Email and member updates

I've had several Lions tell me they are not getting the weekly updates. I am going by the Excel spreadsheet for the District from MLCI. I have 385 members with no emails and several that keep coming back as undeliverable. I recently received the roster list from several clubs and so I've been able to go into Excel and change emails and add emails. If each club in the district would be kind enough to send me a copy of your club's roster, I will take the time to go into my Excel report and update the emails.

Also, I am only able to send out 600 emails per day, so it takes me at least two days to get the weekly updates out to everyone on the list.

For those who may not have seen all of the corrections to the Roster Book, I am working on getting a list of all of the changes for this year and hope to have it in an upcoming weekly newsletter. It will definitely be after the new year!

RE: District Governor Honorarium

Dear Lions,

We are fast approaching the conclusion of another Lions' year and District Governor Jeremy Bair has enjoyed visiting the clubs throughout our District. Not only has he been conducting his official visits bringing the energizing message of International President Patti Hill but he has been busy attending charter celebrations, service projects, and other events held by our energetic and creative clubs. Along the way, he has rededicated club charters and inducted many new members into Lionism. Also, our District Governor has been involved in LVRF and the 2027 Convention Committee. He has also attended the International Convention and the USA/Canada Forum. He has attended numerous meetings at the District and Multiple District levels and has served as a resource for many of our Lions over the past almost 3 years.

District Governor Jeremy has brought to our District-level videos to honor Lions with Longtime Service, Military Service, and Recognition. From one side of the district to the other, he has always tried to be present. DG Jeremy has challenged our clubs to reflect on the important role that they play in their individual communities and to celebrate all that they do to make those communities a better place to live, work, and play. DG Jeremy has tremendous respect for the Lions of District 22W and the amazing work that they do each day.

It has been customary to present our District Governor with an honorarium, a token of our appreciation for his year of dedication to District 22W. If each club participates by sending an honorarium, the presentation to DG Jeremy will represent all of us. Please send your check made payable to District 22-W with Honorarium for DG Jeremy Bair in the memo section no later than May 15 to **Cabinet Treasurer Neal Roop at P.O.Box 305, New Windsor, MD 21776**. The Honorarium will be presented at the Change of Banner.

Thank you and best wishes for your clubs' continued success in service to your communities.

Lion Sena Roop

Cabinet Secretary

***There was a size large Under Armor hat left at the 4th Cabinet meeting in the area of where the Thurmont and Emmitsburg clubs were sitting. If it's yours, Lion Diane Walbrecker is currently in possession of it. You may contact her to claim it.

Leo Club Dates to Consider

April 27, 2024 - LeoCon 2024 will be held at New Market Middle School, home of Lion Ashley Yox and the New Market Middle Leo Club program. Students will have a guest speaker, participate in service projects, and end the morning with lunch surrounded by Leos from our clubs all around the district. May /June 2024 - As discussed at the 2nd Cabinet Meeting, the District Governor has asked individual clubs to consider having a 2-year free membership scholarship included within their regular financial scholarship to graduating Seniors and college students. These students already dedicated to service would have the opportunity to achieve service achievement at the adult level. Summer 2024 - Leo Leadership Camp at Camp Merrick in Nanjemoy, Maryland. Stay tuned for the tentative plans of a leadership camp this coming summer for those Leos in our program
