DISTRICT GOVERNOR JEREMY BAIR

Fellow Lions,

For those that missed the 4th Cabinet Meeting, I would like to rethank Immediate Past District Governor Nadja Muchow for all the work that she has done over the last several year. She was presented a Melvin Jones Fellowship at the 4th Cabinet Meeting. Also, Lion Mindy Coates, Lion Lynn Stimmel and First Vice District Governor Susan Cox were all presented Lion Youth Foundation Clem Kusiak Fellowships for their work with LeoCon, Marketing and Roar Like a Lion. Lastly, ten others were recognized with 2027 Convention Sponsor Pins for their work at the District level. Please keep these forms of recognition in mind as we honor great Lion work. The new list of 2027 International Convention Sponsors can be found further in the newsletter.

Cabinet Secretary Sena will be working with our Leader Dog guest over the next weeks to finalize plans to get to each region for Leader Dog Nights and what is currently slated to be visits to at least five Leo Clubs and Wilmer Eye Clinic.

Our third and final season of Leadership, Membership and Service Video Series kicks off with Harney, Brunswick, Sharpsburg, Myersville, Boonsboro and FSK members talking about their favorite service projects. The video can be found here:

Dear Lions and Leos,

"If your actions create a legacy that inspires others to dream more, learn more, do more and become more, then, you are an excellent leader." Dolly Parton

In District 22 W, our Lions and Leo Clubs stand as a symbol of service and community engagement, leadership, and growth. Accepting leadership roles within your club and our district is an opportunity for personal development and for enhancing the collective strength of the club and district.

Leadership roles challenges Lions and Leos to step out of comfort zones, enhance communication and organizational skills, and develop a deeper understanding of the needs of our communities. Leadership roles also provide an opportunity for members to apply their abilities, learn from others, and, most importantly, learn from their own experiences. This leadership journey not only enriches the Lion or Leo but also adds strength to the club and district. Lion leaders who are committed to their growth inspire others to follow, creating a culture of continuous learning and improvement.

The growth of our Lions and Leo Clubs and District 22W as an organization is fundamentally linked to the willingness of our members to take on leadership roles. Leaders play a crucial role in driving the club's and organization's initiatives, and ensuring the club's and district's activities align with the mission of Lions International. Leaders are instrumental in engaging members, encouraging active participation, and bringing innovative ideas. As members step forward to lead, the club and district becomes more dynamic, adaptable, and effective in its work to serve the community. Leadership in our Lions and Leo Clubs is not just about guiding the present; it is about shaping the future. By embracing leadership roles, members of District 22 W can ensure that their club and district remains the example of service and force for good in their community.

As members of District 22 W accept opportunities to lead, they ensure a stronger Lions organization, capable of meeting the challenges of today and tomorrow. Please accept this opportunity when asked by your club or district, for the benefit of ourselves, our clubs, and our community.

2ND VICE DISTRICT GOVERNOR MARTIN BONURA

Leadership as a Member of a Club April 2024

You are a member of a club. Your club is like all other Lions clubs and yet it is different from any other Lions club. The club is the heart of our association, but our association is not limited to your club. As a member of a club, you should learn about the leadership styles of other clubs, of district leaders, and multiple district leaders.

Do you visit other clubs in your zone and region to learn about their operations, service projects, and fundraisers? Have you ever visited a club in another region, another district, another state? Club visitations are a great way to learn how to lead by seeing how clubs organize their meetings, service projects, or fundraisers. Club visitations may also show you what you should not do because you see what does not work.

Through club visitations members of my club and I have learned about how various presidents conduct their meetings. We see if they use an agenda and follow it resulting in smoother running meetings. We see if they “wing it.” We learn about their fundraisers and their service projects that can influence our future fundraising efforts and service undertakings. Our club can learn and grow from the leadership we see in those clubs we visit.

Four cabinet meetings are required for each district as an opportunity for district activities to be presented to the clubs. Club presidents and club secretaries should represent their clubs at these meetings. A report is made by each region chair discussing the key actions of the clubs in their region by zone. This provides those attending an opportunity to learn about what is going on in all five counties of our district. Sharing success stories allows for all clubs and all Lions to benefit from the actions of other clubs in other zones and regions.

Attending cabinet meetings provides opportunities for you to learn from the District Governor, from district committees, and district chairpersons about the various activities of the district in which your club may or may not fully participate. You can hear from the American Heritage, Preservation & Patriotism Essay contest winners, learn about changes to our Constitution & By-Laws, and learn about the district and multiple district conventions with their seminars and elections. You can hear the latest from the Diabetes Awareness committee, about environmental projects, about Lions Quest, Lions Saving Kids Sight, the Lions Vision Research Foundation and the mobile screening van. Attending cabinet meetings provides useful information for all Lions about our association.

These are only a few of the leadership opportunities. Others include the Zone and Regionwide meetings, Multiple district council of governors meeting often call the COG meeting. You can go to our social and the other four socials in Maryland and in Delaware, and of course to the convention.

The USA/Canada forum and the local institutes such as the Regional Lions Leadership Institute are available to all Lions. You have all many choices and can attend whenever you are able. Please remember as a member of a club you are more than a follower and leadership is more than just holding an office. It is about learning to be the best you can be as a Lion.

*Diabetes Awareness
Chairman's Report
March 2024*

Several clubs have donated money to Diabetes Awareness and Diabetes Research programs. The Diabetic Campership Fund still has a nice amount of money which needs to be distributed for children to attend Camp Merrick. Unfortunately, not enough clubs have found children to attend the camp. The cabinet has agreed to present the Diabetes Association with a \$5,000 check for the Camp Charm City at John's Hopkins which helps children with diabetes just as Camp Merrick. The only difference is that it is not a week long session. However, it is a one day affair that serves around 100 children every year with helpful information and encouragement to manage their diabetes. I hope all clubs are coming up with ideas to spread Diabetes Awareness in their communities as the Vice District Governors have challenged us to do. My club Taylorsville Winfield Lions is having a dance on May 4th at Winfield Fire Hall with a band which we have done for several years now to raise money for Diabetes Awareness and Children's Pediatric Cancer. I hope all clubs are budgeting money to help find ways to find a cure for the disease and make people aware of the growing problem. Our club is also selling stuffed bears and bunnies for the Diabetes Vice District Governor's Challenge on March 10th at Sykesville Fire Hall during their Easter Breakfast from 8am – 10am.

*Thank you,
Lion Tom Harney
Lion Dianne Walbrecker*

In addition, several clubs I have been in communication with have picked up diabetes awareness materials to distribute at events in their communities. I am also working with Frederick Health Department about getting blood testing done either at community events or some other way. Also, of course, working with school nurses and endocrinologists in the area to find children who can use our camperships at Camp Merrick.

Take care, Lion Dianne

Do you complete all of your IRS 990's?

Treasurers and newly appointed fill-in treasurers have asked me about the 990-n, also known as an e-postcard. Clubs whose annual **gross** receipts are normally \$50,000 or less are required to electronically submit this form by the 15th day of the 5th month after the close of their tax year. Some clubs with foundations do not realize that they need to complete a 990 for all EIN (employer identification number), the nine-digit number that identifies your club for tax administration purposes. Clubs with annual gross receipts that are normally greater than \$50,000 must file Form 990 or Form 990-EZ.

Form 990-N can be filed for free at IRS.gov. There is no paper form. The IRS has created a simple internet-based process for filing Form 990-N, clubs do not need to purchase software to file. Clubs that do not have access to a computer can go to places that provide internet access to the public, such as your local library, to file Form 990-N/the e-Postcard.

Since August 1, 2022, smaller charities that are eligible and choose to file [Form 990-N](#), Electronic Notice for Tax-Exempt Organizations (e-Postcard), must sign into the IRS modernized authentication platform. If your club does not have an account with IRS or if you need a second account for a second EIN you can follow the instructions below.

When accessing the Form 990-N Electronic Filing system, you will have three options:

1. Sign in with their existing IRS username: Users with an active IRS username have the option to access the Form 990-N submission page using their active IRS credentials
2. Sign in with their existing ID.me account: Users that have an ID.me account to access other IRS online services or from a state or federal agency can sign in using their existing ID.me account.
3. Create a new ID.me account: Users that don't have an active IRS username credential must register and sign in with ID.me. ID.me account creation requires an email address and multi-factor authentication. Form 990-N filers who have an existing IRS username and register for an ID.me account must use the same email address.

If technical issues prevent you from registering or filing with the Form 990-N electronic filing system, try the suggestions below. If the problem still exists after trying all of the suggestions below, contact IRS Customer Account Services at 877-829-5500 (a toll-free number).

Treasurers please attend the Treasurer's course at the officers training on either June 1st or on June 8th.

National Memorial Day Parade

Lions of DC, DE, MD, VA, ETAL,

Yes! The Lions of Maryland, Delaware, Virginia and the District of Columbia are again going to participate in the National Memorial Day Parade on Monday, May 27, 2024. This is the 16th consecutive year in which we as Lions have participated.

The Float will continue to stress our more than 100 years of service and feature our areas of service and so we want our participation to be at a maximum this year. The float will feature our anniversary logo and the current President's theme. We plan to have with us on the float, Lion Veterans (identified by their Red, White and blue sashes) special Lion VIPs and other Celebrities that may enhance the image of our float. (IPP Brian Sheehan & Lion Lori Sheehan have expressed plans to attend again this year, we hope their schedule will allow)

We are normally seen by over 300,000 people lining the parade route which extends from 7th Street to 18th Street along Washington's famous Constitution Avenue. We are seen by millions on several cable networks and streaming on websites. Those of you who have participated in previous years will remember that there were many onlookers who waved and cheered for us as we passed by, and many received miniature flags from marching Lions who left the ranks to present them. We will be encouraged to pass out miniature Flags to onlookers this year. To say this is the greatest Lions PR event of the year on the east coast is an understatement. Who wouldn't want to participate?

Unfortunately, this year we will be missing one of our stalwarts, Lion Bill Strauss. Lion Bill was there from the start and has participated in every parade since. He was our Registrar for many years, including last year, 2023. Lion Bill passed last year at the age of 99, and we are planning to honor his memory on the Float.

It is a solemn honor to participate in honoring all those who have given their life for their country, along with all who are still serving (retired or Active). You will also be amazed as the thousands gathered along the Parade Route yell out their thanks to Lions for their service, or for having helped them or relatives. Definitely a solemn and prideful moment for the Lions.

To cap it off, all parade participants are invited to a fantastic BBQ at the Virginia home of PDG "Woody" Woodard immediately after the parade. It's located in northern Virginia and is easily and quickly reached from the parade route.

Please accept this as our invitation for you to join us as a marcher if you are able, or on the float if you are unable to walk the route. Limited space available on Float, so please sign up early. We hope you are able to attend. Further details about sign-up and logistics will be furnished as they are received.

Sincerely,

Woody

MD22 Convention News

March 2024

Guest Speaker

Leo-Lion Liaison Alicia Kiri Beer

We have a young dynamic guest speaker and many exciting seminars; see below for more details. Don't miss out on this excellent opportunity. Deadlines are approaching - only 3 weeks left to register for meals at the convention before the **April 1** deadline and hotel reservations must be made by **March 21st**. There are 3 ADA rooms still available.

And, although the Sponsors, Advertisers, and Exhibitors March 1 deadline has passed, IPDG Sue is still working on the program book so email her if you'd like to get something in – rich99991@verizon.net. See form at the end of this newsletter.

Leo-Lion Liaison Alicia Kiri Beer from Black Diamond, Alberta was appointed by IP Dr. Patti Hill to serve as a Leo-Lion Board Liaison for Lions Year 2023-2024. She started as a Leo when she helped her father, Lion Tim Beer, charter the Lil Legendary Leo Club and led the club as their charter President. Her enthusiasm and passion for service motivated her to continue her journey as a Leo-Lion with the Foothills Lions Club.

As a Leo, Alicia served in a number of leadership roles including club president and Leo Club Program advisory panelist for CA II. She also held a number of offices including district Leo chairperson and vice president of the Foothills Lions Club. She is currently a trustee for the USA/Canada Leo Leadership Foundation, which coordinates the USA/Canada Leo Forum. She has also served as a presenter for LCIcon 2022 and the USA/Canada Lions Forums and was selected as the Leo-Lion Cultural Exchange ambassador from CA II in 2022. Alicia has received International President's Leadership Awards, numerous International President's Certificates of Appreciation and is a recipient of the Leo Medal of Honor.

Alicia works full time as a disability support worker for Calgary Scope Society supporting individuals with developmental disabilities as well as mental health diagnoses. Alicia has a great appreciation for Special Olympics as many of her clients have participated in the games all their lives.

As a Leo-Lion Board Liaison, Alicia is focusing on strengthening the global community of Leos and young Lions around the world by supporting and promoting the various networks of service and fellowship that help us connect and support one another.

In her free time, Alicia enjoys new experiences and looks forward to any opportunity to travel. She enjoys snorkeling, fishing, reading, and spending time with her family and friends.

Encourage Leos to attend so, they can meet and spend time with this amazing young Lion.

CARROLL COUNTY HEALTH DEPARTMENT GUIDELINES

The following are minimum requirements.

Hand-wash facilities are required for operations that handle food products, which are not individually pre-packaged or pre-wrapped. (Example: pizza, hot dogs, hamburgers, sandwiches, etc.) A non-toxic, easily cleanable water dispenser with potable water must be used for hand washing with a basin to collect wastewater. (Example: plastic or non-toxic metal is acceptable.) Soap, paper towels, and a trash receptacle must be provided. Please note that hand-washing facilities and dishwashing facilities must be separate. Hand washing must occur before and between glove uses. Hands must be washed for a minimum of 20 seconds.

Glove use is required by any person handling ready to eat foods. No bare hand contact is allowed. Gloves must be changed when going from raw food to ready to serve foods; if gloves become damaged; and after a period of continued use.

Washing facilities for utensils, pots, pans, etc. are required for those operations which handle food not individually pre-packaged or pre-wrapped and require utensils for serving or equipment for cooking. Three adequately sized, easily cleanable, containers filled with potable water are to be used. Example: plastic or non-toxic metal is acceptable. The first basin is to contain soap and water. The second basin is to contain clear rinse water. The third basin is to contain clear rinse water with the proper concentration of sanitizing agent poured into the water (Example: 1/4-oz. of bleach per gallon of water). These basins should be emptied and replenished as needed.

Each stand must have a cooler or other acceptable means of refrigeration to keep potentially hazardous foods at 41° Fahrenheit or below. Example: hamburgers, hot dogs, pizza, cream-filled pastries, custard pastries, etc. Each cooler or refrigeration unit must be provided with a thermometer to check the temperature. An adequate supply of ice or ice packs may be used in the coolers. However, food must not be placed so it can be flooded by melted ice. All raw foods must be stored separately from ready-to-eat foods.

Any foods requiring heating shall be rapidly heated to these minimum temperatures:

Measure the temperature at center of the food.

Shell Eggs 145°F hold for 15 seconds

Roast Beef 145°F hold for 15 seconds

Pork & Ham 155°F hold for 15 seconds

Poultry 165°F hold for 15 seconds

Stuffed Meat 165°F hold for 15 seconds

Ground Beef & Comminuted Meats 155°F hold for 15 seconds

All others 145°F hold for 15 seconds

Reheat Leftover Food 165°F

Hot Hold for All Foods 155°F minimum

When cooling, food shall be rapidly cooled under refrigeration or ice bath and stored at 45° Fahrenheit or less.

All stands preparing food must have calibrated food thermometer on-site and available at all times.

All foods are to be wrapped or covered to protect them from contamination by dust, dirt, sneezing, coughing, unnecessary handling by the consumer, and all other sources of contamination, during storage, preparation, display, and service.

All food and food contact items must be elevated off the floor or ground.

Equipment shall not have cracks or crevices and shall be made of nonporous, non-toxic material. It shall also be free from dirt, corrosion, chipping paint, and shall be in a general state of good repair. Equipment shall also be easily cleanable. Plastic, which is cracked, metal, which is rusted or pitted, and chipped enamelware should not be used. All stands preparing foods must have overhead protection (tent or canopy) as well as an approved ground cover. Examples of approved ground cover include concrete, asphalt, plastic tarps, and other non-porous cleanable surfaces.

All Special Food Service Facility Events are subject to inspection by the Health Department.

Seven (7) members of the Freedom District Lions Club picked up trash and litter in and around Liberty Reservoir 2nd Boat Dock in Eldersburg on March 10, 2024. This was part of an ongoing volunteer monthly service project carried out under the leadership of the club's Trial & ParksClen-up and Maintenance Committee. Pictured with the day's collection of trash (left - right) are: Bernadette Phillips, Bruce Edwards and Wu Schaefer standing next to the trash collected at Liberty Reservoir around the 2nd boat dock on March 10, 2024.

During the March 13, 2024 meeting of the Freedom District Lions Club (FDLC), Lion Mike Shavatt (a member of the service club's Childhood Cancer Committee) presented a check from the club to Jill Huey (also a member of the FDLC) representing Horizon Day Camp. Huey thanked the members for their donation and told the members about Horizon Day Camp. The camp is free for children with cancer and their siblings. Children can attend camp for a day, a week or all summer. Huey said the donation will pay for 2 campers for the summer. Pictured at the March 13 meeting of the FDLC are members of the Childhood Cancer Committee following the presentation about Horizon Day Camp (left - right) Tony Ramirez, Gary Peltier, Mona Ramirez, Diane Torockio, Don Champ, Viki Peltier (Chairman of the Childhood Cancer Committee), Jill Huey (representing Horizon Day Camp), Mike Shavatt and Carole Neff.

Lions Tony Ramirez and Mona Ramirez were recognized as Melvin Jones Fellows - the highest form of recognition from the International Association of Lions Clubs. Melissa Turski, President of the Freedom District Lions Club (FDLC) made the presentation during the March 13, 2024 club meeting. Both Mona and Tony Ramrez joined the service club in 2021 as they had retired and wanted to stay busy and active in serving the community. SOUTH CARROLL

Model Club Plaque Presented - Past Council Chair and District 22W LCIF Chair Brian Cox presented a Model Club plaque from Lions Clubs International Foundation (LCIF) to Immediate Past President Susan Bonura at the February 1 meeting of the South Carroll Lioness Lions Club at Messiah Lutheran's Celebration Hall in Sykesville. According to the letter presented with the plaque, "As a Model Club, you showed great leadership and dedication to our foundation. You are part of an elite group that worked to magnify the service of Lions globally, and enabled LCIF to surpass its \$300 million goal. Model Clubs made it possible for LCIF to award 403 grants amounting to \$7.7 million to help combat COVID 19. Contributions from Model Clubs also helped to aid Ukrainian refugees in 17 countries. You have made it possible for LCIF to continue empowering the service of Lions for years to come." Our club donated an average of \$500 per member over a four-year period between 2019 and 2023.

The South Carroll Lioness Lions Club held its fourth annual Donation Night on Thursday, March 7, 2024, at Messiah Lutheran Church's Celebration Hall in Sykesville. The club made donations to several Carroll County organizations totaling \$3,500.00 and they donated 12 Easter baskets to Shepherd's Staff for their Easter basket program for children 0-13 years.

In addition to the donations made at its annual Donation Night, the club made donations in March to many other Carroll County organizations including Access Carroll, Bridging Life, Springfield Hospital, Carroll Hospital, Sykesville Volunteer Fire Department and The Literacy Council.

The South Carroll Lioness Lions Club dedicated a bench in honor of the late Past District Governor Robert J. Miller on March 10, 2024. The bench was made by the Trex company from 500 pounds of plastic collected and recycled by the club members. The bench was placed outside the Sykesville Colored Schoolhouse by club members Dan and Amy Landry.

PDG Robert "Bob" Miller joined the Freedom District Lions Club in 1977 where he served as membership chair, treasurer, director, vice president, president, and chair of the pre-school vision screening program, and many others. He served District 22-W as Deputy District Governor in 1982, zone chair in 1981 and 1991, Lioness Liaison, Sight First Chair, Lions Saving Kids Sight Chair, Song Leader and District Governor in 1996-1997.

In 2011 Miller became a charter member of the South Carroll Lioness Lions Club where he served as club vice president, president, membership chair and tail twister. He was a Knight of the Blind and a Progressive Melvin Jones Fellow.

Members of the club gathered in the Sykesville Colored Schoolhouse to reminisce and share stories about Miller. Through PDG Bob's far-reaching humanitarian service, he helped prevent blindness and helped make the world a better place to live. He was an instrument in helping many people, especially those less fortunate, to live better, fuller and more useful lives.

Pictured (standing left to right) are PDG Susan Bonura, Judy Flynn, Richard Jennings, Kay Field, Sue Torpey and Betty Wallace. Seated are Lion Anita Sue Miller, widow of PDG Robert Miller, and Anastasia Johnson, daughter of Aften Johnson, neighborhood residents. Not pictured are Lions Amy and Dan Landry, Annah Landry, Lion Martin Bonura, Aften Johnson, and Pat and Ray Greenwald who also attended the dedication.

The South Carroll Lioness Lions Club meets on the first Thursday of each month at Messiah Lutheran Church's Celebration Hall in Sykesville at 7 p.m. For more information contact the South Carroll Lioness Lions at southcarrolllions@gmail.com.

Rudy DeAtley (center) became the newest member of the South Carroll Lioness Lions Club at the February 1 meeting of the club held at Messiah Lutheran Church's Celebration Hall in Sykesville. Lion Rudy is shown with club president Terri Parkent (left) and his wife and sponsor, Diane. The club meets on the first Thursday of each month at 7 p.m. Anyone interested in learning more about the club can email southcarrolllions@gmail.com.

TAYLORSVILLE-WINDFIELD

WE ARE GRATEFUL
FOR YOUR SUPPORT!
Your participation in past tournaments has enabled us to donate over \$154,000 to Lions Vision Program, American Diabetes Association and other Lion causes.

With nearly 1.5 million new and existing who are active in community projects in more than 48,000 clubs over 212 countries and geographic locations, Lions Club International is the world's largest service organization. In 1922, Vision Relief Challenge Lions 2024, "Project of the Year" was the winner against diabetes, and we are proud to have the right program remain one of our defining causes.

For the 23rd year, local Lions Clubs - Deer Park, Freedom District, Greater Carroll, Rousing Pine, South Carroll and Takoma-Walkersville - are joining forces to raise funds for the American Diabetes Association (ADA), and the Lions Vision Research Foundation, Inc. (LVRFI). Now for the 2nd year, Abby's Care of Courage Presents Lions Support Tour and wide-scale efforts to control and prevent diabetes and diabetic retinopathy, the leading cause of vision loss in U.S. adults. The mission of the ADA is to prevent and cure diabetes and improve the lives of all people affected by diabetes. The primary purpose of LVRFI is to support low vision research and education to minimize the disabilities caused by low vision and blindness, education, and patient care in the vision (www.lionsvisionresearch.com).

Abby's Care of Courage gifts children with cancer a new way to help them overcome through their cancer journey. They use them to help keep their mind off their diagnosis and make their days, these gifts are a true blessing to both the child and their caregivers. Each year, we have a special gift for every child who is diagnosed with cancer, whether it be leukemia, lymphoma, osteosarcoma, neuroblastoma, or any other type of cancer. The gifts are made by Abby based on surveys sent to recipients by mail.

All funds raised at this golf tournament will be used exclusively for these organizations. Your support makes a difference in the lives of those affected by diabetes, low vision and pediatric cancer. By joining your local Lions Club you can bring about positive changes to your community.

The Greater Carroll Lions Club's 19th Annual Walk in Westminster

to benefit
Diabetes Research & Lions Camp Merrick

The Greater Carroll Lions Club is raising money to benefit these main initiatives:

Diabetes Awareness & Research: Lions Clubs International – the world's largest volunteer organization – announced in 2017 it will mobilize its 47,000 service clubs in 200 countries around a new signature cause - the global diabetes epidemic. The organization, founded 103 years ago, unveiled diabetes as a new focus for its 1.4 million members.

Lions Camp Merrick: Located in southern Maryland, Lions Camp Merrick offers non-stop fun for local children who are Deaf, Blind or are Type 1 Diabetic and are between the ages 6-16. Campers will participate in a "traditional overnight camp" experience supervised by trained and caring counselors. They also offer Family Diabetic Camp and Sibling Diabetic Camp for type 1 diabetic campers and their family members.

Any amount that your business can donate will go a long way to helping these causes and will also earn your business to be displayed on the back of the event T-shirt. Also, any donation of \$50 or above will earn your business a shirt. Please consider donating to these great causes.

To donate please send a check to:
Greater Carroll Lions Club
1560 E Mayberry Road
Westminster MD 21158
Or contact Lion Ryan Staley at ryanstaley141@gmail.com or 443-744-2018 for alternative payment options.
All donations need to be received by May 1st to be printed on the event shirt. Please include the exact wording you would like displayed on the event shirt.
