Email and member updates

I've had several Lions tell me they are not getting the weekly updates. I am going by the Excel spreadsheet for the District from MLCI. I have 385 members with no emails and several that keep coming back as undeliverable. I recently received the roster list from several clubs and so I've been able to go into Excel and change emails and add emails. If each club in the district would be kind enough to send me a copy of your club's roster, I will take the time to go into my Excel report and update the emails.

Also, I am only able to send out 600 emails per day, so it takes me at least two days to get the weekly updates out to everyone on the list.

Exciting News for 2024 Multi-District Convention

Multiple District 22 Convention News

The Convention was originally scheduled for May 2-5 at the Delta Hotel in Hunt Valley, MD. However, on September 6, the Convention Committee was informed that the hotel was closing. The Convention committee spent the next month finding another location. We are pleased to announce that a contract has been signed. The Convention will now be at The Ashore Resort and Beach Club in Ocean City, from April 19-21. The convention has been shortened to two and a half days. Registration will begin Friday morning with the first Business Session at 1 PM. We are excited about this new location and all of the changes. Stay tuned for more information.

The contest allows students to visually express their unique images of peace with others, so we may all have greater tolerance and international understanding.

Notable deadlines:
