FROM THE DESK OF:

DISTRICT GOVERNOR JEREMY BAIR

District 22W Lions,

By the end of this month, I will have circulated to all 53 clubs for the Official Visit and the yearly message of service. With that third of the year complete, I plan to spend the remaining two thirds of the year with clubs on service and membership. After October 25th, my final Official Visit at the Boonsboro Lions Club, I will join my home club, the Greater Carroll Lions Club, for their Gift of Giving Night on the 26th. And what a better way to end out October with the Flintstone Lions on October 31st with their Trunk or Treat!

I would like to congratulate the Boonsboro Lions Club and Cumberland Lions Club for initiating a membership outreach tent last month. The Global Membership Team was also able to assist the Mount Airy Lions in having a Membership Outreach Tent at their semi-annual Yard Sale this past weekend. The GMT looks forward to being out with the Francis Scott Key Lions at the Canines on the Creek event.

Starting October 1st through November 30th, I am challenging all 53 clubs this fall to make a minimum \$50 donation, information on page 88 of the roster book, to the three foundations that we support:

- 1) Lions Club International Foundation
- 2) Lions Low Vision Research Foundation
- 3) Lions Youth Foundation

Please note that with these donations, some clubs may want to give more to complete qualifiers to help achieve the Club Excellence Award on page 87 of the roster book. We're also in the initial stages of preparing opportunities for Melvin Jones Banquets within District 22W so that clubs can qualify for the LCIF Award seen on page 86 of the roster book. The initial idea is that there will be three locations on the same day and a Melvin Jones banquet will be held at breakfast, lunch & dinner as leadership travels district-wide.

Please start to sign up for the second Cabinet Meeting! We are looking forward to this Cabinet Meeting on the morning of November 11th in Hagerstown with a special presentation involving those with military service for Veterans Day. We encourage all Lions, especially those with military service, to join us

At the 2023 USA/Canada Forum, some 22W Lions met ID Anthony Paradiso, our 22W Social Keynote Speaker. We're days away from the District Social with many ways to celebrate accomplishment in service and enjoy fellowship. International Director Anthony Paradiso will be arriving Thursday evening and circulating around ten areas. The weekend is lining up to be a lot of fun! There will be Celebrity Shout Outs, Videos of the Leo Program, the Traveling Lion, Generational Lions Tribute, a silent auction, a 50/50, a cake raffle and a money dance to benefit LVRF. You will also see the unveiling of our photo backdrop for District 22W!

God Bless America!

FROM THE DESK OF: 1ST VICE DISTRICT GOVERNOR SUSAN COX

Dear Lions and Leos,

"Unless commitment is made, there are only promises and hopes; but no plans." — Peter F. Drucker

DG Jeremy, GMT Lee Miller, and I have just returned from the USA/Canada Lions Leadership Forum. We had the opportunity to hear our International President speak on the topic of membership and specifically Mission 1.5. Lions International has created The Global Membership Approach as a four-step process that has been proven to increase both member satisfaction and new member recruitment, as well as new club chartering. The four steps are build a team, build a vision, build a plan and build success.

Build A Team: Build a team of club officers to help support the Global Membership Approach.

Build A Vision: Build a vision, assess needs and set goals.

Build A Plan: Build a plan to achieve our goals.

Build Success: Execute your plan, maintain accountability and adjust as needed.

This month let's consider building a plan to achieve our goals to grow and retain club membership.

Prior to building a plan to increase our membership it is important to conduct a SWOT analysis. Swot stands for strengths, weaknesses, opportunities, and threats. This analysis can be as simple as asking these questions as: what are our club's strengths, weaknesses, opportunities, and threats to increasing membership. Once these questions are answered, each club can build a membership goal for DG Jeremy's year. A well-developed goal is specific, measurable, actionable, realistic and time bound. This is a SMART goal. The first step is to write a goal statement, then create action steps to achieve the goal, identify which team members are responsible for assisting in that step, determine the resources needed (team members, technology, funding, etc.,) chose your date to begin and complete each step of the plan. Following are links to resources to support this process.

Getting Started

Potential Members

Please take the time at your next meeting to create or review your club's membership plan. GMT Coordinator Lee Miller and our membership team would be happy to join you and assist in the process of developing a membership plan.

With sincere thanks,

FROM THE DESK OF:

2ND VICE DISTRICT GOVERNOR MARTIN BONURA

The USA/Canada Forum was held on September 21-23, 2023, in Reno, Nevada. The Forum provided an opportunity for gaining leadership skills with 88 seminars. One of those seminars was facilitated by a Judge from Long Island New York named Anthony Paradiso. You may have heard of him as he is a new International Director who will speak at the 22W social. His topic at the Forum was titled "District Governor/Team - Skills to Succeed". He did a great job at the Forum as he will at the Social. His program was the seed that led to this leadership message.

Leading involves the need for a team. In business or the military you may be assigned a team, allowed to select key members of the team, or allowed to choose the entire team. In our Lions clubs and our Lions districts this also holds true; but more than likely you will be able to select or influence the selection of a majority of your team.

Selecting your team does not mean choosing only your friends or those who agree with you. It should be an opportunity to select those who can, as Andrew Carnegie said, "work together toward a common vision". That common vision is the goal/objective of your club, your district, your multiple, or Lions International. That vision should be something the members of the team have had a say in developing in a way that is meaningful to them.

The vision should not be the desire of one individual or the personal agenda of the 'leader' of the team. Once the team leader understands the vision and the type of individuals they will need to accomplish the task and succeed; they need to identify like-minded Lions or even not-yet-Lions who they will ask to be on the team.

What skills and resources are needed to accomplish the project? Of those you want on the team, who can best provide those skills/resources needed to accomplish the project? The skills could be:

- Organizational
- Accounting
- Selling
- Personal interaction
- Planning
- Marketing
- Personal skills such as cooking, construction, legal, training, printing, etc.

The resources could be:

- A truck
- A building, space, or venue
- A group of volunteers
- Community connections, etc.

Of those you want on the team, how interested are they in project? How do you get their buy in or how do you increase their motivation to see the project succeed? The leader must sell the vision and offer those who are willing to be on the team the opportunity for input, ideas, and commitment.

The team succeeds when the vision, as modified by the team is accomplished. They cause the success. The team will grow and those on the team will want to take on the next task, maybe leading the next team on the next project. Leadership is about growth of the individual members of the team.

EDISEL KING

AUGUST 4, 1933 — SEPTEMBER 11, 2023

With great sadness, we announce the passing of Edisel Delano "Ed" King, a beloved husband, father, grandfather, great-grandfather, dear friend and community member. For decades, Ed's name has been synonymous with Deep Creek Lake. He had a deep love for the lake and everything surrounding it and recently said, "I have never had a bad day at Deep Creek Lake." Ed peacefully departed this world on Monday, September 11, 2023, at the age of 90, in the comfort of his Deep Creek Lake home, where he has been a full-time resident for 39 years.

Born on August 4, 1933, in Hopwood, Pa., Ed was the son of the late Frank A. and Ada (Rankin) King. He grew up in a tight-knit family and from an early age developed a strong work ethic. Ed's dedication to education led him to earn bachelor's degrees from both West Virginia University and Carnegie Mellon University.

Ed's adventurous spirit led him to honorably serve his country as part of the United States Air Force. Stationed at a NATO base in France, he contributed to the defense efforts during a critical period. Following his military service, Ed pursued a successful career as a structural engineer at the American Bridge Division of U.S. Steel in Pittsburgh. Throughout his 28-year tenure, he played a significant role in notable projects across the country, including the iconic PanAm building in New York City, the Chesapeake Bay Bridge and the magnificent New River Gorge Bridge.

In 1984, Ed made the life-changing decision to become a full-time resident of Deep Creek Lake, Md. His passion and love for the area led him to embark on a new journey as a Realtor®, working diligently at Long & Foster Real Estate, Inc. (formerly A&A Realty). Ed's knowledge and commitment to the real estate industry earned him respect from his colleagues and clients alike.

However, Ed's legacy extends beyond his professional accomplishments. He had an unwavering dedication to his beloved community, serving as a 50-year active member and former multi-term president of the Property Owner's Association of Deep Creek Lake and the Deep Creek Lions Club, where he was a member since 1986 and past president. As a Lion, he was inducted as a Melvin Jones Fellow, which is the highest award in Lionism and recognizes superlative levels of service to others. Countless people have referred to him as "a legend" around the Deep Creek Lake community. Inspired by his love for the lake, Ed chose to share his wealth of knowledge by authoring several books, including "Famous Boats of Deep Creek Lake," "Deep Creek Lake The Founders," and "I Love Deep Creek Lake." He was diligently working to complete his final book titled "Deep Creek Lake The Founders Book 2", which will be published posthumously. He poured his all into these works as he preserved the memories and history of the lake for future generations to cherish.

Ed's kind and compassionate nature endeared him to all who knew him. He loved trips and visits with his friends and neighbors, all whom he loved dearly. He was known for his generosity, his love of life and his unmistakable "rooster crow," bugle reveille and taps. He touched countless lives through his involvement with various charitable organizations, such as Hospice of Garrett County and the Garrett County Regional Medical Center Foundation. For years, he was a fixture at Hospice's Jail and Bail booth at the county fair. Additionally, Ed dedicated his time and expertise to work with state and local governments on important matters of planning, zoning regulations and lake management.

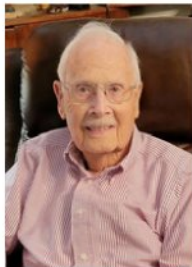

Ed's memory will be forever cherished by his beloved wife, Lorena "Jean" King, who stood by his side throughout their journey together. He is also survived by his children, Jeffrey King of Kaneohe, Hawaii, Michelle King of Butler, Pa., and Bruce King and his wife Angela of Walnut Cove, N.C. Ed leaves behind several grandchildren and great-grandchildren, who will always remember him as a loving and devoted patriarch. Additionally, numerous nieces and nephews will remember him fondly.

In addition to his parents, Ed was preceded in death by his brother, J Darwin King, and his sister, Gloria (King) Breakiron.

A memorial service to celebrate the remarkable life of Edisel Delano King, a man who left an indelible mark on the hearts of all who knew him, will be held at St. Mark's Lutheran Church in Oakland at 11 AM on Saturday, October 28, 2023, with Pastor Tom Omholt officiating. Friends, family and community members will be received for one hour prior to the service.

In lieu of flowers, memorial contributions may be directed to the Deep Creek Watershed Foundation, P.O. Box 376, Oakland, MD 21550 or the donor's favorite charity.

May his kind soul rest in eternal peace, and may his memory forever illuminate our lives.

EUGENE LEE "GENE" LONG
1927 - 2023

Eugene "Gene" Lee Long, 96, a beloved member of the community, passed away peacefully at his home in Thurmont, MD on September 19, 2023. Born March 1, 1927 near Graceham, MD, he was the sixth of ten children born to the late Franklin and Ruth Troxell Long.

Gene served his country with honor as a member of the U.S. Army during the end of World War II. He returned home with a deep sense of patriotism and gratitude for the freedoms we enjoy. He graduated from the University of MD and began a career in agriculture - managing St. Joseph's College Dairy Farm in Emmitsburg (the current site of the National Fire Academy). As a pitcher and 3rd baseman for the Creagerstown Baseball Club from 1947 - 1957, he was a force with which to be reckoned. He attended seminary in the early '60's but returned to agriculture, retiring as General Manager of Mid-East Dairyherd Improvement Association in 1992.

Gene found great joy in golfing, hunting, gardening, woodworking, playing cards and bowling. He was still playing cards and bowling in a league at age 96. He was a founding booster in the football program at Walkersville High School and was involved in many community projects throughout the years. His signature project was the renovation of the Thurmont Trolley Trail, which was dedicated to the Town of Thurmont in 2007. As the project manager at age 80, Gene along with other community volunteers, transformed a very challenging project into a labor of love that continues to benefit others. His more recent passion was to partner with the National Wild Turkey Federation to provide archery equipment/program for local schools. He always enjoyed helping others - often undertaking fundraising challenges for a good cause. He was a member of the Lewistown United Methodist Church and loved his church family.

Gene's dedication extended far beyond his personal pursuits - he deeply valued his relationships with family and friends. He shared a profound love and commitment with his wife Shirley A. Long. In addition to his wife, he is survived by three children: Gloria (Gary) Rollins, Steve (Jane) Long and Janice Long (Steve Insley); eight grandchildren, ten great-granddaughters, one great-grandson and another great-granddaughter on the way. He is also survived by siblings Glorise Green, Harold (Peggy) Long, Raymond (Naomi) Long, and Carole (Dan) Beauchamp and numerous nieces and nephews. Gene was preceded in death by his parents; his son Davey Long; siblings Franklin Long, Jr., Frances Dreith, Elizabeth Auldridge, Naomi Winifred O'Connor and Blanche Keilholtz as well as several brothers-in-law and sisters-in-law.

Gene always stood tall for what he believed even when it was not the popular opinion. His unconditional love, unwavering strength, sense of humor and quick wit was an inspiration. He touched the lives of many with his generous spirit and infectious laughter. His memory will forever live on in the hearts of those who were fortunate enough to have known him. How blessed we were to have shared life with someone for whom saying goodbye is so difficult!

The family wishes to thank the staff of Frederick Health Hospice for his recent care and Dr. Hegazi and the staff at MD Oncology & Hematology who managed his care for the past two years - allowing him to continue to enjoy life even after his grim diagnosis of Stage 4 Cancer.

Visitation services will be held at Stauffer Funeral Home, 1621 Opossumtown Pike, Frederick, MD 21702 on Saturday, September 23, 2023 from 2:00 PM to 6:00 PM and on Sunday, September 24, 2023 from 12:00 PM to 1:00 PM, followed by a Celebration of Life ceremony at 1:00 PM. Officiating will be Pastor Mark Claiborne Sr.. Military honors and interment will follow at the Creagerstown Cemetery. In lieu of flowers, memorial donations may be mailed to the Lewistown United Methodist Church, 11032 Hessong Bridge Road, Thurmont, MD 21788, Attn: Financial Secretary. Eugene "Gene" Lee Long

"The Promise of Tomorrow"

AMERICAN HERITAGE, PRESERVATION AND PATRIOTISM ESSAY PROGRAM

Dear Lions and Lionesses,

Francis Scott Key, a lawyer, author, and poet, is famous for writing the poem "Defence of Fort M'Henry" which eventually became the lyrics to our national anthem "The Star-Spangled Banner". This year's essay will be based around Francis Scott Key's poetic words that became our national anthem, the product of his selfless act.

As this essay contest includes heritage, preservation and patriotism, I hope you will encourage your committees (young and old) to consider taking part in our essay contest.

Each club president is requested to appoint a Lion/Lioness to coordinate this program and to forward the name of the essay coordinator to your zone chair and cc me at drumandy@comcast.net.

You can generate interest in this program by providing information regarding the contest to the schools in your area and by sending news releases to your local media. Also, please encourage your Lions/Lioness club members to participate in this contest by discussing the program at your club's meetings and by including information in your club's newsletter.

The guidelines and timeframe for submission are in the Essay Program Rules Sheet – attached.

I am available to assist in promoting the program or to answer any questions.

Respectfully,

Lion Andrew Drum

Lions:

We are getting close to the time for our next Zone meeting. I know you have all been busy and have a lot to report. I have now been to see all of you and am amazed and proud of what you have all done so far this year. The work you all put in make me proud to say I am a Lion. All I can say is keep it up.

That being said our next zone meeting will be at the Hempstead American Legion and thank you to the Hempstead club for hosting. The date will be Tuesday November 14 starting at 6:30. There will be a meal and that will cost \$15. We will be having a speaker for Veterans Day but not as many as last time and we will have a shorter meeting. Please pass this information to your club and let me know a number that will be attending no later than November 3rd.

I have not received any of your visitations so get them into me so I can update that information. Remember visitation for this year started on July 1st anything before that does not count for this year. Also please remember to do the Vice District Governors challenge and report it. And always if you need anything please let me know, I am here to help.

Thank you

Lions of the Multiple,

You can receive management level training provided by faculty trained and Lion certified professionals at the Regional Lions Leadership Institute. The Institute is designed for local Lions who have or wish to pursue leadership roles with their Lions providing service to their community. At the Institute you will learn about club operations, opportunities and resources available to clubs, and gain both valuable leadership skills and a deeper understanding of how to better serve your clubs.

The Institute is offered at the local level and organized by regional leaders from Maryland and Delaware. Lion eligible for the Institute must be in good standing and want to better support multiple district or district initiatives.

The Institute engages participants in an interactive learning environment by conducting question and answer segments, facilitating meaningful discussions in large and small group settings, and

facilitating group activities. At least half of the faculty in each classroom must be a Faculty Development Institute graduate or Lions Certified Instructor Program certified.

The Institute curriculum is designed to recognize the structure of the association. Utilize a variety of strategies to move a team to a level of high performance. Develop strategies to effectively overcome the challenges of diversity in our clubs and districts. Implement techniques of effective speech delivery. Identify strategies for achieving effective time management. Complete a draft of a personal mission statement. Create an action plan for motivating Lions club members. Set and prioritize goals.

Many districts and some clubs provide scholarships to cover part of the cost of this training.

Steam & Craft Fair

Those who stopped at our booth were given a chance to win one of these beautiful baskets created by Lion Michele Hartney.

Lions PDG Och Ochoa, Lion Lee & Kendra (Lion Spouse) Williams, Lions George Snyder, Ken Tice, President Sharon Ochoa, Jennie Crawford and (perspective member) Ronald Hubbell, Sara McCall, and Jim Bachtell braved the rain and manned the Chewsville Lions Club tent selling brooms and tickets for our quilt and patriotic wall hangings. Our Club enjoyed meeting new people and letting them know what the Lions Clubs do in their communities and internationally.

FREEDOM DISTRICT

On August 25, 2023, the Freedom District Lions Club (FDLC) continued their visits to Inspirations Memory Care in Westminster to bring joy to the residents. Under the leadership of Mackenzie Marden, daughter of President Melissa Turski, youth volunteers and Lions assisted residents in making picture frames to hold pictures of the residents with an instant print camera. Most residents participated and enjoyed the project and talking with the youth. Pictured are youth volunteers from the Freedom District Lions Club helping residents of Inspirations Memory Care make picture frames at the crafts session held on August 25, 2023.

On an extremely hot record setting day (September 5, 2023), four members of the Freedom District Lions Club conducted an inspection and clean-up of Freedom Park in Sykesville. Pictured (left - right) are: Bruce Edwards, Sue Nelson, Wu Schaefer and Bernadette Phillips before they spread out to inspect the park.

On September 10, 2023, members of the Freedom District Lions Club took part in a trail maintenance event at Morgan Run. As always, the Carroll County Equestrian Council sponsored the monthly event. The volunteers cleared underbrush and tree limbs from trails. These present a safety hazard for horses and riders using the trails. It is very hard and tiring work but enjoyable as there is good fellowship in a beautiful area. Pictured below (left - right) are Lions Bruce Edwards, Jim Moore and Tony Dercola after a good day's work..

Jeremy Bair, District Governor, District 22W, International Association of Lions Clubs made his official visit to the Freedom District Lions Club on September 13, 2023 when the club celebrated 75 years of service in the Sykesville - Eldersburg area. He acknowledged the community leaders who in 1947 chartered the service club to serve the community and all those who in following years continued to serve. He recognized those current members who have served for 30 or more years and continue to serve with a certificate of appreciation from Lions International. He challenged the members to continue recruiting new Lions to help serve the needs of people now and into the future. The District Governor also rededicated the original Charter from 1947. Pictured are the Lions who received certificates of appreciation for their many years of service (left - right): Don Champ, Bob Parks, Lanny (Doc) Palmer, Bob Valis, Don VanCleve, Joe Wisniewski and Steve Reese.

Les Schneiderman was recognized for his dedicated service with the Freedom District Lions Club during their September 13, 2023 dinner meeting held at Messiah Lutheran Church's Celebration Hall in Berrett. This was also the meeting when the Lions District Governor Jeremy Bair made his official visit to the club and they celebrated their 75 years of service. Club Secretary Myron Horn read the letter that accompanied this high honor. Pictured (l - r) are: District Governor Jeremy Bair, Les Schneiderman and Melissa Turski, President of the Freedom District Lions Club.

Bruce Edwards was recognized by the Lions Clubs International Foundation (LCIF) at the September 13, 2023 meeting of the Freedom District Lions Club (FDLC) held in Celebration Hall, Messiah Lutheran Church in Berrett. He became a Melvin Jones Fellow - the highest form of recognition for outstanding service through the Lions organization. Edwards was nominated by the Freedom District Lions Club and the presentation was made by Jeremy Bair, District Governor, District 22-W, Lions Clubs International. Pictured (l - r): Jeremy Bair, District Governor, for District 22-W, Lions Clubs International. Bruce Edwards, First Vice President, FDLC and Melissa Turski, FDLC President.

The Freedom District Lions Club (FDLC) held their 76th Charter Night meeting on September 13, 2023 at Celebration Hall, Messiah Lutheran Church in Berrett. Jeremy Bair, District 22-W Governor, Lions Clubs International also made his official visit to the local service club at this meeting. Among the activities for the evening, the District Governor inducted 2 new members into the Freedom District Lions Club. The new members are Jon Biggs and Diana Hewitt and they were warmly welcomed by the members. Pictured (l - r) are: Sponsoring Lion Bob Parks; new Lion Jon Biggs; Lions District Governor Jeremy Bair; DLC President Melissa Turski; new Lion Diana Hewitt and sponsoring Lion Wu Schaefer.

On September 19, 2023, The Freedom District Lions Club, led by Lion Wu Schaefer, Co-chairman of the club's Park and Trail Clean-up & Maintenance Committee did a park inspection and trash clean-up at Freedom Park in Sykesville. The inspection went well - no damage to facilities or the park were detected. There was a slight increase in trash around the playing fields due to the increased use of these for fall sports events. The members continue to find a considerable amount of trash along Raincliffe Road on both sides of the park entrance. The Lions who volunteered on this date were: Les Schneiderman, Tony Ramirez, Gary Buchman, Bernadette Phillips, Sue Nelson, Patty Buchman, Carole Neff, Wu Schaefer and Mona Rameriz.

The Freedom District Lions Club (FDLC) continued their "Operation Joy" visits to Memory Care on Bird View Road in Westminster on September 10, 2023. Six youths, led by Mackenzie Barden (1 of FDLC President Melissa Turski's daughters) assisted the residents in making flowers, using tissue paper, buttons and pipe cleaners. This was a positive activity for both the residents and the youths. Pictured are residents of Memory Care living facility and youth who crafted flowers together on September 10, 2023 as part of a Freedom District Lions Club Operation Joy service project.

The 14th annual Junior CSI Program for middle school youth in the Sykesville area was held on Saturday, September 16, 2023. This program is conducted by the Sykesville Police Department with assistance from the Carroll County Sheriff's Office, the Maryland State police and other law enforcement professionals under the leadership of Sykesville's Police Chief Michael Spaulding. The Freedom District Lions Club is the financial sponsor of this program. This program gives the young detectives the opportunity to investigate a mock crime scene, collect evidence and piece together what happened. They learn through interactive workshops about fingerprint analysis, tire and shoe print impressions and other forensic techniques. The participants collaborate on solving the mock cases, emphasizing the importance of cooperation and good communications.

Members of the Freedom District Lions Club (FDLC) delivered toys on September 22, 2023 to Sinai Hospital for children undergoing cancer treatment on an outpatient basis. The service club has been donating toys 3 or 4 times a year for the past 5 years. They also donated some gas cards to be used by parents who have the expense of transporting their children for treatment. This project is headed by Viki Peltier, Chair of the FDC Childhood Cancer Committee. Pictured below are the Lions and staff members of Sinai Hospital after unloading them at the entrance to Children's Hospital at Sinai. TAYLORSVILLE-WINFIELD

Clean-Up at Krimgold Park:

We were fortunate to have slightly cooler weather with some breezes at our August 27th clean-up. We did not see the people or cars at the park which may explain why we did not have a lot of trash again. Maybe they stayed home to enjoy the indoor air conditioner. Our Lion volunteers were President Tom Harney, Lions Pauline and Charles Rosier and PDG Barb Brimigion.

We would appreciate some more volunteers to step up and help. Family members are welcomed. The next clean-up will be on September 24th. Please let Lion Steve Davis know if you can help.

District Governor Visit:

On September 11th, District Governor Jeremy Bair, Cabinet Secretary Sena Roop and Cabinet Treasurer Neal Roop and Region Chair Guy Garey, visited our club. DG Jeremy encouraged the club to support LCIF, LVRF, LYF and the 2027 International Convention which will be held in Washington DC.

CS Sena and CT Neal were accompanied by their new female Leader Dog, Phoenix. The Roops went to the Leader Dogs for the Blind Headquarters in Rochester Hills, Michigan to pick up the dog which they will raise until it is time to give it to a blind Leader Dog recipient.

DG Jeremy recognized Lion Bob Crawford by presenting him with a Certificate of Appreciation for his 46 years of service.

I would like to thank all those who helped with the Farmer's Market this year, especially Lion Wanda Ottey, Lion Sandy Duley and Lion Marci Veronie. We have sold quite a lot of candy bars. Our raffles are on-going until September 11th. We have a lot of tickets still to sell. If all Lions could buy or sell just one ticket, then we could meet our goal. National Night Out *(Contributed by PDG Paul Cannada)*

National Night Out is a time when we honor the Thurmont Police Officers, Maryland State Troopers and Frederick County Sheriff Deputies and all law enforcement officers that keep us safe. There were more police officers from Thurmont, State and County this year than ever before. (A police officer from Frederick City also came for the celebration).

This year's National Night Out was on August 1st, and it was the 40th annual National Night Out for thousands of communities nationwide. Lion Dianne McLean and I staffed the Thurmont Lions Club information table. We handed out flyers and gave away bottles of water. This was the largest turnout of the public ever. A few

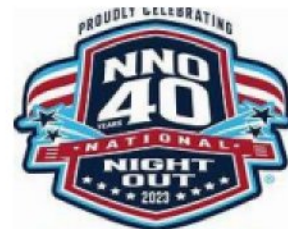

people stopped by to talk to us and get flyers and water. Several people seemed interested in joining the club, and hopefully we will hear from them. This year had the largest number of people visiting all the displays. Besides the Lions table, there were displays from the Thurmont Police Department, the Thurmont Ambulance Company, the Thurmont Fire Department, the Thurmont Department of Public Service, the Woodsboro Bank, Troop 270 Boy Scouts, Frederick County Public Library, Drug Awareness booths, a moon bounce, a music group and many more displays.

I want to thank all the Lions that helped Lion Dianne and me by setting up the Thurmont Lions Club table: Lions Don, Doug, Susan and Joyce. Lions

helping Lions is what Thurmont Lions do.

Mobile Van Fundraiser (Contributed by Lion Nancy Echard)

Plamondon Enterprises (Roy Rogers) and the Frederick Fusion Lions Club hosted the 2nd annual fundraiser for District 22-W Mobile Health Screening Unit on August 25th from 5:00-8:00 pm at Roy Rogers restaurants in Frederick, Hagerstown, Cumberland,

Brunswick, Westminster, Eldersburg and Thurmont. These restaurants gave District 22-W a percentage of the proceeds that evening for those patrons who mention Lions when they placed their order. The Thurmont Lions Club raised \$177.73.

Thank you to those who participated in the fundraiser. It was a fun evening for all. Special thanks to PDG Brian Cox and 1st Vice District Governor Susan Cox for helping to distribute flyers to all patrons at the drive-thru window. We enjoyed exchanging ideas and accepting comments and suggestions from our fellow Terra

Rubra Lions. (Pictured L-R: 1st VDG Susan Cox, Lion Nancy Echard; Tom McMullaney, President Susan Favorite, Dianne McLean)

TLC provided the fried chicken and cupcakes. Members were asked to bring a side dish or provide a donation toward the chicken and cupcakes. Potluck dishes are always the best food!!!

President Susan Favorite presented four certificates for years of service:

Lion Bob Meunier- 56 years

Lion Ross Smith, Jr. – 45 years

Lion Mike Irons – 40 years

Lion PCC Bob Muchow – 40 Years

Lion Joyce Anthony invited Alex and Nancy Dankanich to the picnic as prospective new members.

The entertainment committee planned a scavenger hunt and a slogan game (the slogan was provided and you named the business or person it was associated). We ended the evening with a cake walk whereby about ten delicious cakes and/or pies went home with a happy person.

Everyone had a wonderful time, lots of delicious food, fun and rewarding fellowship.

2023 Lion of the Year (Contributed by Lion Joyce Anthony)

On August 9th the Thurmont Lions Club recognized Lion Nancy Echard as the recipient of the prestige award “Lion of the Year” for 2023. Lion Nancy Echard has been a Lion member since June 2016, and during this short period of time she has taken on the planning and coordination of various club activities and service projects. Lion Nancy Echard has gone above and beyond serving as a Lion. She has served as coordinator of the Farmer’s Market table for the club working with Vicki Grinder through the summer. She promoted Lionism by letting the community know what we do as a “Lion” and encouraging new membership. Last year she stepped up into a leadership position as 3rd Vice President of the Thurmont Lions Club. A huge thank you to Lion Nancy Echard for her dedication to Lionism and community

service.

Nancy Dutterer Service Award (Contributed by Lion Joyce Anthony)

On August 9, 2023 the Thurmont Lions Club awarded the Nancy Dutterer Service Award to Lion Lisa Riffle. This special award is given to a Lion member who doesn’t stop with their work with the Thurmont Lions Club.

Lion Lisa has provided service and demonstrated what it means to be a Lion. She helps at Operation Second Change (Heroes Ridge) which is a site for Veterans. The Veterans come for a week or two at a time (alone or with their family) at no cost to the veterans. Heroes Ridge is definitely a “Heaven” for the Veterans. A huge thank you to Lion Lisa Riffle for her dedication to community service and Lionism.

22W - Leo Club News

Update on the South Carroll Leo Club:

Those Leos who recruit three or more new members during the month of October could receive a Leo October Membership Growth Award from the Leo Club Advisor.

At the time of printing this newsletter, the Leos were to meet on Thursday, September 21st, help with the Food Giveaway thru the Westminster Rescue Mission on Wednesday, September 27th and play bingo with the residents at Sun Valley on Saturday, September 30th. Sounds like they are getting back to business.

Lions Club of Frederick In Service to the Community

Since 1922 the Lions Club of Frederick has served the community, giving generously of time and talent to assist private and public agencies in our quest to help make Frederick and our world a better place to live and work. **Our Club has served for over one hundred years.** Over the years, our support has ranged from assisting in the funding of street lights in the downtown shopping area in the 1920's to providing thousands of eye examinations and glasses for the visually impaired in our community.

Proceeds from the 2023 25th Annual Golf Tournament will be directed to the Frederick Lions Club support of the club's Vision Care Assistance program. Agencies and organizations that have benefited from our benevolent giving include: Little League Baseball, Leader Dog for the Blind.

Our membership is open to those who carry a concern for quality of life in our community and are willing to serve in our efforts to improve that life through the Lions Club.
