology you use every day frustrate you? Does the technology of the future make you want to put your head in the sand? Kelly Schultz is the Chief Executive Officer of the Maryland Tech Council. She has a 62 member Board and covers two areas – Life Science and Technology. There are 80 life science companies in Frederick County. She indicated the future holds creation of new technology. She emphasized community colleges are the background of our future. Also, Kelly emphasized that she would like for the members to take away from her speaking knowing stem is the key to everyone's future.

Kelly is an American politician who served as the Secretary of the Maryland Department of Commerce from January 2019-January 2022 and earlier as Secretary of the Maryland Department of Labor, Licensing and Regulation. She served in the Maryland House of Delegates representing District A, Frederick

County, Maryland. She ran unsuccessfully for the republican nomination for Governor of Maryland in 2022, losing to state delegate Dan Cox.

Kelly is a member of the Libertytown/Unionsville Lions Club. She resides in New Market, Maryland with her husband John Nowell.

Lion David Crum Receives Award (Contributed by Lion Joyce Anthony)

On behalf of IPP Julie El-Tajer, IPDG Nadja Muchow presented the Governor's Medal of Accommodation to Lion David Crum. Lion David Crum joined the Thurmont Lions Club in April 2022. As a new member for less than one year, he did not hesitate to take on the responsibility as Dues Treasurer for the club. It is out of the ordinary for such a new member to assume such a position. Congratulations Lion David and thank you for your services.

Reflection of Lions Year 2022-2023 (Contributed by IPP Julie El-Tajer)

We had a very productive year for 2022-2023. We instituted some changes to our meeting format to incorporate service projects into our meetings, alternating with program speakers. We changed the way we recognize our educators in our community. Also, we developed service projects to recognize our first responders, police, town staff and educators. We recognized our veterans with several service projects including Wreaths across America. We hosted our first Juneteenth event and hope to continue next year. We had many successful fundraisers which helped us support our local community for the upcoming year.

22W - Leo Club News

An Update of the South Carroll Leo Club: **Submitted by Lion Pauline Rosier, Advisor**

Leos Sadie and Todd helped the Century Knights and Liberty High Leos and the Freedom District Lions at the Eldersburg Walmart to gather school supplies for four local elementary schools in the Eldersburg area. The gathering of school supplies was the main activity according to Lion Bob Bastress, Leo Lion Advisor, from the Freedom District Lions. By our Leos participating they saw how the service project works and could do this next school year for Mt. Airy and/or Parr's Ridge Elementary Schools.

At the time of printing this newsletter, Lion Pauline was waiting to hear from Stacie, faculty advisor, concerning the Back-to-School Night at the end of August. The Leos would be passing out Leo brochures and getting names of those students who show interest in joining the Leo club.

Their first meeting will be Thursday, September 14th at 2:30 p.m. The Sun Valley AL bingo will be Saturday, September 16th and the Food Give Away will be Wednesday, September 27th at the Eldersburg Walmart.
